

# LEGACY HEALTH AND REHABILITATION OF PLEASANT GROVE

Report ID: CCN 015461

Generated: 2026-07-26T12:59:39.946Z

## § 1 Facility Identity

|                |                                                    |
|----------------|----------------------------------------------------|
| Facility       | LEGACY HEALTH AND REHABILITATION OF PLEASANT GROVE |
| CCN            | 015461                                             |
| Location       | 30 7TH STREET, PLEASANT GROVE, AL, 35127           |
| Ownership type | For profit - Corporation                           |
| Certified beds | 189                                                |

## § 2 CMS Federal Record

|                                            |                                      |
|--------------------------------------------|--------------------------------------|
| Civil money penalties on file              | \$0                                  |
| Deficiency citations — current cycle       | 8 (up from 0 in the prior 24 months) |
| Deficiency citations — prior 24 months     | 0                                    |
| Immediate Jeopardy — current cycle         | 0                                    |
| Actual-harm (G+) citations — current cycle | 0                                    |
| Special Focus Facility status              | Not listed                           |
| Abuse icon                                 | No                                   |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$0                                                   |
| AL state average                  | \$14,532 (this facility is 0.0× the AL average)       |
| National average                  | \$31,239 (this facility is 0.0× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 8 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                                                                                                                                                  | SCOPE/SEV. | SOURCE          |
|-------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|-----------------|
| F814  | Dispose of garbage and refuse properly.                                                                                                                                                                                                                                                        | F          | Standard survey |
| F584  | Honor the resident's right to a safe, clean, comfortable and homelike environment, including but not limited to receiving treatment and supports for daily living safely.                                                                                                                      | E          | Standard survey |
| F759  | Ensure medication error rates are not 5 percent or greater.                                                                                                                                                                                                                                    | E          | Standard survey |
| F886  | Perform COVID19 testing on residents and staff.                                                                                                                                                                                                                                                | E          | Standard survey |
| F553  | Allow resident to participate in the development and implementation of his or her person-centered plan of care.                                                                                                                                                                                | D          | Standard survey |
| F677  | Provide care and assistance to perform activities of daily living for any resident who is unable.                                                                                                                                                                                              | D          | Standard survey |
| F693  | Ensure that feeding tubes are not used unless there is a medical reason and the resident agrees; and provide appropriate care for a resident with a feeding tube.                                                                                                                              | D          | Standard survey |
| F758  | Implement gradual dose reductions(GDR) and non-pharmacological interventions, unless contraindicated, prior to initiating or instead of continuing psychotropic medication; and PRN orders for psychotropic medications are only used when the medication is necessary and PRN use is limited. | D          | Standard survey |

## § 5 Ownership & Chain Context

|                                       |                                                                                                        |
|---------------------------------------|--------------------------------------------------------------------------------------------------------|
| Ownership record                      | Chain: NHS MANAGEMENT (43 facilities); Owner on file: NORTHPORT HOLDING OPERATIONS, LLC (organization) |
| Ownership chain                       | NHS MANAGEMENT (43 facilities)                                                                         |
| Penalties vs chain average            | \$0 vs \$5,087 (0.0× the chain average)                                                                |
| Current deficiencies vs chain average | 8 vs 4.2 (1.9× the chain average)                                                                      |

## § 6 CMS Care Compare Star Ratings

---

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 1 / 5 (state avg 3 · US avg 3)     |
| Health inspection     | 1 / 5 (state avg 2.8 · US avg 2.8) |
| Staffing              | 4 / 5 (state avg 3.6 · US avg 2.9) |
| Quality measures (QM) | 3 / 5 (state avg 3.3 · US avg 3.7) |

## § 8 For Your Attorney

---

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
  2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 015461.
  3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash 8019f1da062a.
  4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).
- 

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
