|----------------|----------------------------------------|
| Facility       | Fairfield Post Acute Rehabilitation    |
| CCN            | 055014                                 |
| Location       | 1255 Travis Blvd, Fairfield, CA, 94533 |
| Ownership type | For profit - Limited Liability company |
| Certified beds | 99                                     |

## § 2 CMS Federal Record

|                                            |                                 |
|--------------------------------------------|---------------------------------|
| Civil money penalties on file              | \$0                             |
| Deficiency citations — current cycle       | 9 ( 13% vs prior 24 months (8)) |
| Deficiency citations — prior 24 months     | 8                               |
| Immediate Jeopardy — current cycle         | 0                               |
| Actual-harm (G+) citations — current cycle | 0                               |
| Special Focus Facility status              | Not listed                      |
| Abuse icon                                 | No                              |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$0                                                   |
| CA state average                  | \$26,375 (this facility is 0.0× the CA average)       |
| National average                  | \$31,239 (this facility is 0.0× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 9 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                                                                                                           | SCOPE/SEV. | SOURCE          |
|-------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|-----------------|
| F761  | Ensure drugs and biologicals used in the facility are labeled in accordance with currently accepted professional principles; and all drugs and biologicals must be stored in locked compartments, separately locked, compartments for controlled drugs. | F          | Standard survey |
| F812  | Procure food from sources approved or considered satisfactory and store, prepare, distribute and serve food in accordance with professional standards.                                                                                                  | F          | Standard survey |
| F578  | Honor the resident's right to request, refuse, and/or discontinue treatment, to participate in or refuse to participate in experimental research, and to formulate an advance directive.                                                                | E          | Standard survey |
| F813  | Have a policy regarding use and storage of foods brought to residents by family and other visitors.                                                                                                                                                     | E          | Standard survey |
| F880  | Provide and implement an infection prevention and control program.                                                                                                                                                                                      | E          | Standard survey |
| F638  | Assure that each resident's assessment is updated at least once every 3 months.                                                                                                                                                                         | D          | Complaint       |
| F684  | Provide appropriate treatment and care according to orders, resident's preferences and goals.                                                                                                                                                           | D          | Complaint       |
| F605  | Prevent the use of unnecessary psychotropic medications or use medications that may restrain a resident's ability to function.                                                                                                                          | D          | Standard survey |
| F912  | Provide rooms that are at least 80 square feet per resident in multiple rooms and 100 square feet for single resident rooms.                                                                                                                            | B          | Standard survey |

## § 5 Ownership & Chain Context

|                                       |                                                                                        |
|---------------------------------------|----------------------------------------------------------------------------------------|
| Ownership record                      | Chain: THE ENSIGN GROUP (342 facilities); Owner on file: WILLITS, BRADLEY (individual) |
| Ownership chain                       | THE ENSIGN GROUP (342 facilities)                                                      |
| Penalties vs chain average            | \$0 vs \$20,923 (0.0× the chain average)                                               |
| Current deficiencies vs chain average | 9 vs 10.1 (0.9× the chain average)                                                     |

## § 6 CMS Care Compare Star Ratings

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 5 / 5 (state avg 3.2 · US avg 3)   |
| Health inspection     | 4 / 5 (state avg 2.8 · US avg 2.8) |
| Staffing              | 4 / 5 (state avg 3.1 · US avg 2.9) |
| Quality measures (QM) | 5 / 5 (state avg 4.2 · US avg 3.7) |

## § 7 Record Provenance

|                          |                                                                                                                                                   |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|

## § 8 For Your Attorney

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 055014.
3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash b7428bbf3231.
4. Deficiency F-tags cited above are searchable in CMS QCOR (qcor.cms.gov).

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
