|----------------|----------------------------------------------|
| Facility       | BERKLEY WEST HEALTHCARE CENTER               |
| CCN            | 055136                                       |
| Location       | 1623 ARIZONA AVENUE, SANTA MONICA, CA, 90404 |
| Ownership type | For profit - Corporation                     |
| Certified beds | 54                                           |

## § 2 CMS Federal Record

|                                            |                                  |
|--------------------------------------------|----------------------------------|
| Civil money penalties on file              | \$101,046                        |
| Deficiency citations — current cycle       | 8 ( 72% vs prior 24 months (29)) |
| Deficiency citations — prior 24 months     | 29                               |
| Immediate Jeopardy — current cycle         | 0                                |
| Actual-harm (G+) citations — current cycle | 0                                |
| Special Focus Facility status              | Not listed                       |
| Abuse icon                                 | No                               |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$101,046                                             |
| CA state average                  | \$26,375 (this facility is 3.8× the CA average)       |
| National average                  | \$31,239 (this facility is 3.2× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 8 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                                  | SCOPE/SEV. | SOURCE          |
|-------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|-----------------|
| F552  | Ensure that residents are fully informed and understand their health status, care and treatments.                                                                              | D          | Complaint       |
| F583  | Keep residents' personal and medical records private and confidential.                                                                                                         | D          | Standard survey |
| F686  | Provide appropriate pressure ulcer care and prevent new ulcers from developing.                                                                                                | D          | Standard survey |
| F688  | Provide appropriate care for a resident to maintain and/or improve range of motion (ROM), limited ROM and/or mobility, unless a decline is for a medical reason.               | D          | Standard survey |
| F690  | Provide appropriate care for residents who are continent or incontinent of bowel/bladder, appropriate catheter care, and appropriate care to prevent urinary tract infections. | D          | Standard survey |
| F760  | Ensure that residents are free from significant medication errors.                                                                                                             | D          | Standard survey |
| F867  | Set up an ongoing quality assessment and assurance group to review quality deficiencies and develop corrective plans of action.                                                | D          | Standard survey |
| F880  | Provide and implement an infection prevention and control program.                                                                                                             | D          | Standard survey |

## § 5 Ownership & Chain Context

|                                       |                                                                                          |
|---------------------------------------|------------------------------------------------------------------------------------------|
| Ownership record                      | Chain: ASPEN SKILLED HEALTHCARE (35 facilities); Owner on file: ASBW, LLC (organization) |
| Ownership chain                       | ASPEN SKILLED HEALTHCARE (35 facilities)                                                 |
| Penalties vs chain average            | \$101,046 vs \$21,356 (4.7× the chain average)                                           |
| Current deficiencies vs chain average | 8 vs 12.3 (0.7× the chain average)                                                       |

## § 6 CMS Care Compare Star Ratings

---

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 3 / 5 (state avg 3.2 · US avg 3)   |
| Health inspection     | 2 / 5 (state avg 2.8 · US avg 2.8) |
| Staffing              | 4 / 5 (state avg 3.1 · US avg 2.9) |
| Quality measures (QM) | 5 / 5 (state avg 4.2 · US avg 3.7) |

---

## § 7 Record Provenance

---

|                          |                                                                                                                                                   |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|
| CMS data as of           | Jun 2026                                                                                                                                          |

## § 8 For Your Attorney

---

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
  2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 055136.
  3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash c27935029ab6.
  4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).
- 

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
