

# THE SPRINGS POST-ACUTE

Report ID: CCN 055297  
Generated: 2026-07-23T19:05:16.007Z

## § 1 Facility Identity

|                |                                            |
|----------------|--------------------------------------------|
| Facility       | THE SPRINGS POST-ACUTE                     |
| CCN            | 055297                                     |
| Location       | 10625 LEFFINGWELL ROAD, NORWALK, CA, 90650 |
| Ownership type | For profit - Limited Liability company     |
| Certified beds | 99                                         |

## § 2 CMS Federal Record

|                                            |                                       |
|--------------------------------------------|---------------------------------------|
| Civil money penalties on file              | \$66,866                              |
| Deficiency citations — current cycle       | 24 ( 85% vs prior 24 months (13))     |
| Deficiency citations — prior 24 months     | 13                                    |
| Immediate Jeopardy — current cycle         | 0                                     |
| Actual-harm (G+) citations — current cycle | 1                                     |
| Special Focus Facility status              | Not listed                            |
| Abuse icon                                 | Yes — CMS abuse icon currently listed |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$66,866                                              |
| CA state average                  | \$26,375 (this facility is 2.5× the CA average)       |
| National average                  | \$31,239 (this facility is 2.1× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 24 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                                                               | SCOPE/SEV. | SOURCE          |
|-------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|-----------------|
| F688  | Provide appropriate care for a resident to maintain and/or improve range of motion (ROM), limited ROM and/or mobility, unless a decline is for a medical reason.                                            | G          | Standard survey |
| F880  | Provide and implement an infection prevention and control program.                                                                                                                                          | E          | Complaint       |
| F689  | Ensure that a nursing home area is free from accident hazards and provides adequate supervision to prevent accidents.                                                                                       | E          | Complaint       |
| F558  | Reasonably accommodate the needs and preferences of each resident.                                                                                                                                          | E          | Standard survey |
| F641  | Ensure each resident receives an accurate assessment.                                                                                                                                                       | E          | Standard survey |
| F812  | Procure food from sources approved or considered satisfactory and store, prepare, distribute and serve food in accordance with professional standards.                                                      | E          | Standard survey |
| F867  | Set up an ongoing quality assessment and assurance group to review quality deficiencies and develop corrective plans of action.                                                                             | E          | Standard survey |
| F887  | Educate residents and staff on COVID-19 vaccination, offer the COVID-19 vaccine to eligible residents and staff after education, and properly document each resident and staff member's vaccination status. | E          | Standard survey |
| F919  | Make sure that a working call system is available in each resident's bathroom and bathing area.                                                                                                             | E          | Standard survey |
| F600  | Protect each resident from all types of abuse such as physical, mental, sexual abuse, physical punishment, and neglect by anybody.                                                                          | E          | Complaint       |
| F580  | Immediately tell the resident, the resident's doctor, and a family member of situations (injury/decline/room, etc.) that affect the resident.                                                               | D          | Complaint       |
| F580  | Immediately tell the resident, the resident's doctor, and a family member of situations                                                                                                                     | D          | Complaint       |

(injury/decline/room, etc.) that affect the resident.

|      |                                                                                                                                   |   |                 |
|------|-----------------------------------------------------------------------------------------------------------------------------------|---|-----------------|
| F609 | Timely report suspected abuse, neglect, or theft and report the results of the investigation to proper authorities.               | D | Complaint       |
| F550 | Honor the resident's right to a dignified existence, self-determination, communication, and to exercise his or her rights.        | D | Complaint       |
| F604 | Ensure that each resident is free from the use of physical restraints, unless needed for medical treatment.                       | D | Standard survey |
| F645 | PASARR screening for Mental disorders or Intellectual Disabilities                                                                | D | Standard survey |
| F656 | Develop and implement a complete care plan that meets all the resident's needs, with timetables and actions that can be measured. | D | Standard survey |
| F677 | Provide care and assistance to perform activities of daily living for any resident who is unable.                                 | D | Standard survey |
| F687 | Provide appropriate foot care.                                                                                                    | D | Standard survey |
| F694 | Provide for the safe, appropriate administration of IV fluids for a resident when needed.                                         | D | Standard survey |
| F695 | Provide safe and appropriate respiratory care for a resident when needed.                                                         | D | Standard survey |
| F825 | Provide or get specialized rehabilitative services as required for a resident.                                                    | D | Standard survey |
| F826 | Provide specialized rehabilitative services by qualified personnel, when ordered for a resident by a doctor.                      | D | Standard survey |
| F883 | Develop and implement policies and procedures for flu and pneumonia vaccinations.                                                 | D | Standard survey |

## § 5 Ownership & Chain Context

|                                       |                                                                                                 |
|---------------------------------------|-------------------------------------------------------------------------------------------------|
| Ownership record                      | Chain: LINKS HEALTHCARE GROUP (31 facilities); Owner on file: CTR PARTNERSHIP LP (organization) |
| Ownership chain                       | LINKS HEALTHCARE GROUP (31 facilities)                                                          |
| Penalties vs chain average            | \$66,866 vs \$14,712 (4.5× the chain average)                                                   |
| Current deficiencies vs chain average | 24 vs 15.0 (1.6× the chain average)                                                             |

## § 6 CMS Care Compare Star Ratings

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 2 / 5 (state avg 3.2 · US avg 3)   |
| Health inspection     | 1 / 5 (state avg 2.8 · US avg 2.8) |
| Staffing              | 3 / 5 (state avg 3.1 · US avg 2.9) |
| Quality measures (QM) | 5 / 5 (state avg 4.2 · US avg 3.7) |

## § 7 Record Provenance

|                          |                                                                                                                                                   |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|

## § 8 For Your Attorney

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 055297.
3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash ef7eadc43b73.
4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
