

# Huntington Valley Healthcare Center

Report ID: CCN 055888  
Generated: 2026-07-23T19:09:07.183Z

## § 1 Facility Identity

|                |                                                 |
|----------------|-------------------------------------------------|
| Facility       | Huntington Valley Healthcare Center             |
| CCN            | 055888                                          |
| Location       | 8382 NEWMAN AVENUE, HUNTINGTON BEACH, CA, 92647 |
| Ownership type | For profit - Limited Liability company          |
| Certified beds | 144                                             |

## § 2 CMS Federal Record

|                                            |                                   |
|--------------------------------------------|-----------------------------------|
| Civil money penalties on file              | \$25,470                          |
| Deficiency citations — current cycle       | 33 ( 74% vs prior 24 months (19)) |
| Deficiency citations — prior 24 months     | 19                                |
| Immediate Jeopardy — current cycle         | 0                                 |
| Actual-harm (G+) citations — current cycle | 2                                 |
| Special Focus Facility status              | Not listed                        |
| Abuse icon                                 | No                                |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$25,470                                              |
| CA state average                  | \$26,375 (this facility is 1.0× the CA average)       |
| National average                  | \$31,239 (this facility is 0.8× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 33 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                                                                                                           | SCOPE/SEV. | SOURCE          |
|-------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|-----------------|
| F684  | Provide appropriate treatment and care according to orders, resident's preferences and goals.                                                                                                                                                           | G          | Complaint       |
| F726  | Ensure that nurses and nurse aides have the appropriate competencies to care for every resident in a way that maximizes each resident's well being.                                                                                                     | G          | Complaint       |
| F812  | Procure food from sources approved or considered satisfactory and store, prepare, distribute and serve food in accordance with professional standards.                                                                                                  | E          | Standard survey |
| F880  | Provide and implement an infection prevention and control program.                                                                                                                                                                                      | E          | Standard survey |
| F628  | Provide the required documentation or notification related to the resident's needs, appeal rights, or bed-hold policies.                                                                                                                                | D          | Complaint       |
| F656  | Develop and implement a complete care plan that meets all the resident's needs, with timetables and actions that can be measured.                                                                                                                       | D          | Complaint       |
| F694  | Provide for the safe, appropriate administration of IV fluids for a resident when needed.                                                                                                                                                               | D          | Complaint       |
| F761  | Ensure drugs and biologicals used in the facility are labeled in accordance with currently accepted professional principles; and all drugs and biologicals must be stored in locked compartments, separately locked, compartments for controlled drugs. | D          | Complaint       |
| F770  | Provide timely, quality laboratory services/tests to meet the needs of residents.                                                                                                                                                                       | D          | Complaint       |
| F842  | Safeguard resident-identifiable information and/or maintain medical records on each resident that are in accordance with accepted professional standards.                                                                                               | D          | Complaint       |
| F554  | Allow residents to self-administer drugs if determined clinically appropriate.                                                                                                                                                                          | D          | Standard survey |
| F578  | Honor the resident's right to request, refuse, and/or discontinue treatment, to participate in or refuse to                                                                                                                                             | D          | Standard survey |

participate in experimental research, and to formulate an advance directive.

|      |                                                                                                                                                                                                                                                                                                |   |                 |
|------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---|-----------------|
| F658 | Ensure services provided by the nursing facility meet professional standards of quality.                                                                                                                                                                                                       | D | Standard survey |
| F688 | Provide appropriate care for a resident to maintain and/or improve range of motion (ROM), limited ROM and/or mobility, unless a decline is for a medical reason.                                                                                                                               | D | Standard survey |
| F690 | Provide appropriate care for residents who are continent or incontinent of bowel/bladder, appropriate catheter care, and appropriate care to prevent urinary tract infections.                                                                                                                 | D | Standard survey |
| F693 | Ensure that feeding tubes are not used unless there is a medical reason and the resident agrees; and provide appropriate care for a resident with a feeding tube.                                                                                                                              | D | Standard survey |
| F695 | Provide safe and appropriate respiratory care for a resident when needed.                                                                                                                                                                                                                      | D | Standard survey |
| F697 | Provide safe, appropriate pain management for a resident who requires such services.                                                                                                                                                                                                           | D | Standard survey |
| F698 | Provide safe, appropriate dialysis care/services for a resident who requires such services.                                                                                                                                                                                                    | D | Standard survey |
| F744 | Provide the appropriate treatment and services to a resident who displays or is diagnosed with dementia.                                                                                                                                                                                       | D | Standard survey |
| F755 | Provide pharmaceutical services to meet the needs of each resident and employ or obtain the services of a licensed pharmacist.                                                                                                                                                                 | D | Standard survey |
| F757 | Ensure each resident's drug regimen must be free from unnecessary drugs.                                                                                                                                                                                                                       | D | Standard survey |
| F758 | Implement gradual dose reductions(GDR) and non-pharmacological interventions, unless contraindicated, prior to initiating or instead of continuing psychotropic medication; and PRN orders for psychotropic medications are only used when the medication is necessary and PRN use is limited. | D | Standard survey |
| F761 | Ensure drugs and biologicals used in the facility are labeled in accordance with currently accepted professional principles; and all drugs and biologicals                                                                                                                                     | D | Standard survey |

must be stored in locked compartments, separately locked, compartments for controlled drugs.

|      |                                                                                                                                                                                                                |   |                 |
|------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---|-----------------|
| F804 | Ensure food and drink is palatable, attractive, and at a safe and appetizing temperature.                                                                                                                      | D | Standard survey |
| F849 | Arrange for the provision of hospice services or assist the resident in transferring to a facility that will arrange for the provision of hospice services.                                                    | D | Standard survey |
| F684 | Provide appropriate treatment and care according to orders, resident's preferences and goals.                                                                                                                  | D | Complaint       |
| F694 | Provide for the safe, appropriate administration of IV fluids for a resident when needed.                                                                                                                      | D | Complaint       |
| F838 | Conduct and document a facility-wide assessment to determine what resources are necessary to care for residents competently during both day-to-day operations (including nights and weekends) and emergencies. | D | Complaint       |
| F842 | Safeguard resident-identifiable information and/or maintain medical records on each resident that are in accordance with accepted professional standards.                                                      | B | Complaint       |
| F584 | Honor the resident's right to a safe, clean, comfortable and homelike environment, including but not limited to receiving treatment and supports for daily living safely.                                      | B | Standard survey |
| F842 | Safeguard resident-identifiable information and/or maintain medical records on each resident that are in accordance with accepted professional standards.                                                      | B | Standard survey |
| F625 | Notify the resident or the resident's representative in writing how long the nursing home will hold the resident's bed in cases of transfer to a hospital or therapeutic leave.                                | B | Complaint       |

## § 5 Ownership & Chain Context

|                                       |                                                                                 |
|---------------------------------------|---------------------------------------------------------------------------------|
| Ownership record                      | Chain: PACS GROUP (280 facilities); Owner on file: GLASGOW, GORDON (individual) |
| Ownership chain                       | PACS GROUP (280 facilities)                                                     |
| Penalties vs chain average            | \$25,470 vs \$32,207 (0.8× the chain average)                                   |
| Current deficiencies vs chain average | 33 vs 12.7 (2.6× the chain average)                                             |

## § 6 CMS Care Compare Star Ratings

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 1 / 5 (state avg 3.2 · US avg 3)   |
| Health inspection     | 1 / 5 (state avg 2.8 · US avg 2.8) |
| Staffing              | 2 / 5 (state avg 3.1 · US avg 2.9) |

## § 8 For Your Attorney

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 055888.
3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash f5407903e531.
4. Deficiency F-tags cited above are searchable in CMS QCOR (qcor.cms.gov).

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
