| Facility       | MAGNOLIA POST ACUTE CARE                |
| CCN            | 055890                                  |
| Location       | 635 S MAGNOLIA AVE, EL CAJON, CA, 92020 |
| Ownership type | For profit - Corporation                |
| Certified beds | 99                                      |

## § 2 CMS Federal Record

|                                            |                                              |
|--------------------------------------------|----------------------------------------------|
| Civil money penalties on file              | \$117,475                                    |
| Deficiency citations — current cycle       | 13 ( 550% vs prior 24 months (2))            |
| Deficiency citations — prior 24 months     | 2                                            |
| Immediate Jeopardy — current cycle         | 0                                            |
| Actual-harm (G+) citations — current cycle | 1                                            |
| Special Focus Facility status              | Not listed                                   |
| Abuse icon                                 | <b>Yes — CMS abuse icon currently listed</b> |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$117,475                                             |
| CA state average                  | \$26,375 (this facility is 4.5× the CA average)       |
| National average                  | \$31,239 (this facility is 3.8× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 13 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                                            | SCOPE/SEV. | SOURCE          |
|-------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|-----------------|
| F600  | Protect each resident from all types of abuse such as physical, mental, sexual abuse, physical punishment, and neglect by anybody.                                                       | H          | Complaint       |
| F578  | Honor the resident's right to request, refuse, and/or discontinue treatment, to participate in or refuse to participate in experimental research, and to formulate an advance directive. | E          | Standard survey |
| F802  | Provide sufficient support personnel to safely and effectively carry out the functions of the food and nutrition service.                                                                | E          | Standard survey |
| F812  | Procure food from sources approved or considered satisfactory and store, prepare, distribute and serve food in accordance with professional standards.                                   | E          | Standard survey |
| F585  | Honor the resident's right to voice grievances without discrimination or reprisal and the facility must establish a grievance policy and make prompt efforts to resolve grievances.      | D          | Complaint       |
| F610  | Respond appropriately to all alleged violations.                                                                                                                                         | D          | Complaint       |
| F656  | Develop and implement a complete care plan that meets all the resident's needs, with timetables and actions that can be measured.                                                        | D          | Complaint       |
| F584  | Honor the resident's right to a safe, clean, comfortable and homelike environment, including but not limited to receiving treatment and supports for daily living safely.                | D          | Standard survey |
| F605  | Prevent the use of unnecessary psychotropic medications or use medications that may restrain a resident's ability to function.                                                           | D          | Standard survey |
| F657  | Develop the complete care plan within 7 days of the comprehensive assessment; and prepared, reviewed, and revised by a team of health professionals.                                     | D          | Standard survey |
| F686  | Provide appropriate pressure ulcer care and prevent new ulcers from developing.                                                                                                          | D          | Standard survey |

|      |                                                                                                                       |   |                 |
|------|-----------------------------------------------------------------------------------------------------------------------|---|-----------------|
| F689 | Ensure that a nursing home area is free from accident hazards and provides adequate supervision to prevent accidents. | D | Standard survey |
| F880 | Provide and implement an infection prevention and control program.                                                    | D | Standard survey |

## § 5 Ownership & Chain Context

|                                       |                                                                                    |
|---------------------------------------|------------------------------------------------------------------------------------|
| Ownership record                      | Chain: THE ENSIGN GROUP (342 facilities); Owner on file: JALIL, ANMAR (individual) |
| Ownership chain                       | THE ENSIGN GROUP (342 facilities)                                                  |
| Penalties vs chain average            | \$117,475 vs \$20,923 (5.6× the chain average)                                     |
| Current deficiencies vs chain average | 13 vs 10.1 (1.3× the chain average)                                                |

## § 6 CMS Care Compare Star Ratings

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 3 / 5 (state avg 3.2 · US avg 3)   |
| Health inspection     | 2 / 5 (state avg 2.8 · US avg 2.8) |
| Staffing              | 3 / 5 (state avg 3.1 · US avg 2.9) |
| Quality measures (QM) | 5 / 5 (state avg 4.2 · US avg 3.7) |

## § 7 Record Provenance

|                          |                                                                                                                                                   |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|

## § 8 For Your Attorney

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 055890.
3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash 11e83e83a3a5.
4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).

---

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
