

# North Long Beach Post Acute

Report ID: CCN 055995  
Generated: 2026-07-23T18:47:51.294Z

## § 1 Facility Identity

|                |                                        |
|----------------|----------------------------------------|
| Facility       | North Long Beach Post Acute            |
| CCN            | 055995                                 |
| Location       | 260 E MARKET ST, LONG BEACH, CA, 90805 |
| Ownership type | For profit - Limited Liability company |
| Certified beds | 120                                    |

## § 2 CMS Federal Record

|                                            |                                       |
|--------------------------------------------|---------------------------------------|
| Civil money penalties on file              | \$74,998                              |
| Deficiency citations — current cycle       | 34 ( 278% vs prior 24 months (9))     |
| Deficiency citations — prior 24 months     | 9                                     |
| Immediate Jeopardy — current cycle         | 0                                     |
| Actual-harm (G+) citations — current cycle | 1                                     |
| Special Focus Facility status              | Not listed                            |
| Abuse icon                                 | Yes — CMS abuse icon currently listed |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$74,998                                              |
| CA state average                  | \$26,375 (this facility is 2.8× the CA average)       |
| National average                  | \$31,239 (this facility is 2.4× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 34 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                             | SCOPE/SEV. | SOURCE          |
|-------|-----------------------------------------------------------------------------------------------------------------------------------------------------------|------------|-----------------|
| F689  | Ensure that a nursing home area is free from accident hazards and provides adequate supervision to prevent accidents.                                     | G          | Complaint       |
| F812  | Procure food from sources approved or considered satisfactory and store, prepare, distribute and serve food in accordance with professional standards.    | F          | Standard survey |
| F880  | Provide and implement an infection prevention and control program.                                                                                        | F          | Standard survey |
| F558  | Reasonably accommodate the needs and preferences of each resident.                                                                                        | E          | Complaint       |
| F600  | Protect each resident from all types of abuse such as physical, mental, sexual abuse, physical punishment, and neglect by anybody.                        | E          | Complaint       |
| F605  | Prevent the use of unnecessary psychotropic medications or use medications that may restrain a resident's ability to function.                            | E          | Standard survey |
| F641  | Ensure each resident receives an accurate assessment.                                                                                                     | E          | Standard survey |
| F656  | Develop and implement a complete care plan that meets all the resident's needs, with timetables and actions that can be measured.                         | E          | Standard survey |
| F755  | Provide pharmaceutical services to meet the needs of each resident and employ or obtain the services of a licensed pharmacist.                            | E          | Standard survey |
| F684  | Provide appropriate treatment and care according to orders, resident's preferences and goals.                                                             | D          | Complaint       |
| F842  | Safeguard resident-identifiable information and/or maintain medical records on each resident that are in accordance with accepted professional standards. | D          | Complaint       |
| F552  | Ensure that residents are fully informed and understand their health status, care and treatments.                                                         | D          | Complaint       |
| F580  | Immediately tell the resident, the resident's doctor, and a family member of situations                                                                   | D          | Complaint       |

(injury/decline/room, etc.) that affect the resident.

|      |                                                                                                                                                                                    |   |                 |
|------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---|-----------------|
| F692 | Provide enough food/fluids to maintain a resident's health.                                                                                                                        | D | Complaint       |
| F580 | Immediately tell the resident, the resident's doctor, and a family member of situations (injury/decline/room, etc.) that affect the resident.                                      | D | Complaint       |
| F604 | Ensure that each resident is free from the use of physical restraints, unless needed for medical treatment.                                                                        | D | Complaint       |
| F605 | Prevent the use of unnecessary psychotropic medications or use medications that may restrain a resident's ability to function.                                                     | D | Complaint       |
| F656 | Develop and implement a complete care plan that meets all the resident's needs, with timetables and actions that can be measured.                                                  | D | Complaint       |
| F552 | Ensure that residents are fully informed and understand their health status, care and treatments.                                                                                  | D | Standard survey |
| F558 | Reasonably accommodate the needs and preferences of each resident.                                                                                                                 | D | Standard survey |
| F580 | Immediately tell the resident, the resident's doctor, and a family member of situations (injury/decline/room, etc.) that affect the resident.                                      | D | Standard survey |
| F628 | Provide the required documentation or notification related to the resident's needs, appeal rights, or bed-hold policies.                                                           | D | Standard survey |
| F658 | Ensure services provided by the nursing facility meet professional standards of quality.                                                                                           | D | Standard survey |
| F689 | Ensure that a nursing home area is free from accident hazards and provides adequate supervision to prevent accidents.                                                              | D | Standard survey |
| F699 | Provide care or services that was trauma informed and/or culturally competent.                                                                                                     | D | Standard survey |
| F756 | Ensure a licensed pharmacist perform a monthly drug regimen review, including the medical chart, following irregularity reporting guidelines in developed policies and procedures. | D | Standard survey |

|      |                                                                                                                                                                                                                                                         |   |                 |
|------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---|-----------------|
| F757 | Ensure each resident's drug regimen must be free from unnecessary drugs.                                                                                                                                                                                | D | Standard survey |
| F759 | Ensure medication error rates are not 5 percent or greater.                                                                                                                                                                                             | D | Standard survey |
| F760 | Ensure that residents are free from significant medication errors.                                                                                                                                                                                      | D | Standard survey |
| F761 | Ensure drugs and biologicals used in the facility are labeled in accordance with currently accepted professional principles; and all drugs and biologicals must be stored in locked compartments, separately locked, compartments for controlled drugs. | D | Standard survey |
| F825 | Provide or get specialized rehabilitative services as required for a resident.                                                                                                                                                                          | D | Standard survey |
| F842 | Safeguard resident-identifiable information and/or maintain medical records on each resident that are in accordance with accepted professional standards.                                                                                               | D | Standard survey |
| F867 | Set up an ongoing quality assessment and assurance group to review quality deficiencies and develop corrective plans of action.                                                                                                                         | D | Standard survey |
| F887 | Educate residents and staff on COVID-19 vaccination, offer the COVID-19 vaccine to eligible residents and staff after education, and properly document each resident and staff member's vaccination status.                                             | D | Standard survey |

## § 5 Ownership & Chain Context

|                                       |                                                                                               |
|---------------------------------------|-----------------------------------------------------------------------------------------------|
| Ownership record                      | Chain: WINDSOR (23 facilities); Owner on file: ANTELOPE REALTY HOLDINGS I, LLC (organization) |
| Ownership chain                       | WINDSOR (23 facilities)                                                                       |
| Penalties vs chain average            | \$74,998 vs \$23,395 (3.2× the chain average)                                                 |
| Current deficiencies vs chain average | 34 vs 22.6 (1.5× the chain average)                                                           |

## § 6 CMS Care Compare Star Ratings

---

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 1 / 5 (state avg 3.2 · US avg 3)   |
| Health inspection     | 1 / 5 (state avg 2.8 · US avg 2.8) |
| Staffing              | 4 / 5 (state avg 3.1 · US avg 2.9) |
| Quality measures (QM) | 4 / 5 (state avg 4.2 · US avg 3.7) |

---

## § 8 For Your Attorney

---

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
  2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 055995.
  3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash 950aa2c1ef20.
  4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).
- 

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
