

# IMPERIAL HEALTHCARE CENTER

Report ID: CCN 056115  
Generated: 2026-07-26T00:07:09.240Z

## § 1 Facility Identity

|                |                                            |
|----------------|--------------------------------------------|
| Facility       | IMPERIAL HEALTHCARE CENTER                 |
| CCN            | 056115                                     |
| Location       | 11926 LA MIRADA BLVD, LA MIRADA, CA, 90638 |
| Ownership type | For profit - Limited Liability company     |
| Certified beds | 99                                         |

## § 2 CMS Federal Record

|                                            |                                   |
|--------------------------------------------|-----------------------------------|
| Civil money penalties on file              | \$0                               |
| Deficiency citations — current cycle       | 17 ( 467% vs prior 24 months (3)) |
| Deficiency citations — prior 24 months     | 3                                 |
| Immediate Jeopardy — current cycle         | 0                                 |
| Actual-harm (G+) citations — current cycle | 0                                 |
| Special Focus Facility status              | Not listed                        |
| Abuse icon                                 | No                                |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$0                                                   |
| CA state average                  | \$26,375 (this facility is 0.0× the CA average)       |
| National average                  | \$31,239 (this facility is 0.0× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 17 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                                                                                                                                            | SCOPE/SEV. | SOURCE          |
|-------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|-----------------|
| F921  | Make sure that the nursing home area is safe, easy to use, clean and comfortable for residents, staff and the public.                                                                                                                                                                    | E          | Standard survey |
| F580  | Immediately tell the resident, the resident's doctor, and a family member of situations (injury/decline/room, etc.) that affect the resident.                                                                                                                                            | D          | Complaint       |
| F552  | Ensure that residents are fully informed and understand their health status, care and treatments.                                                                                                                                                                                        | D          | Standard survey |
| F558  | Reasonably accommodate the needs and preferences of each resident.                                                                                                                                                                                                                       | D          | Standard survey |
| F582  | Give residents notice of Medicaid/Medicare coverage and potential liability for services not covered.                                                                                                                                                                                    | D          | Standard survey |
| F656  | Develop and implement a complete care plan that meets all the resident's needs, with timetables and actions that can be measured.                                                                                                                                                        | D          | Standard survey |
| F684  | Provide appropriate treatment and care according to orders, resident's preferences and goals.                                                                                                                                                                                            | D          | Standard survey |
| F685  | Assist a resident in gaining access to vision and hearing services.                                                                                                                                                                                                                      | D          | Standard survey |
| F686  | Provide appropriate pressure ulcer care and prevent new ulcers from developing.                                                                                                                                                                                                          | D          | Standard survey |
| F689  | Ensure that a nursing home area is free from accident hazards and provides adequate supervision to prevent accidents.                                                                                                                                                                    | D          | Standard survey |
| F700  | Try different approaches before using a bed rail. If a bed rail is needed, the facility must (1) assess a resident for safety risk; (2) review these risks and benefits with the resident/representative; (3) get informed consent; and (4) Correctly install and maintain the bed rail. | D          | Standard survey |
| F759  | Ensure medication error rates are not 5 percent or greater.                                                                                                                                                                                                                              | D          | Standard survey |

|      |                                                                                                                                                                                                                                                         |   |                 |
|------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---|-----------------|
| F761 | Ensure drugs and biologicals used in the facility are labeled in accordance with currently accepted professional principles; and all drugs and biologicals must be stored in locked compartments, separately locked, compartments for controlled drugs. | D | Standard survey |
| F805 | Ensure each resident receives and the facility provides food prepared in a form designed to meet individual needs.                                                                                                                                      | D | Standard survey |
| F847 | Inform resident or representatives choice to enter into binding arbitration agreement and right to refuse.                                                                                                                                              | D | Standard survey |
| F880 | Provide and implement an infection prevention and control program.                                                                                                                                                                                      | D | Standard survey |
| F926 | Have policies on smoking.                                                                                                                                                                                                                               | D | Standard survey |

## § 5 Ownership & Chain Context

|                                       |                                                                                                       |
|---------------------------------------|-------------------------------------------------------------------------------------------------------|
| Ownership record                      | Chain: ABRAHAM BAK & MENACHEM GASTWIRTH (16 facilities); Owner on file: LEHMANN, KENNETH (individual) |
| Ownership chain                       | ABRAHAM BAK & MENACHEM GASTWIRTH (16 facilities)                                                      |
| Penalties vs chain average            | \$0 vs \$18,347 (0.0× the chain average)                                                              |
| Current deficiencies vs chain average | 17 vs 19.3 (0.9× the chain average)                                                                   |

## § 6 CMS Care Compare Star Ratings

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 4 / 5 (state avg 3.2 · US avg 3)   |
| Health inspection     | 3 / 5 (state avg 2.8 · US avg 2.8) |
| Staffing              | 3 / 5 (state avg 3.1 · US avg 2.9) |
| Quality measures (QM) | 5 / 5 (state avg 4.2 · US avg 3.7) |

## § 7 Record Provenance

---

|                          |                                                                                                                                                   |

## § 8 For Your Attorney

---

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
  2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 056115.
  3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash 8f8fbb4d4afe9.
  4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).
- 

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
