

# REHABILITATION AND NURSING CENTER OF THE ROCKIES

Report ID: CCN 065192  
Generated: 2026-07-23T12:39:54.050Z

## § 1 Facility Identity

|                |                                                  |
|----------------|--------------------------------------------------|
| Facility       | REHABILITATION AND NURSING CENTER OF THE ROCKIES |
| CCN            | 065192                                           |
| Location       | 1020 PATTON ST, FORT COLLINS, CO, 80524          |
| Ownership type | For profit - Corporation                         |
| Certified beds | 106                                              |

## § 2 CMS Federal Record

|                                            |                                   |
|--------------------------------------------|-----------------------------------|
| Civil money penalties on file              | \$21,721                          |
| Deficiency citations — current cycle       | 13 ( 550% vs prior 24 months (2)) |
| Deficiency citations — prior 24 months     | 2                                 |
| Immediate Jeopardy — current cycle         | 1                                 |
| Actual-harm (G+) citations — current cycle | 1                                 |
| Special Focus Facility status              | Not listed                        |
| Abuse icon                                 | No                                |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$21,721                                              |
| CO state average                  | \$25,496 (this facility is 0.9× the CO average)       |
| National average                  | \$31,239 (this facility is 0.7× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 13 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                                                                               | SCOPE/SEV.                    | SOURCE          |
|-------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------|-----------------|
| F610  | Respond appropriately to all alleged violations.                                                                                                                                                                            | <b>J • Immediate Jeopardy</b> | Standard survey |
| F689  | Ensure that a nursing home area is free from accident hazards and provides adequate supervision to prevent accidents.                                                                                                       | G                             | Standard survey |
| F565  | Honor the resident's right to organize and participate in resident/family groups in the facility.                                                                                                                           | E                             | Standard survey |
| F658  | Ensure services provided by the nursing facility meet professional standards of quality.                                                                                                                                    | D                             | Complaint       |
| F842  | Safeguard resident-identifiable information and/or maintain medical records on each resident that are in accordance with accepted professional standards.                                                                   | D                             | Complaint       |
| F555  | Honor the resident's right to choose his or her attending physician.                                                                                                                                                        | D                             | Standard survey |
| F605  | Prevent the use of unnecessary psychotropic medications or use medications that may restrain a resident's ability to function.                                                                                              | D                             | Standard survey |
| F628  | Provide the required documentation or notification related to the resident's needs, appeal rights, or bed-hold policies.                                                                                                    | D                             | Standard survey |
| F644  | Coordinate assessments with the pre-admission screening and resident review program; and referring for services as needed.                                                                                                  | D                             | Standard survey |
| F679  | Provide activities to meet all resident's needs.                                                                                                                                                                            | D                             | Standard survey |
| F742  | Provide the appropriate treatment and services to a resident who displays or is diagnosed with mental disorder or psychosocial adjustment difficulty, or who has a history of trauma and/or post-traumatic stress disorder. | D                             | Standard survey |
| F835  | Administer the facility in a manner that enables it to use its resources effectively and efficiently.                                                                                                                       | D                             | Standard survey |

|      |                                                                    |   |                 |
|------|--------------------------------------------------------------------|---|-----------------|
| F880 | Provide and implement an infection prevention and control program. | D | Standard survey |
|------|--------------------------------------------------------------------|---|-----------------|

## § 5 Ownership & Chain Context

|                                       |                                                                                      |
|---------------------------------------|--------------------------------------------------------------------------------------|
| Ownership record                      | Chain: THE ENSIGN GROUP (342 facilities); Owner on file: CHOHAN, JAMEEL (individual) |
| Ownership chain                       | THE ENSIGN GROUP (342 facilities)                                                    |
| Penalties vs chain average            | \$21,721 vs \$20,923 (1.0× the chain average)                                        |
| Current deficiencies vs chain average | 13 vs 10.1 (1.3× the chain average)                                                  |

## § 6 CMS Care Compare Star Ratings

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 3 / 5 (state avg 3.1 · US avg 3)   |
| Health inspection     | 2 / 5 (state avg 2.7 · US avg 2.8) |
| Staffing              | 2 / 5 (state avg 3.2 · US avg 2.9) |
| Quality measures (QM) | 5 / 5 (state avg 4.2 · US avg 3.7) |

## § 7 Record Provenance

|                          |                                                                                                                                                   |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|
| CMS data as of           | Jun 2026                                                                                                                                          |

## § 8 For Your Attorney

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 065192.
3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash cdef863472de.
4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelppnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
