

# LAKESIDE POST ACUTE

Report ID: CCN 065273  
Generated: 2026-07-23T18:53:48.950Z

## § 1 Facility Identity

|                |                                         |
|----------------|-----------------------------------------|
| Facility       | LAKESIDE POST ACUTE                     |
| CCN            | 065273                                  |
| Location       | 6270 W 38TH AVE, WHEAT RIDGE, CO, 80033 |
| Ownership type | For profit - Corporation                |
| Certified beds | 78                                      |

## § 2 CMS Federal Record

|                                            |                                              |
|--------------------------------------------|----------------------------------------------|
| Civil money penalties on file              | \$14,058                                     |
| Deficiency citations — current cycle       | 11 ( 450% vs prior 24 months (2))            |
| Deficiency citations — prior 24 months     | 2                                            |
| Immediate Jeopardy — current cycle         | 0                                            |
| Actual-harm (G+) citations — current cycle | 1                                            |
| Special Focus Facility status              | Not listed                                   |
| Abuse icon                                 | <b>Yes — CMS abuse icon currently listed</b> |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$14,058                                              |
| CO state average                  | \$25,496 (this facility is 0.6× the CO average)       |
| National average                  | \$31,239 (this facility is 0.5× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

#### § 4 Current-Cycle Deficiencies

The current survey cycle records the following 11 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                          | SCOPE/SEV. | SOURCE          |
|-------|--------------------------------------------------------------------------------------------------------------------------------------------------------|------------|-----------------|
| F760  | Ensure that residents are free from significant medication errors.                                                                                     | G          | Standard survey |
| F812  | Procure food from sources approved or considered satisfactory and store, prepare, distribute and serve food in accordance with professional standards. | E          | Standard survey |
| F880  | Provide and implement an infection prevention and control program.                                                                                     | E          | Standard survey |
| F921  | Make sure that the nursing home area is safe, easy to use, clean and comfortable for residents, staff and the public.                                  | E          | Complaint       |
| F610  | Respond appropriately to all alleged violations.                                                                                                       | D          | Complaint       |
| F600  | Protect each resident from all types of abuse such as physical, mental, sexual abuse, physical punishment, and neglect by anybody.                     | D          | Complaint       |
| F583  | Keep residents' personal and medical records private and confidential.                                                                                 | D          | Standard survey |
| F657  | Develop the complete care plan within 7 days of the comprehensive assessment; and prepared, reviewed, and revised by a team of health professionals.   | D          | Standard survey |
| F689  | Ensure that a nursing home area is free from accident hazards and provides adequate supervision to prevent accidents.                                  | D          | Standard survey |
| F698  | Provide safe, appropriate dialysis care/services for a resident who requires such services.                                                            | D          | Standard survey |
| F791  | Provide or obtain dental services for each resident.                                                                                                   | D          | Standard survey |

## § 5 Ownership & Chain Context

|                                       |                                                                                                 |
|---------------------------------------|-------------------------------------------------------------------------------------------------|
| Ownership record                      | Chain: PACS GROUP (280 facilities); Owner on file: CENTENNIAL MASTER TENANT, LLC (organization) |
| Ownership chain                       | PACS GROUP (280 facilities)                                                                     |
| Penalties vs chain average            | \$14,058 vs \$32,207 (0.4× the chain average)                                                   |
| Current deficiencies vs chain average | 11 vs 12.7 (0.9× the chain average)                                                             |

## § 6 CMS Care Compare Star Ratings

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 3 / 5 (state avg 3.1 · US avg 3)   |
| Health inspection     | 2 / 5 (state avg 2.7 · US avg 2.8) |
| Staffing              | 2 / 5 (state avg 3.2 · US avg 2.9) |
| Quality measures (QM) | 5 / 5 (state avg 4.2 · US avg 3.7) |

## § 7 Record Provenance

|                          |                                                                                                                                                   |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|

## § 8 For Your Attorney

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 065273.
3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash 0d7f821e53a7.
4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
