|----------------|--------------------------------|
| Facility       | Yampa Valley Healthcare Center |
| CCN            | 065384                         |
| Location       | 943 W 8TH DR, CRAIG, CO, 81625 |
| Ownership type | For profit - Corporation       |
| Certified beds | 58                             |

## § 2 CMS Federal Record

|                                            |                                  |
|--------------------------------------------|----------------------------------|
| Civil money penalties on file              | \$120,965                        |
| Deficiency citations — current cycle       | 7 ( 600% vs prior 24 months (1)) |
| Deficiency citations — prior 24 months     | 1                                |
| Immediate Jeopardy — current cycle         | 0                                |
| Actual-harm (G+) citations — current cycle | 1                                |
| Special Focus Facility status              | Not listed                       |
| Abuse icon                                 | No                               |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$120,965                                             |
| CO state average                  | \$25,496 (this facility is 4.7× the CO average)       |
| National average                  | \$31,239 (this facility is 3.9× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 7 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                                                                                                           | SCOPE/SEV. | SOURCE          |
|-------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|-----------------|
| F692  | Provide enough food/fluids to maintain a resident's health.                                                                                                                                                                                             | G          | Standard survey |
| F801  | Employ sufficient staff with the appropriate competencies and skills sets to carry out the functions of the food and nutrition service, including a qualified dietician.                                                                                | F          | Standard survey |
| F689  | Ensure that a nursing home area is free from accident hazards and provides adequate supervision to prevent accidents.                                                                                                                                   | E          | Complaint       |
| F561  | Honor the resident's right to and the facility must promote and facilitate resident self-determination through support of resident choice.                                                                                                              | E          | Complaint       |
| F880  | Provide and implement an infection prevention and control program.                                                                                                                                                                                      | E          | Standard survey |
| F684  | Provide appropriate treatment and care according to orders, resident's preferences and goals.                                                                                                                                                           | D          | Complaint       |
| F761  | Ensure drugs and biologicals used in the facility are labeled in accordance with currently accepted professional principles; and all drugs and biologicals must be stored in locked compartments, separately locked, compartments for controlled drugs. | D          | Standard survey |

## § 5 Ownership & Chain Context

|                                       |                                                                                            |
|---------------------------------------|--------------------------------------------------------------------------------------------|
| Ownership record                      | Chain: SENEX FOUNDATION (2 facilities); Owner on file: SENEX FOUNDATION INC (organization) |
| Ownership chain                       | SENEX FOUNDATION (2 facilities)                                                            |
| Penalties vs chain average            | \$120,965 vs \$156,647 (0.8× the chain average)                                            |
| Current deficiencies vs chain average | 7 vs 19.0 (0.4× the chain average)                                                         |

## § 6 CMS Care Compare Star Ratings

---

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 1 / 5 (state avg 3.1 · US avg 3)   |
| Health inspection     | 2 / 5 (state avg 2.7 · US avg 2.8) |
| Staffing              | 4 / 5 (state avg 3.2 · US avg 2.9) |
| Quality measures (QM) | 1 / 5 (state avg 4.2 · US avg 3.7) |

---

## § 7 Record Provenance

---

|                          |                                                                                                                                                   |

## § 8 For Your Attorney

---

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
  2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 065384.
  3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash f1d27b7a54b4.
  4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).
- 

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
