

# GEER NURSING AND REHABILITATION

Report ID: CCN 075202  
Generated: 2026-07-25T21:19:50.297Z

## § 1 Facility Identity

|                |                                       |
|----------------|---------------------------------------|
| Facility       | GEER NURSING AND REHABILITATION       |
| CCN            | 075202                                |
| Location       | 99 SOUTH CANAAN RD, CANAAN, CT, 06018 |
| Ownership type | Non profit - Corporation              |
| Certified beds | 120                                   |

## § 2 CMS Federal Record

|                                            |                                  |
|--------------------------------------------|----------------------------------|
| Civil money penalties on file              | \$24,690                         |
| Deficiency citations — current cycle       | 8 ( 100% vs prior 24 months (4)) |
| Deficiency citations — prior 24 months     | 4                                |
| Immediate Jeopardy — current cycle         | 0                                |
| Actual-harm (G+) citations — current cycle | 0                                |
| Special Focus Facility status              | Not listed                       |
| Abuse icon                                 | No                               |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$24,690                                              |
| CT state average                  | \$18,685 (this facility is 1.3× the CT average)       |
| National average                  | \$31,239 (this facility is 0.8× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 8 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                                                                                                           | SCOPE/SEV. | SOURCE          |
|-------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|-----------------|
| F726  | Ensure that nurses and nurse aides have the appropriate competencies to care for every resident in a way that maximizes each resident's well being.                                                                                                     | E          | Standard survey |
| F761  | Ensure drugs and biologicals used in the facility are labeled in accordance with currently accepted professional principles; and all drugs and biologicals must be stored in locked compartments, separately locked, compartments for controlled drugs. | E          | Standard survey |
| F883  | Develop and implement policies and procedures for flu and pneumonia vaccinations.                                                                                                                                                                       | E          | Standard survey |
| F656  | Develop and implement a complete care plan that meets all the resident's needs, with timetables and actions that can be measured.                                                                                                                       | D          | Standard survey |
| F657  | Develop the complete care plan within 7 days of the comprehensive assessment; and prepared, reviewed, and revised by a team of health professionals.                                                                                                    | D          | Standard survey |
| F658  | Ensure services provided by the nursing facility meet professional standards of quality.                                                                                                                                                                | D          | Standard survey |
| F686  | Provide appropriate pressure ulcer care and prevent new ulcers from developing.                                                                                                                                                                         | D          | Standard survey |
| F689  | Ensure that a nursing home area is free from accident hazards and provides adequate supervision to prevent accidents.                                                                                                                                   | D          | Standard survey |

## § 5 Ownership

|                  |                                              |
|------------------|----------------------------------------------|
| Ownership record | Owner on file: O'CONNELL, KEVIN (individual) |
|------------------|----------------------------------------------|

## § 6 CMS Care Compare Star Ratings

---

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 5 / 5 (state avg 3 · US avg 3)     |
| Health inspection     | 4 / 5 (state avg 2.7 · US avg 2.8) |
| Staffing              | 5 / 5 (state avg 3.3 · US avg 2.9) |
| Quality measures (QM) | 2 / 5 (state avg 3.7 · US avg 3.7) |

## § 8 For Your Attorney

---

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
  2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 075202.
  3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash 3489731a5cdc.
  4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).
- 

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
