|----------------|----------------------------------------|
| Facility       | Trinity Hill Care Center               |
| CCN            | 075268                                 |
| Location       | 151 HILLSIDE AVE, HARTFORD, CT, 06106  |
| Ownership type | For profit - Limited Liability company |
| Certified beds | 134                                    |

## § 2 CMS Federal Record

|                                            |                                              |
|--------------------------------------------|----------------------------------------------|
| Civil money penalties on file              | \$58,994                                     |
| Deficiency citations — current cycle       | 14 ( 180% vs prior 24 months (5))            |
| Deficiency citations — prior 24 months     | 5                                            |
| Immediate Jeopardy — current cycle         | 0                                            |
| Actual-harm (G+) citations — current cycle | 0                                            |
| Special Focus Facility status              | Not listed                                   |
| Abuse icon                                 | <b>Yes — CMS abuse icon currently listed</b> |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$58,994                                              |
| CT state average                  | \$18,685 (this facility is 3.2× the CT average)       |
| National average                  | \$31,239 (this facility is 1.9× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 14 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                                            | SCOPE/SEV. | SOURCE          |
|-------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|-----------------|
| F565  | Honor the resident's right to organize and participate in resident/family groups in the facility.                                                                                        | E          | Standard survey |
| F756  | Ensure a licensed pharmacist perform a monthly drug regimen review, including the medical chart, following irregularity reporting guidelines in developed policies and procedures.       | E          | Standard survey |
| F791  | Provide or obtain dental services for each resident.                                                                                                                                     | E          | Standard survey |
| F880  | Provide and implement an infection prevention and control program.                                                                                                                       | E          | Standard survey |
| F600  | Protect each resident from all types of abuse such as physical, mental, sexual abuse, physical punishment, and neglect by anybody.                                                       | E          | Complaint       |
| F657  | Develop the complete care plan within 7 days of the comprehensive assessment; and prepared, reviewed, and revised by a team of health professionals.                                     | E          | Complaint       |
| F578  | Honor the resident's right to request, refuse, and/or discontinue treatment, to participate in or refuse to participate in experimental research, and to formulate an advance directive. | D          | Standard survey |
| F695  | Provide safe and appropriate respiratory care for a resident when needed.                                                                                                                | D          | Standard survey |
| F697  | Provide safe, appropriate pain management for a resident who requires such services.                                                                                                     | D          | Standard survey |
| F755  | Provide pharmaceutical services to meet the needs of each resident and employ or obtain the services of a licensed pharmacist.                                                           | D          | Standard survey |
| F620  | Not require residents to give up Medicare or Medicaid benefits, or pay privately as a condition of admission; and must tell residents what care they do not provide.                     | D          | Complaint       |
| F658  | Ensure services provided by the nursing facility meet professional standards of quality.                                                                                                 | D          | Complaint       |

|      |                                                                                                                                                           |   |                 |
|------|-----------------------------------------------------------------------------------------------------------------------------------------------------------|---|-----------------|
| F842 | Safeguard resident-identifiable information and/or maintain medical records on each resident that are in accordance with accepted professional standards. | D | Complaint       |
| F812 | Procure food from sources approved or considered satisfactory and store, prepare, distribute and serve food in accordance with professional standards.    | C | Standard survey |

## § 5 Ownership & Chain Context

|                                       |                                                                                                   |
|---------------------------------------|---------------------------------------------------------------------------------------------------|
| Ownership record                      | Chain: ICARE HEALTH NETWORK (12 facilities); Owner on file: GLOBAL WORLD INVESTORS (organization) |
| Ownership chain                       | ICARE HEALTH NETWORK (12 facilities)                                                              |
| Penalties vs chain average            | \$58,994 vs \$33,191 (1.8× the chain average)                                                     |
| Current deficiencies vs chain average | 14 vs 11.8 (1.2× the chain average)                                                               |

## § 6 CMS Care Compare Star Ratings

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 3 / 5 (state avg 3 · US avg 3)     |
| Health inspection     | 2 / 5 (state avg 2.7 · US avg 2.8) |
| Staffing              | 3 / 5 (state avg 3.3 · US avg 2.9) |
| Quality measures (QM) | 5 / 5 (state avg 3.7 · US avg 3.7) |

## § 7 Record Provenance

|                          |                                                                                                                                                   |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|
| CMS data as of           | Jun 2026                                                                                                                                          |

## § 8 For Your Attorney

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 075268.
3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash 1e0d6ddf78e5.
4. Deficiency F-tags cited above are searchable in CMS QCOR (qcor.cms.gov).

---

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
