§ 1 Facility Identity

|                |                                      |
|----------------|--------------------------------------|
| Facility       | FAIRVIEW                             |
| CCN            | 075288                               |
| Location       | 235 LESTERTOWN RD, GROTON, CT, 06340 |
| Ownership type | Non profit - Corporation             |
| Certified beds | 120                                  |

§ 2 CMS Federal Record

|                                            |                                   |
|--------------------------------------------|-----------------------------------|
| Civil money penalties on file              | \$0                               |
| Deficiency citations — current cycle       | 13 ( 550% vs prior 24 months (2)) |
| Deficiency citations — prior 24 months     | 2                                 |
| Immediate Jeopardy — current cycle         | 0                                 |
| Actual-harm (G+) citations — current cycle | 0                                 |
| Special Focus Facility status              | Not listed                        |
| Abuse icon                                 | No                                |

§ 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$0                                                   |
| CT state average                  | \$18,685 (this facility is 0.0× the CT average)       |
| National average                  | \$31,239 (this facility is 0.0× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 13 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                                                                                                                                                  | SCOPE/SEV. | SOURCE          |
|-------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|-----------------|
| F812  | Procure food from sources approved or considered satisfactory and store, prepare, distribute and serve food in accordance with professional standards.                                                                                                                                         | F          | Standard survey |
| F756  | Ensure a licensed pharmacist perform a monthly drug regimen review, including the medical chart, following irregularity reporting guidelines in developed policies and procedures.                                                                                                             | E          | Standard survey |
| F657  | Develop the complete care plan within 7 days of the comprehensive assessment; and prepared, reviewed, and revised by a team of health professionals.                                                                                                                                           | D          | Complaint       |
| F658  | Ensure services provided by the nursing facility meet professional standards of quality.                                                                                                                                                                                                       | D          | Complaint       |
| F686  | Provide appropriate pressure ulcer care and prevent new ulcers from developing.                                                                                                                                                                                                                | D          | Complaint       |
| F657  | Develop the complete care plan within 7 days of the comprehensive assessment; and prepared, reviewed, and revised by a team of health professionals.                                                                                                                                           | D          | Standard survey |
| F677  | Provide care and assistance to perform activities of daily living for any resident who is unable.                                                                                                                                                                                              | D          | Standard survey |
| F684  | Provide appropriate treatment and care according to orders, resident's preferences and goals.                                                                                                                                                                                                  | D          | Standard survey |
| F686  | Provide appropriate pressure ulcer care and prevent new ulcers from developing.                                                                                                                                                                                                                | D          | Standard survey |
| F758  | Implement gradual dose reductions(GDR) and non-pharmacological interventions, unless contraindicated, prior to initiating or instead of continuing psychotropic medication; and PRN orders for psychotropic medications are only used when the medication is necessary and PRN use is limited. | D          | Standard survey |
| F791  | Provide or obtain dental services for each resident.                                                                                                                                                                                                                                           | D          | Standard survey |
| F921  | Make sure that the nursing home area is safe, easy to use, clean and comfortable for residents, staff and the                                                                                                                                                                                  | B          | Standard survey |

public.

|      |                                                                                                                     |   |           |
|------|---------------------------------------------------------------------------------------------------------------------|---|-----------|
| F609 | Timely report suspected abuse, neglect, or theft and report the results of the investigation to proper authorities. | B | Complaint |
|------|---------------------------------------------------------------------------------------------------------------------|---|-----------|

## § 5 Ownership

|                  |                                              |
|------------------|----------------------------------------------|
| Ownership record | Owner on file: BARUCCI, VINCENT (individual) |

## § 8 For Your Attorney

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 075288.
3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash a43cdc09cc52.
4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
