

# COMMUNITY CONVALESCENT CENTER

Report ID: CCN 105029  
Generated: 2026-07-23T18:59:08.813Z

## § 1 Facility Identity

|                |                                       |
|----------------|---------------------------------------|
| Facility       | COMMUNITY CONVALESCENT CENTER         |
| CCN            | 105029                                |
| Location       | 2202 W OAK AVE, PLANT CITY, FL, 33563 |
| Ownership type | Non profit - Corporation              |
| Certified beds | 120                                   |

## § 2 CMS Federal Record

|                                            |                                   |
|--------------------------------------------|-----------------------------------|
| Civil money penalties on file              | \$115,719                         |
| Deficiency citations — current cycle       | 20 ( 567% vs prior 24 months (3)) |
| Deficiency citations — prior 24 months     | 3                                 |
| Immediate Jeopardy — current cycle         | 0                                 |
| Actual-harm (G+) citations — current cycle | 0                                 |
| Special Focus Facility status              | Not listed                        |
| Abuse icon                                 | No                                |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$115,719                                             |
| FL state average                  | \$26,765 (this facility is 4.3× the FL average)       |
| National average                  | \$31,239 (this facility is 3.7× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 20 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                                                                  | SCOPE/SEV. | SOURCE          |
|-------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|-----------------|
| F802  | Provide sufficient support personnel to safely and effectively carry out the functions of the food and nutrition service.                                                                                      | F          | Standard survey |
| F812  | Procure food from sources approved or considered satisfactory and store, prepare, distribute and serve food in accordance with professional standards.                                                         | F          | Standard survey |
| F838  | Conduct and document a facility-wide assessment to determine what resources are necessary to care for residents competently during both day-to-day operations (including nights and weekends) and emergencies. | F          | Standard survey |
| F880  | Provide and implement an infection prevention and control program.                                                                                                                                             | F          | Standard survey |
| F881  | Implement a program that monitors antibiotic use.                                                                                                                                                              | F          | Standard survey |
| F584  | Honor the resident's right to a safe, clean, comfortable and homelike environment, including but not limited to receiving treatment and supports for daily living safely.                                      | E          | Standard survey |
| F679  | Provide activities to meet all resident's needs.                                                                                                                                                               | E          | Standard survey |
| F883  | Develop and implement policies and procedures for flu and pneumonia vaccinations.                                                                                                                              | E          | Standard survey |
| F887  | Educate residents and staff on COVID-19 vaccination, offer the COVID-19 vaccine to eligible residents and staff after education, and properly document each resident and staff member's vaccination status.    | E          | Standard survey |
| F840  | Employ or obtain outside professional resources to provide services in the nursing home when the facility does not employ a qualified professional to furnish a required service.                              | D          | Complaint       |
| F585  | Honor the resident's right to voice grievances without discrimination or reprisal and the facility must                                                                                                        | D          | Standard survey |

establish a grievance policy and make prompt efforts to resolve grievances.

|      |                                                                                                                       |   |                 |
|------|-----------------------------------------------------------------------------------------------------------------------|---|-----------------|
| F645 | PASARR screening for Mental disorders or Intellectual Disabilities                                                    | D | Standard survey |
| F676 | Ensure residents do not lose the ability to perform activities of daily living unless there is a medical reason.      | D | Standard survey |
| F677 | Provide care and assistance to perform activities of daily living for any resident who is unable.                     | D | Standard survey |
| F687 | Provide appropriate foot care.                                                                                        | D | Standard survey |
| F689 | Ensure that a nursing home area is free from accident hazards and provides adequate supervision to prevent accidents. | D | Standard survey |
| F692 | Provide enough food/fluids to maintain a resident's health.                                                           | D | Standard survey |
| F694 | Provide for the safe, appropriate administration of IV fluids for a resident when needed.                             | D | Standard survey |
| F732 | Post nurse staffing information every day.                                                                            | D | Standard survey |
| F759 | Ensure medication error rates are not 5 percent or greater.                                                           | D | Standard survey |

## § 5 Ownership & Chain Context

|                                       |                                                                                                     |
|---------------------------------------|-----------------------------------------------------------------------------------------------------|
| Ownership record                      | Chain: SENIOR HEALTH SOUTH (8 facilities); Owner on file: SENIOR HEALTH SOUTH EX LLC (organization) |
| Ownership chain                       | SENIOR HEALTH SOUTH (8 facilities)                                                                  |
| Penalties vs chain average            | \$115,719 vs \$45,346 (2.6× the chain average)                                                      |
| Current deficiencies vs chain average | 20 vs 12.0 (1.7× the chain average)                                                                 |

## § 6 CMS Care Compare Star Ratings

---

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 1 / 5 (state avg 3.3 · US avg 3)   |
| Health inspection     | 1 / 5 (state avg 2.8 · US avg 2.8) |
| Staffing              | 2 / 5 (state avg 3.3 · US avg 2.9) |
| Quality measures (QM) | 4 / 5 (state avg 4.2 · US avg 3.7) |

## § 8 For Your Attorney

---

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
  2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 105029.
  3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash 723f0c940e1d.
  4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).
- 

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
