|----------------|-----------------------------------------|
| Facility       | BOCA RATON REHABILITATION CENTER        |
| CCN            | 105219                                  |
| Location       | 755 MEADOWS ROAD, BOCA RATON, FL, 33486 |
| Ownership type | Non profit - Corporation                |
| Certified beds | 120                                     |

## § 2 CMS Federal Record

|                                            |                                       |
|--------------------------------------------|---------------------------------------|
| Civil money penalties on file              | \$0                                   |
| Deficiency citations — current cycle       | 11 (up from 0 in the prior 24 months) |
| Deficiency citations — prior 24 months     | 0                                     |
| Immediate Jeopardy — current cycle         | 0                                     |
| Actual-harm (G+) citations — current cycle | 0                                     |
| Special Focus Facility status              | Not listed                            |
| Abuse icon                                 | No                                    |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$0                                                   |
| FL state average                  | \$26,765 (this facility is 0.0× the FL average)       |
| National average                  | \$31,239 (this facility is 0.0× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 11 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                                                                                                           | SCOPE/SEV. | SOURCE          |
|-------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|-----------------|
| F940  | Develop, implement, and/or maintain an effective training program for all new and existing staff members.                                                                                                                                               | E          | Complaint       |
| F725  | Provide enough nursing staff every day to meet the needs of every resident; and have a licensed nurse in charge on each shift.                                                                                                                          | E          | Standard survey |
| F880  | Provide and implement an infection prevention and control program.                                                                                                                                                                                      | E          | Standard survey |
| F684  | Provide appropriate treatment and care according to orders, resident's preferences and goals.                                                                                                                                                           | D          | Complaint       |
| F584  | Honor the resident's right to a safe, clean, comfortable and homelike environment, including but not limited to receiving treatment and supports for daily living safely.                                                                               | D          | Complaint       |
| F761  | Ensure drugs and biologicals used in the facility are labeled in accordance with currently accepted professional principles; and all drugs and biologicals must be stored in locked compartments, separately locked, compartments for controlled drugs. | D          | Complaint       |
| F693  | Ensure that feeding tubes are not used unless there is a medical reason and the resident agrees; and provide appropriate care for a resident with a feeding tube.                                                                                       | D          | Standard survey |
| F805  | Ensure each resident receives and the facility provides food prepared in a form designed to meet individual needs.                                                                                                                                      | D          | Standard survey |
| F806  | Ensure each resident receives and the facility provides food that accommodates resident allergies, intolerances, and preferences, as well as appealing options.                                                                                         | D          | Standard survey |
| F812  | Procure food from sources approved or considered satisfactory and store, prepare, distribute and serve food in accordance with professional standards.                                                                                                  | D          | Standard survey |

|      |                                                                                                 |   |                 |
|------|-------------------------------------------------------------------------------------------------|---|-----------------|
| F919 | Make sure that a working call system is available in each resident's bathroom and bathing area. | D | Standard survey |
|------|-------------------------------------------------------------------------------------------------|---|-----------------|

## § 5 Ownership & Chain Context

|                                       |                                                                                                               |
|---------------------------------------|---------------------------------------------------------------------------------------------------------------|
| Ownership record                      | Chain: FLORIDA INSTITUTE FOR LONG-TERM CARE (18 facilities); Owner on file: FI-BOCA RATON, LLC (organization) |
| Ownership chain                       | FLORIDA INSTITUTE FOR LONG-TERM CARE (18 facilities)                                                          |
| Penalties vs chain average            | \$0 vs \$64,341 (0.0× the chain average)                                                                      |
| Current deficiencies vs chain average | 11 vs 10.9 (1.0× the chain average)                                                                           |

## § 6 CMS Care Compare Star Ratings

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 2 / 5 (state avg 3.3 · US avg 3)   |
| Health inspection     | 2 / 5 (state avg 2.8 · US avg 2.8) |
| Staffing              | 3 / 5 (state avg 3.3 · US avg 2.9) |
| Quality measures (QM) | 4 / 5 (state avg 4.2 · US avg 3.7) |

## § 7 Record Provenance

|                          |                                                                                                                                                   |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|

## § 8 For Your Attorney

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 105219.
3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash e751c9c9c82d.
4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
