

# Aspen Transitional Rehabilitation

Report ID: CCN 135130  
Generated: 2026-07-26T00:20:42.540Z

## § 1 Facility Identity

|                |                                                   |
|----------------|---------------------------------------------------|
| Facility       | Aspen Transitional Rehabilitation                 |
| CCN            | 135130                                            |
| Location       | 2867 East Copper Point Drive, Meridian, ID, 83642 |
| Ownership type | For profit - Corporation                          |
| Certified beds | 30                                                |

## § 2 CMS Federal Record

|                                            |                                       |
|--------------------------------------------|---------------------------------------|
| Civil money penalties on file              | \$0                                   |
| Deficiency citations — current cycle       | 6 ( 50% vs prior 24 months (4))       |
| Deficiency citations — prior 24 months     | 4                                     |
| Immediate Jeopardy — current cycle         | 0                                     |
| Actual-harm (G+) citations — current cycle | 1                                     |
| Special Focus Facility status              | Not listed                            |
| Abuse icon                                 | Yes — CMS abuse icon currently listed |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$0                                                   |
| ID state average                  | \$13,767 (this facility is 0.0× the ID average)       |
| National average                  | \$31,239 (this facility is 0.0× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

#### § 4 Current-Cycle Deficiencies

The current survey cycle records the following 6 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                                                                                                           | SCOPE/SEV. | SOURCE    |
|-------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|-----------|
| F600  | Protect each resident from all types of abuse such as physical, mental, sexual abuse, physical punishment, and neglect by anybody.                                                                                                                      | G          | Complaint |
| F727  | Have a registered nurse on duty 8 hours a day; and select a registered nurse to be the director of nurses on a full time basis.                                                                                                                         | F          | Complaint |
| F656  | Develop and implement a complete care plan that meets all the resident's needs, with timetables and actions that can be measured.                                                                                                                       | D          | Complaint |
| F658  | Ensure services provided by the nursing facility meet professional standards of quality.                                                                                                                                                                | D          | Complaint |
| F761  | Ensure drugs and biologicals used in the facility are labeled in accordance with currently accepted professional principles; and all drugs and biologicals must be stored in locked compartments, separately locked, compartments for controlled drugs. | D          | Complaint |
| F880  | Provide and implement an infection prevention and control program.                                                                                                                                                                                      | D          | Complaint |

#### § 5 Ownership & Chain Context

|                                       |                                                                                                  |
|---------------------------------------|--------------------------------------------------------------------------------------------------|
| Ownership record                      | Chain: ADVANCED HEALTH CARE (26 facilities); Owner on file: NEW AHC HOLDINGS, LLC (organization) |
| Ownership chain                       | ADVANCED HEALTH CARE (26 facilities)                                                             |
| Penalties vs chain average            | \$0 vs \$10,148 (0.0× the chain average)                                                         |
| Current deficiencies vs chain average | 6 vs 4.6 (1.3× the chain average)                                                                |

## § 6 CMS Care Compare Star Ratings

---

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 3 / 5 (state avg 3.2 · US avg 3)   |
| Health inspection     | 2 / 5 (state avg 2.7 · US avg 2.8) |
| Staffing              | 3 / 5 (state avg 3 · US avg 2.9)   |
| Quality measures (QM) | 5 / 5 (state avg 4.2 · US avg 3.7) |

## § 8 For Your Attorney

---

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
  2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 135130.
  3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash 3fd0631fdb12.
  4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).
- 

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
