|                |                                          |
|----------------|------------------------------------------|
| Facility       | WENTWORTH REHAB & HCC                    |
| CCN            | 145429                                   |
| Location       | 201 WEST 69TH STREET, CHICAGO, IL, 60621 |
| Ownership type | For profit - Corporation                 |
| Certified beds | 300                                      |

## § 2 CMS Federal Record

|                                            |                                       |
|--------------------------------------------|---------------------------------------|
| Civil money penalties on file              | \$289,387                             |
| Deficiency citations — current cycle       | 20 ( 67% vs prior 24 months (12))     |
| Deficiency citations — prior 24 months     | 12                                    |
| Immediate Jeopardy — current cycle         | 0                                     |
| Actual-harm (G+) citations — current cycle | 1                                     |
| Special Focus Facility status              | Not listed                            |
| Abuse icon                                 | Yes — CMS abuse icon currently listed |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$289,387                                             |
| IL state average                  | \$105,530 (this facility is 2.7× the IL average)      |
| National average                  | \$31,239 (this facility is 9.3× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 20 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                          | SCOPE/SEV. | SOURCE          |
|-------|--------------------------------------------------------------------------------------------------------------------------------------------------------|------------|-----------------|
| F689  | Ensure that a nursing home area is free from accident hazards and provides adequate supervision to prevent accidents.                                  | G          | Standard survey |
| F607  | Develop and implement policies and procedures to prevent abuse, neglect, and theft.                                                                    | F          | Complaint       |
| F609  | Timely report suspected abuse, neglect, or theft and report the results of the investigation to proper authorities.                                    | F          | Complaint       |
| F610  | Respond appropriately to all alleged violations.                                                                                                       | F          | Complaint       |
| F812  | Procure food from sources approved or considered satisfactory and store, prepare, distribute and serve food in accordance with professional standards. | F          | Standard survey |
| F725  | Provide enough nursing staff every day to meet the needs of every resident; and have a licensed nurse in charge on each shift.                         | E          | Standard survey |
| F755  | Provide pharmaceutical services to meet the needs of each resident and employ or obtain the services of a licensed pharmacist.                         | E          | Standard survey |
| F880  | Provide and implement an infection prevention and control program.                                                                                     | E          | Standard survey |
| F686  | Provide appropriate pressure ulcer care and prevent new ulcers from developing.                                                                        | D          | Complaint       |
| F600  | Protect each resident from all types of abuse such as physical, mental, sexual abuse, physical punishment, and neglect by anybody.                     | D          | Complaint       |
| F571  | Limit the charges against residents' personal funds for items or services for which payment is made under Medicare or Medicaid.                        | D          | Complaint       |
| F609  | Timely report suspected abuse, neglect, or theft and report the results of the investigation to proper authorities.                                    | D          | Complaint       |
| F689  | Ensure that a nursing home area is free from accident hazards and provides adequate supervision to                                                     | D          | Complaint       |

prevent accidents.

|      |                                                                                                                                                                                                                                                                              |   |                 |
|------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---|-----------------|
| F558 | Reasonably accommodate the needs and preferences of each resident.                                                                                                                                                                                                           | D | Standard survey |
| F644 | Coordinate assessments with the pre-admission screening and resident review program; and referring for services as needed.                                                                                                                                                   | D | Standard survey |
| F677 | Provide care and assistance to perform activities of daily living for any resident who is unable.                                                                                                                                                                            | D | Standard survey |
| F690 | Provide appropriate care for residents who are continent or incontinent of bowel/bladder, appropriate catheter care, and appropriate care to prevent urinary tract infections.                                                                                               | D | Standard survey |
| F760 | Ensure that residents are free from significant medication errors.                                                                                                                                                                                                           | D | Standard survey |
| F761 | Ensure drugs and biologicals used in the facility are labeled in accordance with currently accepted professional principles; and all drugs and biologicals must be stored in locked compartments, separately locked, compartments for controlled drugs.                      | D | Standard survey |
| F809 | Ensure meals and snacks are served at times in accordance with resident's needs, preferences, and requests. Suitable and nourishing alternative meals and snacks must be provided for residents who want to eat at non-traditional times or outside of scheduled meal times. | D | Standard survey |

## § 5 Ownership & Chain Context

|                                       |                                                                                               |
|---------------------------------------|-----------------------------------------------------------------------------------------------|
| Ownership record                      | Chain: THE ALDEN NETWORK (27 facilities); Owner on file: THE ALDEN GROUP, LTD. (organization) |
| Ownership chain                       | THE ALDEN NETWORK (27 facilities)                                                             |
| Penalties vs chain average            | \$289,387 vs \$86,333 (3.4× the chain average)                                                |
| Current deficiencies vs chain average | 20 vs 11.2 (1.8× the chain average)                                                           |

## § 6 CMS Care Compare Star Ratings

---

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 1 / 5 (state avg 2.6 · US avg 3)   |
| Health inspection     | 2 / 5 (state avg 2.8 · US avg 2.8) |
| Staffing              | 1 / 5 (state avg 2.1 · US avg 2.9) |
| Quality measures (QM) | 4 / 5 (state avg 3 · US avg 3.7)   |

## § 8 For Your Attorney

---

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
  2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 145429.
  3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash c0b76825153d.
  4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).
- 

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
