

# ARCADIA CARE MORRIS

Report ID: CCN 145623  
Generated: 2026-07-23T15:00:52.999Z

## § 1 Facility Identity

|                |                                        |
|----------------|----------------------------------------|
| Facility       | ARCADIA CARE MORRIS                    |
| CCN            | 145623                                 |
| Location       | 1095 TWILIGHT DRIVE, MORRIS, IL, 60450 |
| Ownership type | For profit - Limited Liability company |
| Certified beds | 123                                    |

## § 2 CMS Federal Record

|                                            |                                    |
|--------------------------------------------|------------------------------------|
| Civil money penalties on file              | \$96,340                           |
| Deficiency citations — current cycle       | 14 ( 1300% vs prior 24 months (1)) |
| Deficiency citations — prior 24 months     | 1                                  |
| Immediate Jeopardy — current cycle         | 0                                  |
| Actual-harm (G+) citations — current cycle | 2                                  |
| Special Focus Facility status              | Not listed                         |
| Abuse icon                                 | No                                 |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$96,340                                              |
| IL state average                  | \$105,530 (this facility is 0.9× the IL average)      |
| National average                  | \$31,239 (this facility is 3.1× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 14 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                                  | SCOPE/SEV. | SOURCE          |
|-------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|-----------------|
| F580  | Immediately tell the resident, the resident's doctor, and a family member of situations (injury/decline/room, etc.) that affect the resident.                                  | G          | Complaint       |
| F684  | Provide appropriate treatment and care according to orders, resident's preferences and goals.                                                                                  | G          | Complaint       |
| F880  | Provide and implement an infection prevention and control program.                                                                                                             | F          | Standard survey |
| F677  | Provide care and assistance to perform activities of daily living for any resident who is unable.                                                                              | E          | Standard survey |
| F805  | Ensure each resident receives and the facility provides food prepared in a form designed to meet individual needs.                                                             | E          | Standard survey |
| F689  | Ensure that a nursing home area is free from accident hazards and provides adequate supervision to prevent accidents.                                                          | D          | Complaint       |
| F567  | Honor the resident's right to manage his or her financial affairs.                                                                                                             | D          | Complaint       |
| F684  | Provide appropriate treatment and care according to orders, resident's preferences and goals.                                                                                  | D          | Complaint       |
| F558  | Reasonably accommodate the needs and preferences of each resident.                                                                                                             | D          | Standard survey |
| F688  | Provide appropriate care for a resident to maintain and/or improve range of motion (ROM), limited ROM and/or mobility, unless a decline is for a medical reason.               | D          | Standard survey |
| F690  | Provide appropriate care for residents who are continent or incontinent of bowel/bladder, appropriate catheter care, and appropriate care to prevent urinary tract infections. | D          | Standard survey |
| F692  | Provide enough food/fluids to maintain a resident's health.                                                                                                                    | D          | Standard survey |
| F694  | Provide for the safe, appropriate administration of IV fluids for a resident when needed.                                                                                      | D          | Standard survey |

|      |                                                                                                                                                                                                                                                                                                |   |                 |
|------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---|-----------------|
| F758 | Implement gradual dose reductions(GDR) and non-pharmacological interventions, unless contraindicated, prior to initiating or instead of continuing psychotropic medication; and PRN orders for psychotropic medications are only used when the medication is necessary and PRN use is limited. | D | Standard survey |
|------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---|-----------------|

## § 5 Ownership & Chain Context

|                                       |                                                                                             |
|---------------------------------------|---------------------------------------------------------------------------------------------|
| Ownership record                      | Chain: ARCADIA CARE (22 facilities); Owner on file: ELK MASTER HOLDINGS, LLC (organization) |
| Ownership chain                       | ARCADIA CARE (22 facilities)                                                                |
| Penalties vs chain average            | \$96,340 vs \$163,391 (0.6× the chain average)                                              |
| Current deficiencies vs chain average | 14 vs 15.3 (0.9× the chain average)                                                         |

## § 6 CMS Care Compare Star Ratings

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 2 / 5 (state avg 2.6 · US avg 3)   |
| Health inspection     | 2 / 5 (state avg 2.8 · US avg 2.8) |
| Staffing              | 2 / 5 (state avg 2.1 · US avg 2.9) |
| Quality measures (QM) | 2 / 5 (state avg 3 · US avg 3.7)   |

## § 7 Record Provenance

|                          |                                                                                                                                                   |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|
| CMS data as of           | Jun 2026                                                                                                                                          |

## § 8 For Your Attorney

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 145623.
3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash c18cea6ed31b.
4. Deficiency F-tags cited above are searchable in CMS QCOR (qcor.cms.gov).

---

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
