

# OAK PARK OASIS

Report ID: CCN 145714  
Generated: 2026-07-23T16:20:07.656Z

## § 1 Facility Identity

|                |                                       |
|----------------|---------------------------------------|
| Facility       | OAK PARK OASIS                        |
| CCN            | 145714                                |
| Location       | 625 NORTH HARLEM, OAK PARK, IL, 60302 |
| Ownership type | For profit - Partnership              |
| Certified beds | 204                                   |

## § 2 CMS Federal Record

|                                            |                                       |
|--------------------------------------------|---------------------------------------|
| Civil money penalties on file              | \$244,182                             |
| Deficiency citations — current cycle       | 19 ( 46% vs prior 24 months (13))     |
| Deficiency citations — prior 24 months     | 13                                    |
| Immediate Jeopardy — current cycle         | 0                                     |
| Actual-harm (G+) citations — current cycle | 4                                     |
| Special Focus Facility status              | Not listed                            |
| Abuse icon                                 | Yes — CMS abuse icon currently listed |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$244,182                                             |
| IL state average                  | \$105,530 (this facility is 2.3× the IL average)      |
| National average                  | \$31,239 (this facility is 7.8× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 19 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                                  | SCOPE/SEV. | SOURCE          |
|-------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|-----------------|
| F684  | Provide appropriate treatment and care according to orders, resident's preferences and goals.                                                                                  | G          | Complaint       |
| F600  | Protect each resident from all types of abuse such as physical, mental, sexual abuse, physical punishment, and neglect by anybody.                                             | G          | Complaint       |
| F689  | Ensure that a nursing home area is free from accident hazards and provides adequate supervision to prevent accidents.                                                          | G          | Complaint       |
| F697  | Provide safe, appropriate pain management for a resident who requires such services.                                                                                           | G          | Complaint       |
| F812  | Procure food from sources approved or considered satisfactory and store, prepare, distribute and serve food in accordance with professional standards.                         | F          | Complaint       |
| F880  | Provide and implement an infection prevention and control program.                                                                                                             | F          | Standard survey |
| F755  | Provide pharmaceutical services to meet the needs of each resident and employ or obtain the services of a licensed pharmacist.                                                 | E          | Complaint       |
| F689  | Ensure that a nursing home area is free from accident hazards and provides adequate supervision to prevent accidents.                                                          | E          | Complaint       |
| F725  | Provide enough nursing staff every day to meet the needs of every resident; and have a licensed nurse in charge on each shift.                                                 | E          | Complaint       |
| F628  | Provide the required documentation or notification related to the resident's needs, appeal rights, or bed-hold policies.                                                       | D          | Complaint       |
| F690  | Provide appropriate care for residents who are continent or incontinent of bowel/bladder, appropriate catheter care, and appropriate care to prevent urinary tract infections. | D          | Complaint       |
| F777  | Provide or obtain x-rays/tests when ordered and promptly tell the ordering practitioner of the results.                                                                        | D          | Complaint       |

|      |                                                                                                                                                                  |   |                 |
|------|------------------------------------------------------------------------------------------------------------------------------------------------------------------|---|-----------------|
| F550 | Honor the resident's right to a dignified existence, self-determination, communication, and to exercise his or her rights.                                       | D | Standard survey |
| F657 | Develop the complete care plan within 7 days of the comprehensive assessment; and prepared, reviewed, and revised by a team of health professionals.             | D | Standard survey |
| F677 | Provide care and assistance to perform activities of daily living for any resident who is unable.                                                                | D | Standard survey |
| F688 | Provide appropriate care for a resident to maintain and/or improve range of motion (ROM), limited ROM and/or mobility, unless a decline is for a medical reason. | D | Standard survey |
| F695 | Provide safe and appropriate respiratory care for a resident when needed.                                                                                        | D | Standard survey |
| F726 | Ensure that nurses and nurse aides have the appropriate competencies to care for every resident in a way that maximizes each resident's well being.              | D | Standard survey |
| F881 | Implement a program that monitors antibiotic use.                                                                                                                | D | Standard survey |

## § 5 Ownership & Chain Context

|                                       |                                                                                                 |
|---------------------------------------|-------------------------------------------------------------------------------------------------|
| Ownership record                      | Chain: ICARE CONSULTING SERVICES (7 facilities); Owner on file: LEVOVITZ, YERUCHOM (individual) |
| Ownership chain                       | ICARE CONSULTING SERVICES (7 facilities)                                                        |
| Penalties vs chain average            | \$244,182 vs \$381,637 (0.6× the chain average)                                                 |
| Current deficiencies vs chain average | 19 vs 20.7 (0.9× the chain average)                                                             |

## § 6 CMS Care Compare Star Ratings

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 1 / 5 (state avg 2.6 · US avg 3)   |
| Health inspection     | 2 / 5 (state avg 2.8 · US avg 2.8) |
| Staffing              | 1 / 5 (state avg 2.1 · US avg 2.9) |
| Quality measures (QM) | 3 / 5 (state avg 3 · US avg 3.7)   |

## § 7 Record Provenance

---

|                          |                                                                                                                                                   |

## § 8 For Your Attorney

---

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
  2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 145714.
  3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash 322231ce47dd.
  4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).
- 

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
