

# APERION CARE WEST CHICAGO

Report ID: CCN 145830  
Generated: 2026-07-23T19:20:17.373Z

## § 1 Facility Identity

|                |                                                |
|----------------|------------------------------------------------|
| Facility       | APERION CARE WEST CHICAGO                      |
| CCN            | 145830                                         |
| Location       | 201 WEST NORTH AVENUE, WEST CHICAGO, IL, 60185 |
| Ownership type | For profit - Corporation                       |
| Certified beds | 213                                            |

## § 2 CMS Federal Record

|                                            |                                       |
|--------------------------------------------|---------------------------------------|
| Civil money penalties on file              | \$289,723                             |
| Deficiency citations — current cycle       | 18 ( 500% vs prior 24 months (3))     |
| Deficiency citations — prior 24 months     | 3                                     |
| Immediate Jeopardy — current cycle         | 0                                     |
| Actual-harm (G+) citations — current cycle | 1                                     |
| Special Focus Facility status              | Not listed                            |
| Abuse icon                                 | Yes — CMS abuse icon currently listed |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$289,723                                             |
| IL state average                  | \$105,530 (this facility is 2.7× the IL average)      |
| National average                  | \$31,239 (this facility is 9.3× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 18 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                                      | SCOPE/SEV. | SOURCE          |
|-------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|-----------------|
| F600  | Protect each resident from all types of abuse such as physical, mental, sexual abuse, physical punishment, and neglect by anybody.                                                 | G          | Complaint       |
| F804  | Ensure food and drink is palatable, attractive, and at a safe and appetizing temperature.                                                                                          | F          | Complaint       |
| F921  | Make sure that the nursing home area is safe, easy to use, clean and comfortable for residents, staff and the public.                                                              | F          | Complaint       |
| F919  | Make sure that a working call system is available in each resident's bathroom and bathing area.                                                                                    | E          | Complaint       |
| F756  | Ensure a licensed pharmacist perform a monthly drug regimen review, including the medical chart, following irregularity reporting guidelines in developed policies and procedures. | E          | Standard survey |
| F607  | Develop and implement policies and procedures to prevent abuse, neglect, and theft.                                                                                                | D          | Complaint       |
| F610  | Respond appropriately to all alleged violations.                                                                                                                                   | D          | Complaint       |
| F697  | Provide safe, appropriate pain management for a resident who requires such services.                                                                                               | D          | Complaint       |
| F609  | Timely report suspected abuse, neglect, or theft and report the results of the investigation to proper authorities.                                                                | D          | Complaint       |
| F584  | Honor the resident's right to a safe, clean, comfortable and homelike environment, including but not limited to receiving treatment and supports for daily living safely.          | D          | Complaint       |
| F563  | Honor the resident's right to receive visitors of his or her choosing, at the time of his or her choosing.                                                                         | D          | Complaint       |
| F550  | Honor the resident's right to a dignified existence, self-determination, communication, and to exercise his or her rights.                                                         | D          | Standard survey |
| F561  | Honor the resident's right to and the facility must promote and facilitate resident self-determination                                                                             | D          | Standard survey |

through support of resident choice.

|      |                                                                                                                                                                           |   |                 |
|------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---|-----------------|
| F694 | Provide for the safe, appropriate administration of IV fluids for a resident when needed.                                                                                 | D | Standard survey |
| F698 | Provide safe, appropriate dialysis care/services for a resident who requires such services.                                                                               | D | Standard survey |
| F755 | Provide pharmaceutical services to meet the needs of each resident and employ or obtain the services of a licensed pharmacist.                                            | D | Standard survey |
| F803 | Ensure menus must meet the nutritional needs of residents, be prepared in advance, be followed, be updated, be reviewed by dietician, and meet the needs of the resident. | D | Standard survey |
| F806 | Ensure each resident receives and the facility provides food that accommodates resident allergies, intolerances, and preferences, as well as appealing options.           | D | Standard survey |

#### § 5 Ownership & Chain Context

|                                       |                                                                                                      |
|---------------------------------------|------------------------------------------------------------------------------------------------------|
| Ownership record                      | Chain: APERION CARE (33 facilities); Owner on file: SHIRA MEYSTEEL IRRV TR UAD 1-1-21 (organization) |
| Ownership chain                       | APERION CARE (33 facilities)                                                                         |
| Penalties vs chain average            | \$289,723 vs \$74,236 (3.9× the chain average)                                                       |
| Current deficiencies vs chain average | 18 vs 14.2 (1.3× the chain average)                                                                  |

#### § 6 CMS Care Compare Star Ratings

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 1 / 5 (state avg 2.6 · US avg 3)   |
| Health inspection     | 1 / 5 (state avg 2.8 · US avg 2.8) |
| Staffing              | 2 / 5 (state avg 2.1 · US avg 2.9) |
| Quality measures (QM) | 3 / 5 (state avg 3 · US avg 3.7)   |

## § 8 For Your Attorney

---

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
  2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 145830.
  3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash 2f1baee2634d.
  4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).
- 

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
