

# MARSHALL REHAB & NURSING

Report ID: CCN 146046  
Generated: 2026-07-26T05:24:13.132Z

## § 1 Facility Identity

|                |                                              |
|----------------|----------------------------------------------|
| Facility       | MARSHALL REHAB & NURSING                     |
| CCN            | 146046                                       |
| Location       | 410 NORTH SECOND STREET, MARSHALL, IL, 62441 |
| Ownership type | For profit - Partnership                     |
| Certified beds | 75                                           |

## § 2 CMS Federal Record

|                                            |                                       |
|--------------------------------------------|---------------------------------------|
| Civil money penalties on file              | \$0                                   |
| Deficiency citations — current cycle       | 18 ( 157% vs prior 24 months (7))     |
| Deficiency citations — prior 24 months     | 7                                     |
| Immediate Jeopardy — current cycle         | 0                                     |
| Actual-harm (G+) citations — current cycle | 0                                     |
| Special Focus Facility status              | Not listed                            |
| Abuse icon                                 | Yes — CMS abuse icon currently listed |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$0                                                   |
| IL state average                  | \$105,530 (this facility is 0.0× the IL average)      |
| National average                  | \$31,239 (this facility is 0.0× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 18 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                                                                                                                                | SCOPE/SEV. | SOURCE          |
|-------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|-----------------|
| F804  | Ensure food and drink is palatable, attractive, and at a safe and appetizing temperature.                                                                                                                                                                                    | F          | Complaint       |
| F812  | Procure food from sources approved or considered satisfactory and store, prepare, distribute and serve food in accordance with professional standards.                                                                                                                       | F          | Complaint       |
| F801  | Employ sufficient staff with the appropriate competencies and skills sets to carry out the functions of the food and nutrition service, including a qualified dietician.                                                                                                     | F          | Standard survey |
| F812  | Procure food from sources approved or considered satisfactory and store, prepare, distribute and serve food in accordance with professional standards.                                                                                                                       | F          | Standard survey |
| F804  | Ensure food and drink is palatable, attractive, and at a safe and appetizing temperature.                                                                                                                                                                                    | E          | Complaint       |
| F550  | Honor the resident's right to a dignified existence, self-determination, communication, and to exercise his or her rights.                                                                                                                                                   | E          | Standard survey |
| F689  | Ensure that a nursing home area is free from accident hazards and provides adequate supervision to prevent accidents.                                                                                                                                                        | E          | Standard survey |
| F804  | Ensure food and drink is palatable, attractive, and at a safe and appetizing temperature.                                                                                                                                                                                    | E          | Standard survey |
| F809  | Ensure meals and snacks are served at times in accordance with resident's needs, preferences, and requests. Suitable and nourishing alternative meals and snacks must be provided for residents who want to eat at non-traditional times or outside of scheduled meal times. | E          | Standard survey |
| F684  | Provide appropriate treatment and care according to orders, resident's preferences and goals.                                                                                                                                                                                | D          | Complaint       |
| F690  | Provide appropriate care for residents who are continent or incontinent of bowel/bladder, appropriate catheter care, and appropriate care to prevent urinary tract infections.                                                                                               | D          | Complaint       |

|      |                                                                                                                                                                   |   |                 |
|------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------|---|-----------------|
| F600 | Protect each resident from all types of abuse such as physical, mental, sexual abuse, physical punishment, and neglect by anybody.                                | D | Complaint       |
| F659 | Provide care by qualified persons according to each resident's written plan of care.                                                                              | D | Standard survey |
| F677 | Provide care and assistance to perform activities of daily living for any resident who is unable.                                                                 | D | Standard survey |
| F686 | Provide appropriate pressure ulcer care and prevent new ulcers from developing.                                                                                   | D | Standard survey |
| F693 | Ensure that feeding tubes are not used unless there is a medical reason and the resident agrees; and provide appropriate care for a resident with a feeding tube. | D | Standard survey |
| F695 | Provide safe and appropriate respiratory care for a resident when needed.                                                                                         | D | Standard survey |
| F576 | Ensure residents have reasonable access to and privacy in their use of communication methods.                                                                     | C | Standard survey |

## § 5 Ownership & Chain Context

|                                       |                                                                                                 |
|---------------------------------------|-------------------------------------------------------------------------------------------------|
| Ownership record                      | Chain: STERN CONSULTANTS (23 facilities); Owner on file: ETN FAMILY HOLDINGS LLC (organization) |
| Ownership chain                       | STERN CONSULTANTS (23 facilities)                                                               |
| Penalties vs chain average            | \$0 vs \$50,756 (0.0× the chain average)                                                        |
| Current deficiencies vs chain average | 18 vs 12.3 (1.5× the chain average)                                                             |

## § 6 CMS Care Compare Star Ratings

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 2 / 5 (state avg 2.6 · US avg 3)   |
| Health inspection     | 2 / 5 (state avg 2.8 · US avg 2.8) |
| Staffing              | 2 / 5 (state avg 2.1 · US avg 2.9) |
| Quality measures (QM) | 3 / 5 (state avg 3 · US avg 3.7)   |

§ 8 **For Your Attorney**

---

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
  2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 146046.
  3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash bcf82d766e59.
  4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).
- 

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
