|                |                                         |
|----------------|-----------------------------------------|
| Facility       | MANOR OF THE PLAINS                     |
| CCN            | 175306                                  |
| Location       | 200 CAMPUS DRIVE, DODGE CITY, KS, 67801 |
| Ownership type | Non profit - Corporation                |
| Certified beds | 50                                      |

## § 2 CMS Federal Record

|                                            |                                       |
|--------------------------------------------|---------------------------------------|
| Civil money penalties on file              | \$0                                   |
| Deficiency citations — current cycle       | 10 (up from 0 in the prior 24 months) |
| Deficiency citations — prior 24 months     | 0                                     |
| Immediate Jeopardy — current cycle         | 0                                     |
| Actual-harm (G+) citations — current cycle | 0                                     |
| Special Focus Facility status              | Not listed                            |
| Abuse icon                                 | No                                    |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$0                                                   |
| KS state average                  | \$22,557 (this facility is 0.0× the KS average)       |
| National average                  | \$31,239 (this facility is 0.0× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 10 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                                            | SCOPE/SEV. | SOURCE          |
|-------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|-----------------|
| F730  | Observe each nurse aide's job performance and give regular training.                                                                                                                     | F          | Standard survey |
| F812  | Procure food from sources approved or considered satisfactory and store, prepare, distribute and serve food in accordance with professional standards.                                   | F          | Standard survey |
| F947  | Ensure nurse aides have the skills they need to care for residents, and give nurse aides education in dementia care and abuse prevention.                                                | F          | Standard survey |
| F578  | Honor the resident's right to request, refuse, and/or discontinue treatment, to participate in or refuse to participate in experimental research, and to formulate an advance directive. | D          | Standard survey |
| F605  | Prevent the use of unnecessary psychotropic medications or use medications that may restrain a resident's ability to function.                                                           | D          | Standard survey |
| F676  | Ensure residents do not lose the ability to perform activities of daily living unless there is a medical reason.                                                                         | D          | Standard survey |
| F689  | Ensure that a nursing home area is free from accident hazards and provides adequate supervision to prevent accidents.                                                                    | D          | Standard survey |
| F693  | Ensure that feeding tubes are not used unless there is a medical reason and the resident agrees; and provide appropriate care for a resident with a feeding tube.                        | D          | Standard survey |
| F757  | Ensure each resident's drug regimen must be free from unnecessary drugs.                                                                                                                 | D          | Standard survey |
| F851  | Electronically submit to CMS complete and accurate direct care staffing information, based on payroll and other verifiable and auditable data.                                           | C          | Standard survey |

## § 5 Ownership & Chain Context

|                                       |                                                                                                                  |
|---------------------------------------|------------------------------------------------------------------------------------------------------------------|
| Ownership record                      | Chain: PRESBYTERIAN MANORS OF MID-AMERICA (14 facilities); Owner on file: PRESBYTERIAN MANORS INC (organization) |
| Ownership chain                       | PRESBYTERIAN MANORS OF MID-AMERICA (14 facilities)                                                               |
| Penalties vs chain average            | \$0 vs \$10,655 (0.0× the chain average)                                                                         |
| Current deficiencies vs chain average | 10 vs 7.9 (1.3× the chain average)                                                                               |

## § 6 CMS Care Compare Star Ratings

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 3 / 5 (state avg 3 · US avg 3)     |
| Health inspection     | 3 / 5 (state avg 2.8 · US avg 2.8) |
| Staffing              | 4 / 5 (state avg 3.4 · US avg 2.9) |
| Quality measures (QM) | 3 / 5 (state avg 3.3 · US avg 3.7) |

## § 7 Record Provenance

|                          |                                                                                                                                                   |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|
| CMS data as of           | Jun 2026                                                                                                                                          |

## § 8 For Your Attorney

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 175306.
3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash a3c9f60a7bea.
4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
