|                |                                                     |
|----------------|-----------------------------------------------------|
| Facility       | MENNONITE FRIENDSHIP COMMUNITIES INC                |
| CCN            | 175379                                              |
| Location       | 600 W BLANCHARD AVENUE, SOUTH HUTCHINSON, KS, 67505 |
| Ownership type | Non profit - Corporation                            |
| Certified beds | 100                                                 |

## § 2 CMS Federal Record

|                                            |                                       |
|--------------------------------------------|---------------------------------------|
| Civil money penalties on file              | \$14,498                              |
| Deficiency citations — current cycle       | 11 (up from 0 in the prior 24 months) |
| Deficiency citations — prior 24 months     | 0                                     |
| Immediate Jeopardy — current cycle         | 0                                     |
| Actual-harm (G+) citations — current cycle | 0                                     |
| Special Focus Facility status              | Not listed                            |
| Abuse icon                                 | No                                    |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$14,498                                              |
| KS state average                  | \$22,557 (this facility is 0.6× the KS average)       |
| National average                  | \$31,239 (this facility is 0.5× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 11 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                                                                                                                                                  | SCOPE/SEV. | SOURCE    |
|-------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|-----------|
| F689  | Ensure that a nursing home area is free from accident hazards and provides adequate supervision to prevent accidents.                                                                                                                                                                          | E          | Complaint |
| F627  | Ensure the transfer/discharge meets the resident's needs/preferences and that the resident is prepared for a safe transfer/discharge.                                                                                                                                                          | D          | Complaint |
| F628  | Provide the required documentation or notification related to the resident's needs, appeal rights, or bed-hold policies.                                                                                                                                                                       | D          | Complaint |
| F580  | Immediately tell the resident, the resident's doctor, and a family member of situations (injury/decline/room, etc.) that affect the resident.                                                                                                                                                  | D          | Complaint |
| F640  | Encode each resident's assessment data and transmit these data to the State within 7 days of assessment.                                                                                                                                                                                       | D          | Complaint |
| F693  | Ensure that feeding tubes are not used unless there is a medical reason and the resident agrees; and provide appropriate care for a resident with a feeding tube.                                                                                                                              | D          | Complaint |
| F756  | Ensure a licensed pharmacist perform a monthly drug regimen review, including the medical chart, following irregularity reporting guidelines in developed policies and procedures.                                                                                                             | D          | Complaint |
| F757  | Ensure each resident's drug regimen must be free from unnecessary drugs.                                                                                                                                                                                                                       | D          | Complaint |
| F758  | Implement gradual dose reductions(GDR) and non-pharmacological interventions, unless contraindicated, prior to initiating or instead of continuing psychotropic medication; and PRN orders for psychotropic medications are only used when the medication is necessary and PRN use is limited. | D          | Complaint |
| F760  | Ensure that residents are free from significant medication errors.                                                                                                                                                                                                                             | D          | Complaint |
| F849  | Arrange for the provision of hospice services or assist the resident in transferring to a facility that will                                                                                                                                                                                   | D          | Complaint |

arrange for the provision of hospice services.

## § 8 For Your Attorney

---

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
  2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 175379.
  3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash 10f217df5eaf.
  4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).
- 

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
