

# WHEAT STATE MANOR

Report ID: CCN 175451  
Generated: 2026-07-23T13:37:34.921Z

## § 1 Facility Identity

|                |                                      |
|----------------|--------------------------------------|
| Facility       | WHEAT STATE MANOR                    |
| CCN            | 175451                               |
| Location       | 601 S MAIN ST, WHITEWATER, KS, 67154 |
| Ownership type | Non profit - Corporation             |
| Certified beds | 65                                   |

## § 2 CMS Federal Record

|                                            |                                       |
|--------------------------------------------|---------------------------------------|
| Civil money penalties on file              | \$28,954                              |
| Deficiency citations — current cycle       | 13 (up from 0 in the prior 24 months) |
| Deficiency citations — prior 24 months     | 0                                     |
| Immediate Jeopardy — current cycle         | 0                                     |
| Actual-harm (G+) citations — current cycle | 0                                     |
| Special Focus Facility status              | Not listed                            |
| Abuse icon                                 | No                                    |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$28,954                                              |
| KS state average                  | \$22,557 (this facility is 1.3× the KS average)       |
| National average                  | \$31,239 (this facility is 0.9× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 13 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                        | SCOPE/SEV. | SOURCE          |
|-------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|-----------------|
| F620  | Not require residents to give up Medicare or Medicaid benefits, or pay privately as a condition of admission; and must tell residents what care they do not provide. | F          | Standard survey |
| F881  | Implement a program that monitors antibiotic use.                                                                                                                    | F          | Standard survey |
| F919  | Make sure that a working call system is available in each resident's bathroom and bathing area.                                                                      | F          | Standard survey |
| F880  | Provide and implement an infection prevention and control program.                                                                                                   | F          | Complaint       |
| F552  | Ensure that residents are fully informed and understand their health status, care and treatments.                                                                    | E          | Standard survey |
| F561  | Honor the resident's right to and the facility must promote and facilitate resident self-determination through support of resident choice.                           | E          | Standard survey |
| F550  | Honor the resident's right to a dignified existence, self-determination, communication, and to exercise his or her rights.                                           | D          | Standard survey |
| F628  | Provide the required documentation or notification related to the resident's needs, appeal rights, or bed-hold policies.                                             | D          | Standard survey |
| F689  | Ensure that a nursing home area is free from accident hazards and provides adequate supervision to prevent accidents.                                                | D          | Standard survey |
| F757  | Ensure each resident's drug regimen must be free from unnecessary drugs.                                                                                             | D          | Standard survey |
| F684  | Provide appropriate treatment and care according to orders, resident's preferences and goals.                                                                        | D          | Complaint       |
| F760  | Ensure that residents are free from significant medication errors.                                                                                                   | D          | Complaint       |
| F732  | Post nurse staffing information every day.                                                                                                                           | C          | Standard survey |

## § 5 Ownership & Chain Context

|                                       |                                                                                     |
|---------------------------------------|-------------------------------------------------------------------------------------|
| Ownership record                      | Chain: GRACE TEAM SERVICES (9 facilities); Owner on file: SMITH, JASON (individual) |
| Ownership chain                       | GRACE TEAM SERVICES (9 facilities)                                                  |
| Penalties vs chain average            | \$28,954 vs \$32,066 (0.9× the chain average)                                       |
| Current deficiencies vs chain average | 13 vs 8.4 (1.5× the chain average)                                                  |

## § 6 CMS Care Compare Star Ratings

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 1 / 5 (state avg 3 · US avg 3)     |
| Health inspection     | 1 / 5 (state avg 2.8 · US avg 2.8) |
| Staffing              | 5 / 5 (state avg 3.4 · US avg 2.9) |
| Quality measures (QM) | 1 / 5 (state avg 3.3 · US avg 3.7) |

## § 7 Record Provenance

|                          |                                                                                                                                                   |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|
| CMS data as of           | Jun 2026                                                                                                                                          |

## § 8 For Your Attorney

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 175451.
3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash cddb92ee8c1.
4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
