## § 2 CMS Federal Record

|                                            |                                              |
|--------------------------------------------|----------------------------------------------|
| Civil money penalties on file              | \$146,447                                    |
| Deficiency citations — current cycle       | 21 ( 110% vs prior 24 months (10))           |
| Deficiency citations — prior 24 months     | 10                                           |
| Immediate Jeopardy — current cycle         | <b>1</b>                                     |
| Actual-harm (G+) citations — current cycle | 0                                            |
| Special Focus Facility status              | Not listed                                   |
| Abuse icon                                 | <b>Yes — CMS abuse icon currently listed</b> |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$146,447                                             |
| LA state average                  | \$49,913 (this facility is 2.9× the LA average)       |
| National average                  | \$31,239 (this facility is 4.7× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 21 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                                                                                                                                            | SCOPE/SEV.                    | SOURCE          |
|-------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------|-----------------|
| F600  | Protect each resident from all types of abuse such as physical, mental, sexual abuse, physical punishment, and neglect by anybody.                                                                                                                                                       | <b>J • Immediate Jeopardy</b> | Complaint       |
| F695  | Provide safe and appropriate respiratory care for a resident when needed.                                                                                                                                                                                                                | E                             | Complaint       |
| F700  | Try different approaches before using a bed rail. If a bed rail is needed, the facility must (1) assess a resident for safety risk; (2) review these risks and benefits with the resident/representative; (3) get informed consent; and (4) Correctly install and maintain the bed rail. | E                             | Complaint       |
| F609  | Timely report suspected abuse, neglect, or theft and report the results of the investigation to proper authorities.                                                                                                                                                                      | D                             | Complaint       |
| F658  | Ensure services provided by the nursing facility meet professional standards of quality.                                                                                                                                                                                                 | D                             | Complaint       |
| F686  | Provide appropriate pressure ulcer care and prevent new ulcers from developing.                                                                                                                                                                                                          | D                             | Complaint       |
| F689  | Ensure that a nursing home area is free from accident hazards and provides adequate supervision to prevent accidents.                                                                                                                                                                    | D                             | Complaint       |
| F658  | Ensure services provided by the nursing facility meet professional standards of quality.                                                                                                                                                                                                 | D                             | Complaint       |
| F842  | Safeguard resident-identifiable information and/or maintain medical records on each resident that are in accordance with accepted professional standards.                                                                                                                                | D                             | Complaint       |
| F919  | Make sure that a working call system is available in each resident's bathroom and bathing area.                                                                                                                                                                                          | D                             | Complaint       |
| F558  | Reasonably accommodate the needs and preferences of each resident.                                                                                                                                                                                                                       | D                             | Standard survey |
| F583  | Keep residents' personal and medical records private and confidential.                                                                                                                                                                                                                   | D                             | Standard survey |

|      |                                                                                                                                                           |   |                 |
|------|-----------------------------------------------------------------------------------------------------------------------------------------------------------|---|-----------------|
| F641 | Ensure each resident receives an accurate assessment.                                                                                                     | D | Standard survey |
| F644 | Coordinate assessments with the pre-admission screening and resident review program; and referring for services as needed.                                | D | Standard survey |
| F656 | Develop and implement a complete care plan that meets all the resident's needs, with timetables and actions that can be measured.                         | D | Standard survey |
| F658 | Ensure services provided by the nursing facility meet professional standards of quality.                                                                  | D | Standard survey |
| F677 | Provide care and assistance to perform activities of daily living for any resident who is unable.                                                         | D | Standard survey |
| F695 | Provide safe and appropriate respiratory care for a resident when needed.                                                                                 | D | Standard survey |
| F814 | Dispose of garbage and refuse properly.                                                                                                                   | D | Standard survey |
| F842 | Safeguard resident-identifiable information and/or maintain medical records on each resident that are in accordance with accepted professional standards. | D | Standard survey |
| F880 | Provide and implement an infection prevention and control program.                                                                                        | D | Standard survey |

## § 5 Ownership & Chain Context

|                                       |                                                                                                             |
|---------------------------------------|-------------------------------------------------------------------------------------------------------------|
| Ownership record                      | Chain: LEGACY NURSING & REHABILITATION (9 facilities);<br>Owner on file: GUM MANAGEMENT, LLC (organization) |
| Ownership chain                       | LEGACY NURSING & REHABILITATION (9 facilities)                                                              |
| Penalties vs chain average            | \$146,447 vs \$168,671 (0.9× the chain average)                                                             |
| Current deficiencies vs chain average | 21 vs 12.6 (1.7× the chain average)                                                                         |

## § 6 CMS Care Compare Star Ratings

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 1 / 5 (state avg 2.5 · US avg 3)   |
| Health inspection     | 1 / 5 (state avg 2.9 · US avg 2.8) |
| Staffing              | 2 / 5 (state avg 2.4 · US avg 2.9) |
| Quality measures (QM) | 4 / 5 (state avg 2.2 · US avg 3.7) |

## § 7 Record Provenance

---

|                          |                                                                                                                                                   |

## § 8 For Your Attorney

---

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
  2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 195599.
  3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash 640f313d8c32.
  4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).
- 

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
