|                |                                                |
|----------------|------------------------------------------------|
| Facility       | ROSSVILLE REHABILITATION AND HEALTHCARE CENTER |
| CCN            | 215109                                         |
| Location       | 6600 RIDGE ROAD, BALTIMORE, MD, 21237          |
| Ownership type | For profit - Partnership                       |
| Certified beds | 172                                            |

## § 2 CMS Federal Record

|                                            |                                       |
|--------------------------------------------|---------------------------------------|
| Civil money penalties on file              | \$179,297                             |
| Deficiency citations — current cycle       | 15 (up from 0 in the prior 24 months) |
| Deficiency citations — prior 24 months     | 0                                     |
| Immediate Jeopardy — current cycle         | 0                                     |
| Actual-harm (G+) citations — current cycle | 0                                     |
| Special Focus Facility status              | Not listed                            |
| Abuse icon                                 | No                                    |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$179,297                                             |
| MD state average                  | \$22,972 (this facility is 7.8× the MD average)       |
| National average                  | \$31,239 (this facility is 5.7× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 15 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                                                                                                           | SCOPE/SEV. | SOURCE          |
|-------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|-----------------|
| F812  | Procure food from sources approved or considered satisfactory and store, prepare, distribute and serve food in accordance with professional standards.                                                                                                  | E          | Standard survey |
| F865  | Have a plan that describes the process for conducting QAPI and QAA activities.                                                                                                                                                                          | E          | Standard survey |
| F925  | Make sure there is a pest control program to prevent/deal with mice, insects, or other pests.                                                                                                                                                           | E          | Standard survey |
| F580  | Immediately tell the resident, the resident's doctor, and a family member of situations (injury/decline/room, etc.) that affect the resident.                                                                                                           | D          | Standard survey |
| F628  | Provide the required documentation or notification related to the resident's needs, appeal rights, or bed-hold policies.                                                                                                                                | D          | Standard survey |
| F657  | Develop the complete care plan within 7 days of the comprehensive assessment; and prepared, reviewed, and revised by a team of health professionals.                                                                                                    | D          | Standard survey |
| F684  | Provide appropriate treatment and care according to orders, resident's preferences and goals.                                                                                                                                                           | D          | Standard survey |
| F692  | Provide enough food/fluids to maintain a resident's health.                                                                                                                                                                                             | D          | Standard survey |
| F695  | Provide safe and appropriate respiratory care for a resident when needed.                                                                                                                                                                               | D          | Standard survey |
| F697  | Provide safe, appropriate pain management for a resident who requires such services.                                                                                                                                                                    | D          | Standard survey |
| F756  | Ensure a licensed pharmacist perform a monthly drug regimen review, including the medical chart, following irregularity reporting guidelines in developed policies and procedures.                                                                      | D          | Standard survey |
| F761  | Ensure drugs and biologicals used in the facility are labeled in accordance with currently accepted professional principles; and all drugs and biologicals must be stored in locked compartments, separately locked, compartments for controlled drugs. | D          | Standard survey |

|      |                                                                                                                                                                                                             |   |                 |
|------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---|-----------------|
| F842 | Safeguard resident-identifiable information and/or maintain medical records on each resident that are in accordance with accepted professional standards.                                                   | D | Standard survey |
| F883 | Develop and implement policies and procedures for flu and pneumonia vaccinations.                                                                                                                           | D | Standard survey |
| F887 | Educate residents and staff on COVID-19 vaccination, offer the COVID-19 vaccine to eligible residents and staff after education, and properly document each resident and staff member's vaccination status. | D | Standard survey |

## § 5 Ownership & Chain Context

|                                       |                                                                                                        |
|---------------------------------------|--------------------------------------------------------------------------------------------------------|
| Ownership record                      | Chain: ATLAS HEALTHCARE (29 facilities); Owner on file: TRR SNF OPERATIONS HOLDINGS LLC (organization) |
| Ownership chain                       | ATLAS HEALTHCARE (29 facilities)                                                                       |
| Penalties vs chain average            | \$179,297 vs \$54,948 (3.3× the chain average)                                                         |
| Current deficiencies vs chain average | 15 vs 8.9 (1.7× the chain average)                                                                     |

## § 6 CMS Care Compare Star Ratings

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 3 / 5 (state avg 3.1 · US avg 3)   |
| Health inspection     | 2 / 5 (state avg 2.8 · US avg 2.8) |
| Staffing              | 3 / 5 (state avg 3.2 · US avg 2.9) |
| Quality measures (QM) | 5 / 5 (state avg 3.9 · US avg 3.7) |

## § 7 Record Provenance

|                          |                                                                                                                                                   |

## § 8 For Your Attorney

---

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 215109.
3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash 6a20dd6a0f88.
4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).

---

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
