

# SHADY GROVE NURSING AND REHABILITATION CENTER

Report ID: CCN 215164  
Generated: 2026-07-26T01:50:39.344Z

## § 1 Facility Identity

|                |                                                 |
|----------------|-------------------------------------------------|
| Facility       | SHADY GROVE NURSING AND REHABILITATION CENTER   |
| CCN            | 215164                                          |
| Location       | 9701 MEDICAL CENTER DRIVE, ROCKVILLE, MD, 20850 |
| Ownership type | For profit - Limited Liability company          |
| Certified beds | 154                                             |

## § 2 CMS Federal Record

|                                            |                                   |
|--------------------------------------------|-----------------------------------|
| Civil money penalties on file              | \$8,278                           |
| Deficiency citations — current cycle       | 40 ( 900% vs prior 24 months (4)) |
| Deficiency citations — prior 24 months     | 4                                 |
| Immediate Jeopardy — current cycle         | 0                                 |
| Actual-harm (G+) citations — current cycle | 1                                 |
| Special Focus Facility status              | Not listed                        |
| Abuse icon                                 | No                                |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$8,278                                               |
| MD state average                  | \$22,972 (this facility is 0.4× the MD average)       |
| National average                  | \$31,239 (this facility is 0.3× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 40 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                                  | SCOPE/SEV. | SOURCE          |
|-------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|-----------------|
| F689  | Ensure that a nursing home area is free from accident hazards and provides adequate supervision to prevent accidents.                                                          | G          | Complaint       |
| F657  | Develop the complete care plan within 7 days of the comprehensive assessment; and prepared, reviewed, and revised by a team of health professionals.                           | F          | Complaint       |
| F656  | Develop and implement a complete care plan that meets all the resident's needs, with timetables and actions that can be measured.                                              | E          | Standard survey |
| F689  | Ensure that a nursing home area is free from accident hazards and provides adequate supervision to prevent accidents.                                                          | E          | Standard survey |
| F812  | Procure food from sources approved or considered satisfactory and store, prepare, distribute and serve food in accordance with professional standards.                         | E          | Standard survey |
| F658  | Ensure services provided by the nursing facility meet professional standards of quality.                                                                                       | E          | Complaint       |
| F842  | Safeguard resident-identifiable information and/or maintain medical records on each resident that are in accordance with accepted professional standards.                      | E          | Complaint       |
| F609  | Timely report suspected abuse, neglect, or theft and report the results of the investigation to proper authorities.                                                            | D          | Complaint       |
| F690  | Provide appropriate care for residents who are continent or incontinent of bowel/bladder, appropriate catheter care, and appropriate care to prevent urinary tract infections. | D          | Complaint       |
| F880  | Provide and implement an infection prevention and control program.                                                                                                             | D          | Complaint       |
| F659  | Provide care by qualified persons according to each resident's written plan of care.                                                                                           | D          | Complaint       |
| F554  | Allow residents to self-administer drugs if determined clinically appropriate.                                                                                                 | D          | Complaint       |

|      |                                                                                                                                                                                          |   |                 |
|------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---|-----------------|
| F610 | Respond appropriately to all alleged violations.                                                                                                                                         | D | Complaint       |
| F759 | Ensure medication error rates are not 5 percent or greater.                                                                                                                              | D | Complaint       |
| F558 | Reasonably accommodate the needs and preferences of each resident.                                                                                                                       | D | Standard survey |
| F561 | Honor the resident's right to and the facility must promote and facilitate resident self-determination through support of resident choice.                                               | D | Standard survey |
| F578 | Honor the resident's right to request, refuse, and/or discontinue treatment, to participate in or refuse to participate in experimental research, and to formulate an advance directive. | D | Standard survey |
| F582 | Give residents notice of Medicaid/Medicare coverage and potential liability for services not covered.                                                                                    | D | Standard survey |
| F584 | Honor the resident's right to a safe, clean, comfortable and homelike environment, including but not limited to receiving treatment and supports for daily living safely.                | D | Standard survey |
| F622 | Not transfer or discharge a resident without an adequate reason; and must provide documentation and convey specific information when a resident is transferred or discharged.            | D | Standard survey |
| F623 | Provide timely notification to the resident, and if applicable to the resident representative and ombudsman, before transfer or discharge, including appeal rights.                      | D | Standard survey |
| F624 | Prepare residents for a safe transfer or discharge from the nursing home.                                                                                                                | D | Standard survey |
| F625 | Notify the resident or the resident's representative in writing how long the nursing home will hold the resident's bed in cases of transfer to a hospital or therapeutic leave.          | D | Standard survey |
| F641 | Ensure each resident receives an accurate assessment.                                                                                                                                    | D | Standard survey |
| F645 | PASARR screening for Mental disorders or Intellectual Disabilities                                                                                                                       | D | Standard survey |

|      |                                                                                                                                                                                                                                                                                          |   |                 |
|------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---|-----------------|
| F677 | Provide care and assistance to perform activities of daily living for any resident who is unable.                                                                                                                                                                                        | D | Standard survey |
| F690 | Provide appropriate care for residents who are continent or incontinent of bowel/bladder, appropriate catheter care, and appropriate care to prevent urinary tract infections.                                                                                                           | D | Standard survey |
| F692 | Provide enough food/fluids to maintain a resident's health.                                                                                                                                                                                                                              | D | Standard survey |
| F697 | Provide safe, appropriate pain management for a resident who requires such services.                                                                                                                                                                                                     | D | Standard survey |
| F700 | Try different approaches before using a bed rail. If a bed rail is needed, the facility must (1) assess a resident for safety risk; (2) review these risks and benefits with the resident/representative; (3) get informed consent; and (4) Correctly install and maintain the bed rail. | D | Standard survey |
| F710 | Obtain a doctor's order to admit a resident and ensure the resident is under a doctor's care.                                                                                                                                                                                            | D | Standard survey |
| F755 | Provide pharmaceutical services to meet the needs of each resident and employ or obtain the services of a licensed pharmacist.                                                                                                                                                           | D | Standard survey |
| F759 | Ensure medication error rates are not 5 percent or greater.                                                                                                                                                                                                                              | D | Standard survey |
| F761 | Ensure drugs and biologicals used in the facility are labeled in accordance with currently accepted professional principles; and all drugs and biologicals must be stored in locked compartments, separately locked, compartments for controlled drugs.                                  | D | Standard survey |
| F790 | Provide routine and 24-hour emergency dental care for each resident.                                                                                                                                                                                                                     | D | Standard survey |
| F880 | Provide and implement an infection prevention and control program.                                                                                                                                                                                                                       | D | Standard survey |
| F908 | Keep all essential equipment working safely.                                                                                                                                                                                                                                             | D | Standard survey |
| F909 | Regularly inspect all bed frames, mattresses, and bed rails (if any) for safety; and all bed rails and mattresses must attach safely to the bed frame.                                                                                                                                   | D | Standard survey |

|      |                                                                                                                                      |   |           |
|------|--------------------------------------------------------------------------------------------------------------------------------------|---|-----------|
| F684 | Provide appropriate treatment and care according to orders, resident's preferences and goals.                                        | D | Complaint |
| F711 | Ensure the resident's doctor reviews the resident's care, writes, signs and dates progress notes and orders, at each required visit. | D | Complaint |

## § 5 Ownership & Chain Context

|                                       |                                                                                                 |
|---------------------------------------|-------------------------------------------------------------------------------------------------|
| Ownership record                      | Chain: LIFEWORKS REHAB (66 facilities); Owner on file: THUNDER HEALTH HOLDCO LLC (organization) |
| Ownership chain                       | LIFEWORKS REHAB (66 facilities)                                                                 |
| Penalties vs chain average            | \$8,278 vs \$73,733 (0.1× the chain average)                                                    |
| Current deficiencies vs chain average | 40 vs 18.5 (2.2× the chain average)                                                             |

## § 6 CMS Care Compare Star Ratings

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 2 / 5 (state avg 3.1 · US avg 3)   |
| Health inspection     | 1 / 5 (state avg 2.8 · US avg 2.8) |
| Staffing              | 3 / 5 (state avg 3.2 · US avg 2.9) |

## § 8 For Your Attorney

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 215164.
3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash 402efca66d90.
4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).

---

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
