|                |                                        |
|----------------|----------------------------------------|
| Facility       | Life Care Center of Leominster         |
| CCN            | 225038                                 |
| Location       | 370 WEST STREET, LEOMINSTER, MA, 01453 |
| Ownership type | For profit - Corporation               |
| Certified beds | 133                                    |

## § 2 CMS Federal Record

|                                            |                                      |
|--------------------------------------------|--------------------------------------|
| Civil money penalties on file              | \$0                                  |
| Deficiency citations — current cycle       | 7 (up from 0 in the prior 24 months) |
| Deficiency citations — prior 24 months     | 0                                    |
| Immediate Jeopardy — current cycle         | 0                                    |
| Actual-harm (G+) citations — current cycle | 0                                    |
| Special Focus Facility status              | Not listed                           |
| Abuse icon                                 | No                                   |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$0                                                   |
| MA state average                  | \$36,630 (this facility is 0.0× the MA average)       |
| National average                  | \$31,239 (this facility is 0.0× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 7 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                               | SCOPE/SEV. | SOURCE          |
|-------|-------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|-----------------|
| F883  | Develop and implement policies and procedures for flu and pneumonia vaccinations.                                                                           | E          | Standard survey |
| F908  | Keep all essential equipment working safely.                                                                                                                | E          | Standard survey |
| F610  | Respond appropriately to all alleged violations.                                                                                                            | D          | Complaint       |
| F604  | Ensure that each resident is free from the use of physical restraints, unless needed for medical treatment.                                                 | D          | Standard survey |
| F658  | Ensure services provided by the nursing facility meet professional standards of quality.                                                                    | D          | Standard survey |
| F695  | Provide safe and appropriate respiratory care for a resident when needed.                                                                                   | D          | Standard survey |
| F849  | Arrange for the provision of hospice services or assist the resident in transferring to a facility that will arrange for the provision of hospice services. | D          | Standard survey |

## § 5 Ownership & Chain Context

|                                       |                                                                                                            |
|---------------------------------------|------------------------------------------------------------------------------------------------------------|
| Ownership record                      | Chain: LIFE CARE CENTERS OF AMERICA (194 facilities); Owner on file: FAIRLAWN MEDICAL, INC. (organization) |
| Ownership chain                       | LIFE CARE CENTERS OF AMERICA (194 facilities)                                                              |
| Penalties vs chain average            | \$0 vs \$18,667 (0.0× the chain average)                                                                   |
| Current deficiencies vs chain average | 7 vs 8.6 (0.8× the chain average)                                                                          |

## § 6 CMS Care Compare Star Ratings

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 3 / 5 (state avg 3 · US avg 3)     |
| Health inspection     | 3 / 5 (state avg 2.9 · US avg 2.8) |
| Staffing              | 1 / 5 (state avg 3 · US avg 2.9)   |
| Quality measures (QM) | 5 / 5 (state avg 3.3 · US avg 3.7) |

## § 7 Record Provenance

---

|                          |                                                                                                                                                   |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|
| CMS data as of           | Jun 2026                                                                                                                                          |

## § 8 For Your Attorney

---

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
  2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 225038.
  3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash 86393c53a523.
  4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).
- 

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
