

# St Mary Health Care Center

Report ID: CCN 225305  
Generated: 2026-07-26T00:06:32.810Z

## § 1 Facility Identity

|                |                                       |
|----------------|---------------------------------------|
| Facility       | St Mary Health Care Center            |
| CCN            | 225305                                |
| Location       | 39 QUEEN STREET, WORCESTER, MA, 01610 |
| Ownership type | Non profit - Corporation              |
| Certified beds | 172                                   |

## § 2 CMS Federal Record

|                                            |                                       |
|--------------------------------------------|---------------------------------------|
| Civil money penalties on file              | \$8,788                               |
| Deficiency citations — current cycle       | 12 (up from 0 in the prior 24 months) |
| Deficiency citations — prior 24 months     | 0                                     |
| Immediate Jeopardy — current cycle         | 0                                     |
| Actual-harm (G+) citations — current cycle | 1                                     |
| Special Focus Facility status              | Not listed                            |
| Abuse icon                                 | No                                    |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$8,788                                               |
| MA state average                  | \$36,630 (this facility is 0.2× the MA average)       |
| National average                  | \$31,239 (this facility is 0.3× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 12 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                                                                               | SCOPE/SEV. | SOURCE          |
|-------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|-----------------|
| F684  | Provide appropriate treatment and care according to orders, resident's preferences and goals.                                                                                                                               | G          | Complaint       |
| F557  | Honor the resident's right to be treated with respect and dignity and to retain and use personal possessions.                                                                                                               | E          | Complaint       |
| F580  | Immediately tell the resident, the resident's doctor, and a family member of situations (injury/decline/room, etc.) that affect the resident.                                                                               | D          | Complaint       |
| F637  | Assess the resident when there is a significant change in condition                                                                                                                                                         | D          | Standard survey |
| F644  | Coordinate assessments with the pre-admission screening and resident review program; and referring for services as needed.                                                                                                  | D          | Standard survey |
| F689  | Ensure that a nursing home area is free from accident hazards and provides adequate supervision to prevent accidents.                                                                                                       | D          | Standard survey |
| F742  | Provide the appropriate treatment and services to a resident who displays or is diagnosed with mental disorder or psychosocial adjustment difficulty, or who has a history of trauma and/or post-traumatic stress disorder. | D          | Standard survey |
| F755  | Provide pharmaceutical services to meet the needs of each resident and employ or obtain the services of a licensed pharmacist.                                                                                              | D          | Standard survey |
| F772  | Have an agreement with an approved laboratory to obtain services, if on-site laboratory services aren't provided.                                                                                                           | D          | Standard survey |
| F776  | Provide timely, approved x-ray services, or have an agreement with an approved provider to obtain them.                                                                                                                     | D          | Standard survey |
| F880  | Provide and implement an infection prevention and control program.                                                                                                                                                          | D          | Standard survey |
| F732  | Post nurse staffing information every day.                                                                                                                                                                                  | C          | Standard survey |

## § 5 Ownership & Chain Context

|                                       |                                                                                    |
|---------------------------------------|------------------------------------------------------------------------------------|
| Ownership record                      | Chain: COVENANT HEALTH (11 facilities); Owner on file: BOYLE, MELISSA (individual) |
| Ownership chain                       | COVENANT HEALTH (11 facilities)                                                    |
| Penalties vs chain average            | \$8,788 vs \$32,414 (0.3× the chain average)                                       |
| Current deficiencies vs chain average | 12 vs 9.1 (1.3× the chain average)                                                 |

## § 6 CMS Care Compare Star Ratings

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 2 / 5 (state avg 3 · US avg 3)     |
| Health inspection     | 2 / 5 (state avg 2.9 · US avg 2.8) |
| Staffing              | 4 / 5 (state avg 3 · US avg 2.9)   |
| Quality measures (QM) | 4 / 5 (state avg 3.3 · US avg 3.7) |

## § 7 Record Provenance

|                          |                                                                                                                                                   |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|
| CMS data as of           | Jun 2026                                                                                                                                          |

## § 8 For Your Attorney

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 225305.
3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash e293b0b5a899.
4. Deficiency F-tags cited above are searchable in CMS QCOR (qcor.cms.gov).

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
