|                |                                                |
|----------------|------------------------------------------------|
| Facility       | SACHEM CENTER FOR HEALTH AND REHABILITATION    |
| CCN            | 225322                                         |
| Location       | 66 CENTRAL STREET, EAST BRIDGEWATER, MA, 02333 |
| Ownership type | For profit - Limited Liability company         |
| Certified beds | 111                                            |

## § 2 CMS Federal Record

|                                            |                                      |
|--------------------------------------------|--------------------------------------|
| Civil money penalties on file              | \$65,753                             |
| Deficiency citations — current cycle       | 7 (up from 0 in the prior 24 months) |
| Deficiency citations — prior 24 months     | 0                                    |
| Immediate Jeopardy — current cycle         | 0                                    |
| Actual-harm (G+) citations — current cycle | 1                                    |
| Special Focus Facility status              | Not listed                           |
| Abuse icon                                 | No                                   |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$65,753                                              |
| MA state average                  | \$36,630 (this facility is 1.8× the MA average)       |
| National average                  | \$31,239 (this facility is 2.1× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 7 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                      | SCOPE/SEV. | SOURCE          |
|-------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|-----------------|
| F686  | Provide appropriate pressure ulcer care and prevent new ulcers from developing.                                                                                    | G          | Standard survey |
| F757  | Ensure each resident's drug regimen must be free from unnecessary drugs.                                                                                           | E          | Standard survey |
| F804  | Ensure food and drink is palatable, attractive, and at a safe and appetizing temperature.                                                                          | E          | Standard survey |
| F808  | Ensure therapeutic diets are prescribed by the attending physician and may be delegated to a registered or licensed dietitian, to the extent allowed by State law. | E          | Standard survey |
| F842  | Safeguard resident-identifiable information and/or maintain medical records on each resident that are in accordance with accepted professional standards.          | E          | Standard survey |
| F909  | Regularly inspect all bed frames, mattresses, and bed rails (if any) for safety; and all bed rails and mattresses must attach safely to the bed frame.             | D          | Standard survey |
| F921  | Make sure that the nursing home area is safe, easy to use, clean and comfortable for residents, staff and the public.                                              | B          | Standard survey |

## § 5 Ownership & Chain Context

|                                       |                                                                                            |
|---------------------------------------|--------------------------------------------------------------------------------------------|
| Ownership record                      | Chain: AZURE HEALTHCARE (6 facilities); Owner on file: OC SACHEM CENTER LLC (organization) |
| Ownership chain                       | AZURE HEALTHCARE (6 facilities)                                                            |
| Penalties vs chain average            | \$65,753 vs \$57,743 (1.1× the chain average)                                              |
| Current deficiencies vs chain average | 7 vs 11.0 (0.6× the chain average)                                                         |

## § 6 CMS Care Compare Star Ratings

---

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 2 / 5 (state avg 3 · US avg 3)     |
| Health inspection     | 2 / 5 (state avg 2.9 · US avg 2.8) |
| Staffing              | 2 / 5 (state avg 3 · US avg 2.9)   |
| Quality measures (QM) | 2 / 5 (state avg 3.3 · US avg 3.7) |

## § 8 For Your Attorney

---

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
  2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 225322.
  3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash 43d6bde983ec.
  4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).
- 

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
