

# Ambassador, A Villa Center

Report ID: CCN 235102  
Generated: 2026-07-26T01:47:42.141Z

## § 1 Facility Identity

|                |                                          |
|----------------|------------------------------------------|
| Facility       | Ambassador, A Villa Center               |
| CCN            | 235102                                   |
| Location       | 8045 E Jefferson Ave, Detroit, MI, 48214 |
| Ownership type | For profit - Partnership                 |
| Certified beds | 176                                      |

## § 2 CMS Federal Record

|                                            |                                 |
|--------------------------------------------|---------------------------------|
| Civil money penalties on file              | \$0                             |
| Deficiency citations — current cycle       | 8 ( 14% vs prior 24 months (7)) |
| Deficiency citations — prior 24 months     | 7                               |
| Immediate Jeopardy — current cycle         | 0                               |
| Actual-harm (G+) citations — current cycle | 0                               |
| Special Focus Facility status              | Not listed                      |
| Abuse icon                                 | No                              |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$0                                                   |
| MI state average                  | \$33,031 (this facility is 0.0× the MI average)       |
| National average                  | \$31,239 (this facility is 0.0× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

#### § 4 Current-Cycle Deficiencies

The current survey cycle records the following 8 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                                                               | SCOPE/SEV. | SOURCE          |
|-------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|-----------------|
| F812  | Procure food from sources approved or considered satisfactory and store, prepare, distribute and serve food in accordance with professional standards.                                                      | E          | Standard survey |
| F609  | Timely report suspected abuse, neglect, or theft and report the results of the investigation to proper authorities.                                                                                         | D          | Complaint       |
| F610  | Respond appropriately to all alleged violations.                                                                                                                                                            | D          | Complaint       |
| F880  | Provide and implement an infection prevention and control program.                                                                                                                                          | D          | Complaint       |
| F583  | Keep residents' personal and medical records private and confidential.                                                                                                                                      | D          | Standard survey |
| F883  | Develop and implement policies and procedures for flu and pneumonia vaccinations.                                                                                                                           | D          | Standard survey |
| F887  | Educate residents and staff on COVID-19 vaccination, offer the COVID-19 vaccine to eligible residents and staff after education, and properly document each resident and staff member's vaccination status. | D          | Standard survey |
| F912  | Provide rooms that are at least 80 square feet per resident in multiple rooms and 100 square feet for single resident rooms.                                                                                | B          | Standard survey |

#### § 5 Ownership & Chain Context

|                                       |                                                                                                |
|---------------------------------------|------------------------------------------------------------------------------------------------|
| Ownership record                      | Chain: VILLA HEALTHCARE (18 facilities); Owner on file: OMNIA OPCO HOLDINGS LLC (organization) |
| Ownership chain                       | VILLA HEALTHCARE (18 facilities)                                                               |
| Penalties vs chain average            | \$0 vs \$60,795 (0.0× the chain average)                                                       |
| Current deficiencies vs chain average | 8 vs 13.4 (0.6× the chain average)                                                             |

## § 6 CMS Care Compare Star Ratings

---

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 5 / 5 (state avg 3.2 · US avg 3)   |
| Health inspection     | 4 / 5 (state avg 2.8 · US avg 2.8) |
| Staffing              | 2 / 5 (state avg 3.5 · US avg 2.9) |
| Quality measures (QM) | 5 / 5 (state avg 4 · US avg 3.7)   |

## § 8 For Your Attorney

---

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
  2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 235102.
  3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash bcce428d10e3.
  4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).
- 

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
