

# Clearstream Rehabilitation and Nursing Center

Report ID: CCN 235281  
Generated: 2026-07-23T15:07:56.903Z

## § 1 Facility Identity

|                |                                               |
|----------------|-----------------------------------------------|
| Facility       | Clearstream Rehabilitation and Nursing Center |
| CCN            | 235281                                        |
| Location       | 240 E NORTH ST, HASTINGS, MI, 49058           |
| Ownership type | For profit - Individual                       |
| Certified beds | 98                                            |

## § 2 CMS Federal Record

|                                            |                                       |
|--------------------------------------------|---------------------------------------|
| Civil money penalties on file              | \$35,416                              |
| Deficiency citations — current cycle       | 17 ( 467% vs prior 24 months (3))     |
| Deficiency citations — prior 24 months     | 3                                     |
| Immediate Jeopardy — current cycle         | 0                                     |
| Actual-harm (G+) citations — current cycle | 0                                     |
| Special Focus Facility status              | Not listed                            |
| Abuse icon                                 | Yes — CMS abuse icon currently listed |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$35,416                                              |
| MI state average                  | \$33,031 (this facility is 1.1× the MI average)       |
| National average                  | \$31,239 (this facility is 1.1× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 17 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                                            | SCOPE/SEV. | SOURCE          |
|-------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|-----------------|
| F584  | Honor the resident's right to a safe, clean, comfortable and homelike environment, including but not limited to receiving treatment and supports for daily living safely.                | E          | Standard survey |
| F658  | Ensure services provided by the nursing facility meet professional standards of quality.                                                                                                 | E          | Standard survey |
| F677  | Provide care and assistance to perform activities of daily living for any resident who is unable.                                                                                        | E          | Standard survey |
| F806  | Ensure each resident receives and the facility provides food that accommodates resident allergies, intolerances, and preferences, as well as appealing options.                          | E          | Standard survey |
| F600  | Protect each resident from all types of abuse such as physical, mental, sexual abuse, physical punishment, and neglect by anybody.                                                       | D          | Complaint       |
| F550  | Honor the resident's right to a dignified existence, self-determination, communication, and to exercise his or her rights.                                                               | D          | Standard survey |
| F578  | Honor the resident's right to request, refuse, and/or discontinue treatment, to participate in or refuse to participate in experimental research, and to formulate an advance directive. | D          | Standard survey |
| F580  | Immediately tell the resident, the resident's doctor, and a family member of situations (injury/decline/room, etc.) that affect the resident.                                            | D          | Standard survey |
| F607  | Develop and implement policies and procedures to prevent abuse, neglect, and theft.                                                                                                      | D          | Standard survey |
| F657  | Develop the complete care plan within 7 days of the comprehensive assessment; and prepared, reviewed, and revised by a team of health professionals.                                     | D          | Standard survey |
| F686  | Provide appropriate pressure ulcer care and prevent new ulcers from developing.                                                                                                          | D          | Standard survey |

|      |                                                                                                                                                                                                                                                         |   |                 |
|------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---|-----------------|
| F689 | Ensure that a nursing home area is free from accident hazards and provides adequate supervision to prevent accidents.                                                                                                                                   | D | Standard survey |
| F713 | Provide or arrange emergency care by a doctor 24 hours a day.                                                                                                                                                                                           | D | Standard survey |
| F759 | Ensure medication error rates are not 5 percent or greater.                                                                                                                                                                                             | D | Standard survey |
| F761 | Ensure drugs and biologicals used in the facility are labeled in accordance with currently accepted professional principles; and all drugs and biologicals must be stored in locked compartments, separately locked, compartments for controlled drugs. | D | Standard survey |
| F880 | Provide and implement an infection prevention and control program.                                                                                                                                                                                      | D | Standard survey |
| F602 | Protect each resident from the wrongful use of the resident's belongings or money.                                                                                                                                                                      | D | Complaint       |

## § 5 Ownership & Chain Context

|                                       |                                                                                             |
|---------------------------------------|---------------------------------------------------------------------------------------------|
| Ownership record                      | Chain: AVON HEALTHCARE (9 facilities); Owner on file: RENEWAL HEALTHCARE LLC (organization) |
| Ownership chain                       | AVON HEALTHCARE (9 facilities)                                                              |
| Penalties vs chain average            | \$35,416 vs \$78,353 (0.5× the chain average)                                               |
| Current deficiencies vs chain average | 17 vs 16.1 (1.1× the chain average)                                                         |

## § 6 CMS Care Compare Star Ratings

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 1 / 5 (state avg 3.2 · US avg 3)   |
| Health inspection     | 1 / 5 (state avg 2.8 · US avg 2.8) |
| Staffing              | 2 / 5 (state avg 3.5 · US avg 2.9) |
| Quality measures (QM) | 3 / 5 (state avg 4 · US avg 3.7)   |

## § 7 Record Provenance

## § 8 For Your Attorney

---

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
  2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 235281.
  3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash 99a3dc9dec15.
  4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).
- 

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
