

# The Laurels of Sandy Creek

Report ID: CCN 235313  
Generated: 2026-07-23T11:34:14.800Z

## § 1 Facility Identity

|                |                                  |
|----------------|----------------------------------|
| Facility       | The Laurels of Sandy Creek       |
| CCN            | 235313                           |
| Location       | 425 E Elm St, Wayland, MI, 49348 |
| Ownership type | For profit - Individual          |
| Certified beds | 99                               |

## § 2 CMS Federal Record

|                                            |                                       |
|--------------------------------------------|---------------------------------------|
| Civil money penalties on file              | \$0                                   |
| Deficiency citations — current cycle       | 16 ( 433% vs prior 24 months (3))     |
| Deficiency citations — prior 24 months     | 3                                     |
| Immediate Jeopardy — current cycle         | 1                                     |
| Actual-harm (G+) citations — current cycle | 0                                     |
| Special Focus Facility status              | Not listed                            |
| Abuse icon                                 | Yes — CMS abuse icon currently listed |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$0                                                   |
| MI state average                  | \$33,031 (this facility is 0.0× the MI average)       |
| National average                  | \$31,239 (this facility is 0.0× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 16 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                     | SCOPE/SEV.                    | SOURCE          |
|-------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------|-----------------|
| F689  | Ensure that a nursing home area is free from accident hazards and provides adequate supervision to prevent accidents.                                             | <b>J • Immediate Jeopardy</b> | Complaint       |
| F921  | Make sure that the nursing home area is safe, easy to use, clean and comfortable for residents, staff and the public.                                             | F                             | Complaint       |
| F812  | Procure food from sources approved or considered satisfactory and store, prepare, distribute and serve food in accordance with professional standards.            | F                             | Standard survey |
| F684  | Provide appropriate treatment and care according to orders, resident's preferences and goals.                                                                     | E                             | Standard survey |
| F806  | Ensure each resident receives and the facility provides food that accommodates resident allergies, intolerances, and preferences, as well as appealing options.   | E                             | Standard survey |
| F810  | Provide special eating equipment and utensils for residents who need them and appropriate assistance.                                                             | E                             | Standard survey |
| F921  | Make sure that the nursing home area is safe, easy to use, clean and comfortable for residents, staff and the public.                                             | E                             | Standard survey |
| F600  | Protect each resident from all types of abuse such as physical, mental, sexual abuse, physical punishment, and neglect by anybody.                                | D                             | Complaint       |
| F609  | Timely report suspected abuse, neglect, or theft and report the results of the investigation to proper authorities.                                               | D                             | Complaint       |
| F656  | Develop and implement a complete care plan that meets all the resident's needs, with timetables and actions that can be measured.                                 | D                             | Complaint       |
| F693  | Ensure that feeding tubes are not used unless there is a medical reason and the resident agrees; and provide appropriate care for a resident with a feeding tube. | D                             | Complaint       |

|      |                                                                                                                                                                                          |   |                 |
|------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---|-----------------|
| F554 | Allow residents to self-administer drugs if determined clinically appropriate.                                                                                                           | D | Standard survey |
| F578 | Honor the resident's right to request, refuse, and/or discontinue treatment, to participate in or refuse to participate in experimental research, and to formulate an advance directive. | D | Standard survey |
| F641 | Ensure each resident receives an accurate assessment.                                                                                                                                    | D | Standard survey |
| F880 | Provide and implement an infection prevention and control program.                                                                                                                       | D | Standard survey |
| F801 | Employ sufficient staff with the appropriate competencies and skills sets to carry out the functions of the food and nutrition service, including a qualified dietician.                 | C | Standard survey |

## § 5 Ownership & Chain Context

|                                       |                                                                                                         |
|---------------------------------------|---------------------------------------------------------------------------------------------------------|
| Ownership record                      | Chain: CIENA HEALTHCARE/LAUREL HEALTH CARE (83 facilities); Owner on file: BARNOSKY, SUSAN (individual) |
| Ownership chain                       | CIENA HEALTHCARE/LAUREL HEALTH CARE (83 facilities)                                                     |
| Penalties vs chain average            | \$0 vs \$34,511 (0.0× the chain average)                                                                |
| Current deficiencies vs chain average | 16 vs 11.7 (1.4× the chain average)                                                                     |

## § 6 CMS Care Compare Star Ratings

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 3 / 5 (state avg 3.2 · US avg 3)   |
| Health inspection     | 2 / 5 (state avg 2.8 · US avg 2.8) |
| Staffing              | 3 / 5 (state avg 3.5 · US avg 2.9) |
| Quality measures (QM) | 5 / 5 (state avg 4 · US avg 3.7)   |

## § 7 Record Provenance

---

|                          |                                                                                                                                                   |

## § 8 For Your Attorney

---

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
  2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 235313.
  3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash bea4dc6b11a5.
  4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).
- 

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
