

# GRENADA REHABILITATION AND HEALTHCARE CENTER

Report ID: CCN 255156

Generated: 2026-07-23T16:13:34.671Z

## § 1 Facility Identity

|                |                                              |
|----------------|----------------------------------------------|
| Facility       | GRENADA REHABILITATION AND HEALTHCARE CENTER |
| CCN            | 255156                                       |
| Location       | 1966 HILL DRIVE, GRENADA, MS, 38901          |
| Ownership type | For profit - Corporation                     |
| Certified beds | 95                                           |

## § 2 CMS Federal Record

|                                            |                                              |
|--------------------------------------------|----------------------------------------------|
| Civil money penalties on file              | \$14,800                                     |
| Deficiency citations — current cycle       | 10 (up from 0 in the prior 24 months)        |
| Deficiency citations — prior 24 months     | 0                                            |
| Immediate Jeopardy — current cycle         | 0                                            |
| Actual-harm (G+) citations — current cycle | 3                                            |
| Special Focus Facility status              | Not listed                                   |
| Abuse icon                                 | <b>Yes — CMS abuse icon currently listed</b> |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$14,800                                              |
| MS state average                  | \$18,897 (this facility is 0.8× the MS average)       |
| National average                  | \$31,239 (this facility is 0.5× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 10 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                       | SCOPE/SEV. | SOURCE          |
|-------|-----------------------------------------------------------------------------------------------------------------------------------------------------|------------|-----------------|
| F550  | Honor the resident's right to a dignified existence, self-determination, communication, and to exercise his or her rights.                          | G          | Complaint       |
| F677  | Provide care and assistance to perform activities of daily living for any resident who is unable.                                                   | G          | Complaint       |
| F600  | Protect each resident from all types of abuse such as physical, mental, sexual abuse, physical punishment, and neglect by anybody.                  | G          | Complaint       |
| F725  | Provide enough nursing staff every day to meet the needs of every resident; and have a licensed nurse in charge on each shift.                      | F          | Complaint       |
| F851  | Electronically submit to CMS complete and accurate direct care staffing information, based on payroll and other verifiable and auditable data.      | F          | Standard survey |
| F628  | Provide the required documentation or notification related to the resident's needs, appeal rights, or bed-hold policies.                            | D          | Complaint       |
| F726  | Ensure that nurses and nurse aides have the appropriate competencies to care for every resident in a way that maximizes each resident's well being. | D          | Standard survey |
| F880  | Provide and implement an infection prevention and control program.                                                                                  | D          | Standard survey |
| F636  | Assess the resident completely in a timely manner when first admitted, and then periodically, at least every 12 months.                             | B          | Standard survey |
| F638  | Assure that each resident's assessment is updated at least once every 3 months.                                                                     | B          | Standard survey |

## § 5 Ownership & Chain Context

|                                       |                                                                                              |
|---------------------------------------|----------------------------------------------------------------------------------------------|
| Ownership record                      | Chain: NEXION HEALTH (52 facilities); Owner on file: NEXION HEALTH OF OHI INC (organization) |
| Ownership chain                       | NEXION HEALTH (52 facilities)                                                                |
| Penalties vs chain average            | \$14,800 vs \$50,569 (0.3× the chain average)                                                |
| Current deficiencies vs chain average | 10 vs 9.6 (1.0× the chain average)                                                           |

## § 6 CMS Care Compare Star Ratings

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 1 / 5 (state avg 2.7 · US avg 3)   |
| Health inspection     | 1 / 5 (state avg 2.8 · US avg 2.8) |
| Staffing              | 3 / 5 (state avg 3.7 · US avg 2.9) |
| Quality measures (QM) | 2 / 5 (state avg 2.2 · US avg 3.7) |

## § 7 Record Provenance

|                          |                                                                                                                                                   |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|
| CMS data as of           | Jun 2026                                                                                                                                          |

## § 8 For Your Attorney

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 255156.
3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash a4d54a23646f.
4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
