|                |                                                |
|----------------|------------------------------------------------|
| Facility       | SURREY PLACE ST LUKES HOSPITAL SKILLED NURSING |
| CCN            | 265414                                         |
| Location       | 14701 OLIVE BLVD, CHESTERFIELD, MO, 63017      |
| Ownership type | Non profit - Corporation                       |
| Certified beds | 130                                            |

## § 2 CMS Federal Record

|                                            |                                  |
|--------------------------------------------|----------------------------------|
| Civil money penalties on file              | \$0                              |
| Deficiency citations — current cycle       | 8 ( 700% vs prior 24 months (1)) |
| Deficiency citations — prior 24 months     | 1                                |
| Immediate Jeopardy — current cycle         | 0                                |
| Actual-harm (G+) citations — current cycle | 0                                |
| Special Focus Facility status              | Not listed                       |
| Abuse icon                                 | No                               |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$0                                                   |
| MO state average                  | \$33,481 (this facility is 0.0× the MO average)       |
| National average                  | \$31,239 (this facility is 0.0× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 8 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                                                                                                           | SCOPE/SEV. | SOURCE          |
|-------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|-----------------|
| F726  | Ensure that nurses and nurse aides have the appropriate competencies to care for every resident in a way that maximizes each resident's well being.                                                                                                     | F          | Standard survey |
| F812  | Procure food from sources approved or considered satisfactory and store, prepare, distribute and serve food in accordance with professional standards.                                                                                                  | F          | Standard survey |
| F838  | Conduct and document a facility-wide assessment to determine what resources are necessary to care for residents competently during both day-to-day operations (including nights and weekends) and emergencies.                                          | F          | Standard survey |
| F761  | Ensure drugs and biologicals used in the facility are labeled in accordance with currently accepted professional principles; and all drugs and biologicals must be stored in locked compartments, separately locked, compartments for controlled drugs. | E          | Standard survey |
| F880  | Provide and implement an infection prevention and control program.                                                                                                                                                                                      | E          | Complaint       |
| F554  | Allow residents to self-administer drugs if determined clinically appropriate.                                                                                                                                                                          | D          | Standard survey |
| F602  | Protect each resident from the wrongful use of the resident's belongings or money.                                                                                                                                                                      | D          | Complaint       |
| F760  | Ensure that residents are free from significant medication errors.                                                                                                                                                                                      | D          | Complaint       |

## § 5 Ownership

|                  |                                                                        |
|------------------|------------------------------------------------------------------------|

## § 8 For Your Attorney

---

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
  2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 265414.
  3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash 26efffe5ac94.
  4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).
- 

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
