

# JAMES RIVER NURSING AND REHABILITATION

Report ID: CCN 265664  
Generated: 2026-07-25T14:57:50.750Z

## § 1 Facility Identity

|                |                                               |
|----------------|-----------------------------------------------|
| Facility       | JAMES RIVER NURSING AND REHABILITATION        |
| CCN            | 265664                                        |
| Location       | 3550 EAST BATTLEFIELD, SPRINGFIELD, MO, 65809 |
| Ownership type | For profit - Individual                       |
| Certified beds | 120                                           |

## § 2 CMS Federal Record

|                                            |                                       |
|--------------------------------------------|---------------------------------------|
| Civil money penalties on file              | \$0                                   |
| Deficiency citations — current cycle       | 17 (up from 0 in the prior 24 months) |
| Deficiency citations — prior 24 months     | 0                                     |
| Immediate Jeopardy — current cycle         | 0                                     |
| Actual-harm (G+) citations — current cycle | 0                                     |
| Special Focus Facility status              | Not listed                            |
| Abuse icon                                 | No                                    |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$0                                                   |
| MO state average                  | \$33,481 (this facility is 0.0× the MO average)       |
| National average                  | \$31,239 (this facility is 0.0× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 17 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                                                                                                           | SCOPE/SEV. | SOURCE          |
|-------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|-----------------|
| F812  | Procure food from sources approved or considered satisfactory and store, prepare, distribute and serve food in accordance with professional standards.                                                                                                  | F          | Standard survey |
| F561  | Honor the resident's right to and the facility must promote and facilitate resident self-determination through support of resident choice.                                                                                                              | E          | Complaint       |
| F584  | Honor the resident's right to a safe, clean, comfortable and homelike environment, including but not limited to receiving treatment and supports for daily living safely.                                                                               | E          | Standard survey |
| F761  | Ensure drugs and biologicals used in the facility are labeled in accordance with currently accepted professional principles; and all drugs and biologicals must be stored in locked compartments, separately locked, compartments for controlled drugs. | E          | Standard survey |
| F880  | Provide and implement an infection prevention and control program.                                                                                                                                                                                      | E          | Standard survey |
| F550  | Honor the resident's right to a dignified existence, self-determination, communication, and to exercise his or her rights.                                                                                                                              | E          | Complaint       |
| F561  | Honor the resident's right to and the facility must promote and facilitate resident self-determination through support of resident choice.                                                                                                              | D          | Standard survey |
| F583  | Keep residents' personal and medical records private and confidential.                                                                                                                                                                                  | D          | Standard survey |
| F645  | PASARR screening for Mental disorders or Intellectual Disabilities                                                                                                                                                                                      | D          | Standard survey |
| F677  | Provide care and assistance to perform activities of daily living for any resident who is unable.                                                                                                                                                       | D          | Standard survey |
| F678  | Provide basic life support, including CPR, prior to the arrival of emergency medical personnel , subject to physician orders and the resident's advance directives.                                                                                     | D          | Standard survey |

|      |                                                                                                                                                                                                                                                                                          |   |                 |
|------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---|-----------------|
| F690 | Provide appropriate care for residents who are continent or incontinent of bowel/bladder, appropriate catheter care, and appropriate care to prevent urinary tract infections.                                                                                                           | D | Standard survey |
| F695 | Provide safe and appropriate respiratory care for a resident when needed.                                                                                                                                                                                                                | D | Standard survey |
| F700 | Try different approaches before using a bed rail. If a bed rail is needed, the facility must (1) assess a resident for safety risk; (2) review these risks and benefits with the resident/representative; (3) get informed consent; and (4) Correctly install and maintain the bed rail. | D | Standard survey |
| F759 | Ensure medication error rates are not 5 percent or greater.                                                                                                                                                                                                                              | D | Standard survey |
| F760 | Ensure that residents are free from significant medication errors.                                                                                                                                                                                                                       | D | Standard survey |
| F623 | Provide timely notification to the resident, and if applicable to the resident representative and ombudsman, before transfer or discharge, including appeal rights.                                                                                                                      | B | Standard survey |

## § 5 Ownership & Chain Context

|                                       |                                                                                        |
|---------------------------------------|----------------------------------------------------------------------------------------|
| Ownership record                      | Chain: ANTHONY & BRYAN ADAMS (38 facilities); Owner on file: DVORAK, NORA (individual) |
| Ownership chain                       | ANTHONY & BRYAN ADAMS (38 facilities)                                                  |
| Penalties vs chain average            | \$0 vs \$5,269 (0.0× the chain average)                                                |
| Current deficiencies vs chain average | 17 vs 2.8 (6.0× the chain average)                                                     |

## § 6 CMS Care Compare Star Ratings

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 2 / 5 (state avg 2.5 · US avg 3)   |
| Health inspection     | 3 / 5 (state avg 2.8 · US avg 2.8) |
| Staffing              | 1 / 5 (state avg 2.1 · US avg 2.9) |
| Quality measures (QM) | 4 / 5 (state avg 2.7 · US avg 3.7) |

## § 7 Record Provenance

---

|                          |                                                                                                                                                   |

## § 8 For Your Attorney

---

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
  2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 265664.
  3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash 5dd1805e4125.
  4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).
- 

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
