

# BLUE CIRCLE REHAB AND NURSING

Report ID: CCN 265817  
Generated: 2026-07-23T19:22:23.391Z

## § 1 Facility Identity

|                |                                              |
|----------------|----------------------------------------------|
| Facility       | BLUE CIRCLE REHAB AND NURSING                |
| CCN            | 265817                                       |
| Location       | 2939 MAGAZINE STREET, SAINT LOUIS, MO, 63106 |
| Ownership type | For profit - Limited Liability company       |
| Certified beds | 90                                           |

## § 2 CMS Federal Record

|                                            |                                       |
|--------------------------------------------|---------------------------------------|
| Civil money penalties on file              | \$13,042                              |
| Deficiency citations — current cycle       | 23 (up from 0 in the prior 24 months) |
| Deficiency citations — prior 24 months     | 0                                     |
| Immediate Jeopardy — current cycle         | 0                                     |
| Actual-harm (G+) citations — current cycle | 1                                     |
| Special Focus Facility status              | Not listed                            |
| Abuse icon                                 | No                                    |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$13,042                                              |
| MO state average                  | \$33,481 (this facility is 0.4× the MO average)       |
| National average                  | \$31,239 (this facility is 0.4× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 23 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                                                                                                           | SCOPE/SEV. | SOURCE          |
|-------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|-----------------|
| F692  | Provide enough food/fluids to maintain a resident's health.                                                                                                                                                                                             | G          | Complaint       |
| F770  | Provide timely, quality laboratory services/tests to meet the needs of residents.                                                                                                                                                                       | F          | Standard survey |
| F803  | Ensure menus must meet the nutritional needs of residents, be prepared in advance, be followed, be updated, be reviewed by dietician, and meet the needs of the resident.                                                                               | F          | Standard survey |
| F761  | Ensure drugs and biologicals used in the facility are labeled in accordance with currently accepted professional principles; and all drugs and biologicals must be stored in locked compartments, separately locked, compartments for controlled drugs. | E          | Complaint       |
| F568  | Properly hold, secure, and manage each resident's personal money which is deposited with the nursing home.                                                                                                                                              | E          | Standard survey |
| F755  | Provide pharmaceutical services to meet the needs of each resident and employ or obtain the services of a licensed pharmacist.                                                                                                                          | E          | Standard survey |
| F761  | Ensure drugs and biologicals used in the facility are labeled in accordance with currently accepted professional principles; and all drugs and biologicals must be stored in locked compartments, separately locked, compartments for controlled drugs. | E          | Standard survey |
| F919  | Make sure that a working call system is available in each resident's bathroom and bathing area.                                                                                                                                                         | E          | Standard survey |
| F584  | Honor the resident's right to a safe, clean, comfortable and homelike environment, including but not limited to receiving treatment and supports for daily living safely.                                                                               | E          | Complaint       |
| F677  | Provide care and assistance to perform activities of daily living for any resident who is unable.                                                                                                                                                       | E          | Complaint       |
| F689  | Ensure that a nursing home area is free from accident hazards and provides adequate supervision to                                                                                                                                                      | D          | Complaint       |

prevent accidents.

|      |                                                                                                                                                                                |   |                 |
|------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---|-----------------|
| F561 | Honor the resident's right to and the facility must promote and facilitate resident self-determination through support of resident choice.                                     | D | Standard survey |
| F583 | Keep residents' personal and medical records private and confidential.                                                                                                         | D | Standard survey |
| F622 | Not transfer or discharge a resident without an adequate reason; and must provide documentation and convey specific information when a resident is transferred or discharged.  | D | Standard survey |
| F623 | Provide timely notification to the resident, and if applicable to the resident representative and ombudsman, before transfer or discharge, including appeal rights.            | D | Standard survey |
| F645 | PASARR screening for Mental disorders or Intellectual Disabilities                                                                                                             | D | Standard survey |
| F676 | Ensure residents do not lose the ability to perform activities of daily living unless there is a medical reason.                                                               | D | Standard survey |
| F695 | Provide safe and appropriate respiratory care for a resident when needed.                                                                                                      | D | Standard survey |
| F732 | Post nurse staffing information every day.                                                                                                                                     | D | Standard survey |
| F759 | Ensure medication error rates are not 5 percent or greater.                                                                                                                    | D | Standard survey |
| F684 | Provide appropriate treatment and care according to orders, resident's preferences and goals.                                                                                  | D | Complaint       |
| F690 | Provide appropriate care for residents who are continent or incontinent of bowel/bladder, appropriate catheter care, and appropriate care to prevent urinary tract infections. | D | Complaint       |
| F880 | Provide and implement an infection prevention and control program.                                                                                                             | D | Complaint       |

## § 5 Ownership

|                  |                                                       |
|------------------|-------------------------------------------------------|
| Ownership record | Owner on file: BLUE CIRCLE HOLDING LLC (organization) |

## § 8 For Your Attorney

---

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
  2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 265817.
  3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash e17efd27d156.
  4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).
- 

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
