## § 2 CMS Federal Record

|                                            |                                       |
|--------------------------------------------|---------------------------------------|
| Civil money penalties on file              | \$0                                   |
| Deficiency citations — current cycle       | 11 (up from 0 in the prior 24 months) |
| Deficiency citations — prior 24 months     | 0                                     |
| Immediate Jeopardy — current cycle         | 0                                     |
| Actual-harm (G+) citations — current cycle | 0                                     |
| Special Focus Facility status              | Not listed                            |
| Abuse icon                                 | No                                    |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$0                                                   |
| MO state average                  | \$33,481 (this facility is 0.0× the MO average)       |
| National average                  | \$31,239 (this facility is 0.0× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 11 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                                                                                                           | SCOPE/SEV. | SOURCE          |
|-------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|-----------------|
| F755  | Provide pharmaceutical services to meet the needs of each resident and employ or obtain the services of a licensed pharmacist.                                                                                                                          | E          | Standard survey |
| F761  | Ensure drugs and biologicals used in the facility are labeled in accordance with currently accepted professional principles; and all drugs and biologicals must be stored in locked compartments, separately locked, compartments for controlled drugs. | E          | Standard survey |
| F812  | Procure food from sources approved or considered satisfactory and store, prepare, distribute and serve food in accordance with professional standards.                                                                                                  | E          | Standard survey |
| F554  | Allow residents to self-administer drugs if determined clinically appropriate.                                                                                                                                                                          | D          | Standard survey |
| F684  | Provide appropriate treatment and care according to orders, resident's preferences and goals.                                                                                                                                                           | D          | Standard survey |
| F689  | Ensure that a nursing home area is free from accident hazards and provides adequate supervision to prevent accidents.                                                                                                                                   | D          | Standard survey |
| F695  | Provide safe and appropriate respiratory care for a resident when needed.                                                                                                                                                                               | D          | Standard survey |
| F698  | Provide safe, appropriate dialysis care/services for a resident who requires such services.                                                                                                                                                             | D          | Standard survey |
| F677  | Provide care and assistance to perform activities of daily living for any resident who is unable.                                                                                                                                                       | D          | Complaint       |
| F686  | Provide appropriate pressure ulcer care and prevent new ulcers from developing.                                                                                                                                                                         | D          | Complaint       |
| F574  | The resident has the right to receive notices in a format and a language he or she understands.                                                                                                                                                         | C          | Standard survey |

## § 8 For Your Attorney

---

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
  2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 265849.
  3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash 5c156861a126.
  4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).
- 

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
