|                |                                    |
|----------------|------------------------------------|
| Facility       | WIBAUX COUNTY NURSING HOME         |
| CCN            | 275079                             |
| Location       | 712 WIBAUX ST S, WIBAUX, MT, 59353 |
| Ownership type | Non profit - Corporation           |
| Certified beds | 40                                 |

## § 2 CMS Federal Record

|                                            |                                       |
|--------------------------------------------|---------------------------------------|
| Civil money penalties on file              | \$16,985                              |
| Deficiency citations — current cycle       | 16 ( 433% vs prior 24 months (3))     |
| Deficiency citations — prior 24 months     | 3                                     |
| Immediate Jeopardy — current cycle         | 1                                     |
| Actual-harm (G+) citations — current cycle | 1                                     |
| Special Focus Facility status              | Not listed                            |
| Abuse icon                                 | Yes — CMS abuse icon currently listed |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$16,985                                              |
| MT state average                  | \$54,689 (this facility is 0.3× the MT average)       |
| National average                  | \$31,239 (this facility is 0.5× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 16 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                            | SCOPE/SEV.                    | SOURCE          |
|-------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------|-----------------|
| F689  | Ensure that a nursing home area is free from accident hazards and provides adequate supervision to prevent accidents.                                                    | <b>J • Immediate Jeopardy</b> | Complaint       |
| F600  | Protect each resident from all types of abuse such as physical, mental, sexual abuse, physical punishment, and neglect by anybody.                                       | G                             | Complaint       |
| F726  | Ensure that nurses and nurse aides have the appropriate competencies to care for every resident in a way that maximizes each resident's well being.                      | F                             | Complaint       |
| F835  | Administer the facility in a manner that enables it to use its resources effectively and efficiently.                                                                    | F                             | Complaint       |
| F801  | Employ sufficient staff with the appropriate competencies and skills sets to carry out the functions of the food and nutrition service, including a qualified dietician. | F                             | Standard survey |
| F609  | Timely report suspected abuse, neglect, or theft and report the results of the investigation to proper authorities.                                                      | E                             | Complaint       |
| F658  | Ensure services provided by the nursing facility meet professional standards of quality.                                                                                 | E                             | Complaint       |
| F689  | Ensure that a nursing home area is free from accident hazards and provides adequate supervision to prevent accidents.                                                    | E                             | Complaint       |
| F842  | Safeguard resident-identifiable information and/or maintain medical records on each resident that are in accordance with accepted professional standards.                | E                             | Complaint       |
| F684  | Provide appropriate treatment and care according to orders, resident's preferences and goals.                                                                            | D                             | Complaint       |
| F644  | Coordinate assessments with the pre-admission screening and resident review program; and referring for services as needed.                                               | D                             | Standard survey |
| F660  | Plan the resident's discharge to meet the resident's goals and needs.                                                                                                    | D                             | Standard survey |

|      |                                                                                                                                                                                                                                                                                          |   |                 |
|------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---|-----------------|
| F679 | Provide activities to meet all resident's needs.                                                                                                                                                                                                                                         | D | Standard survey |
| F700 | Try different approaches before using a bed rail. If a bed rail is needed, the facility must (1) assess a resident for safety risk; (2) review these risks and benefits with the resident/representative; (3) get informed consent; and (4) Correctly install and maintain the bed rail. | D | Standard survey |
| F655 | Create and put into place a plan for meeting the resident's most immediate needs within 48 hours of being admitted                                                                                                                                                                       | D | Complaint       |
| F656 | Develop and implement a complete care plan that meets all the resident's needs, with timetables and actions that can be measured.                                                                                                                                                        | D | Complaint       |

## § 5 Ownership

|                  |                                                |
|------------------|------------------------------------------------|

## § 8 For Your Attorney

---

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 275079.
3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash 1df1ff844419.
4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).

---

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
