

# LOPATCONG CENTER

Report ID: CCN 315202  
Generated: 2026-07-23T14:58:47.266Z

## § 1 Facility Identity

|                |                                              |
|----------------|----------------------------------------------|
| Facility       | LOPATCONG CENTER                             |
| CCN            | 315202                                       |
| Location       | 390 RED SCHOOL LANE, PHILLIPSBURG, NJ, 08865 |
| Ownership type | For profit - Limited Liability company       |
| Certified beds | 153                                          |

## § 2 CMS Federal Record

|                                            |                                      |
|--------------------------------------------|--------------------------------------|
| Civil money penalties on file              | \$0                                  |
| Deficiency citations — current cycle       | 7 (up from 0 in the prior 24 months) |
| Deficiency citations — prior 24 months     | 0                                    |
| Immediate Jeopardy — current cycle         | 0                                    |
| Actual-harm (G+) citations — current cycle | 0                                    |
| Special Focus Facility status              | Not listed                           |
| Abuse icon                                 | No                                   |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$0                                                   |
| NJ state average                  | \$36,527 (this facility is 0.0× the NJ average)       |
| National average                  | \$31,239 (this facility is 0.0× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 7 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                                                                                                                                | SCOPE/SEV. | SOURCE          |
|-------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|-----------------|
| F809  | Ensure meals and snacks are served at times in accordance with resident's needs, preferences, and requests. Suitable and nourishing alternative meals and snacks must be provided for residents who want to eat at non-traditional times or outside of scheduled meal times. | F          | Standard survey |
| F919  | Make sure that a working call system is available in each resident's bathroom and bathing area.                                                                                                                                                                              | F          | Standard survey |
| F552  | Ensure that residents are fully informed and understand their health status, care and treatments.                                                                                                                                                                            | E          | Standard survey |
| F695  | Provide safe and appropriate respiratory care for a resident when needed.                                                                                                                                                                                                    | E          | Standard survey |
| F641  | Ensure each resident receives an accurate assessment.                                                                                                                                                                                                                        | D          | Standard survey |
| F656  | Develop and implement a complete care plan that meets all the resident's needs, with timetables and actions that can be measured.                                                                                                                                            | D          | Standard survey |
| F880  | Provide and implement an infection prevention and control program.                                                                                                                                                                                                           | D          | Standard survey |

## § 5 Ownership & Chain Context

|                                       |                                                                                                     |
|---------------------------------------|-----------------------------------------------------------------------------------------------------|
| Ownership record                      | Chain: GENESIS HEALTHCARE (187 facilities); Owner on file: GENESIS OPERATIONS IV LLC (organization) |
| Ownership chain                       | GENESIS HEALTHCARE (187 facilities)                                                                 |
| Penalties vs chain average            | \$0 vs \$45,582 (0.0× the chain average)                                                            |
| Current deficiencies vs chain average | 7 vs 14.8 (0.5× the chain average)                                                                  |

## § 6 CMS Care Compare Star Ratings

---

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 3 / 5 (state avg 3.4 · US avg 3)   |
| Health inspection     | 2 / 5 (state avg 2.8 · US avg 2.8) |
| Staffing              | 2 / 5 (state avg 3.1 · US avg 2.9) |
| Quality measures (QM) | 5 / 5 (state avg 4.5 · US avg 3.7) |

## § 8 For Your Attorney

---

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
  2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 315202.
  3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash cfd11bea6b84.
  4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).
- 

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
