

# CAREONE AT PARSIPPANY

Report ID: CCN 315468  
Generated: 2026-07-23T17:38:54.915Z

## § 1 Facility Identity

|                |                                                      |
|----------------|------------------------------------------------------|
| Facility       | CAREONE AT PARSIPPANY                                |
| CCN            | 315468                                               |
| Location       | 100 MAZDABROOK ROAD, PARSIPPANY TROY HILL, NJ, 07054 |
| Ownership type | For profit - Corporation                             |
| Certified beds | 118                                                  |

## § 2 CMS Federal Record

|                                            |                                   |
|--------------------------------------------|-----------------------------------|
| Civil money penalties on file              | \$0                               |
| Deficiency citations — current cycle       | 11 ( 120% vs prior 24 months (5)) |
| Deficiency citations — prior 24 months     | 5                                 |
| Immediate Jeopardy — current cycle         | 0                                 |
| Actual-harm (G+) citations — current cycle | 0                                 |
| Special Focus Facility status              | Not listed                        |
| Abuse icon                                 | No                                |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$0                                                   |
| NJ state average                  | \$36,527 (this facility is 0.0× the NJ average)       |
| National average                  | \$31,239 (this facility is 0.0× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 11 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                                                                                                           | SCOPE/SEV. | SOURCE          |
|-------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|-----------------|
| F684  | Provide appropriate treatment and care according to orders, resident's preferences and goals.                                                                                                                                                           | D          | Complaint       |
| F550  | Honor the resident's right to a dignified existence, self-determination, communication, and to exercise his or her rights.                                                                                                                              | D          | Standard survey |
| F558  | Reasonably accommodate the needs and preferences of each resident.                                                                                                                                                                                      | D          | Standard survey |
| F582  | Give residents notice of Medicaid/Medicare coverage and potential liability for services not covered.                                                                                                                                                   | D          | Standard survey |
| F657  | Develop the complete care plan within 7 days of the comprehensive assessment; and prepared, reviewed, and revised by a team of health professionals.                                                                                                    | D          | Standard survey |
| F732  | Post nurse staffing information every day.                                                                                                                                                                                                              | D          | Standard survey |
| F757  | Ensure each resident's drug regimen must be free from unnecessary drugs.                                                                                                                                                                                | D          | Standard survey |
| F761  | Ensure drugs and biologicals used in the facility are labeled in accordance with currently accepted professional principles; and all drugs and biologicals must be stored in locked compartments, separately locked, compartments for controlled drugs. | D          | Standard survey |
| F838  | Conduct and document a facility-wide assessment to determine what resources are necessary to care for residents competently during both day-to-day operations (including nights and weekends) and emergencies.                                          | D          | Standard survey |
| F842  | Safeguard resident-identifiable information and/or maintain medical records on each resident that are in accordance with accepted professional standards.                                                                                               | D          | Standard survey |
| F628  | Provide the required documentation or notification related to the resident's needs, appeal rights, or bed-hold policies.                                                                                                                                | D          | Complaint       |

## § 5 Ownership & Chain Context

|                                       |                                                                            |
|---------------------------------------|----------------------------------------------------------------------------|
| Ownership record                      | Chain: CAREONE (37 facilities); Owner on file: CARE ONE LLC (organization) |
| Ownership chain                       | CAREONE (37 facilities)                                                    |
| Penalties vs chain average            | \$0 vs \$15,206 (0.0× the chain average)                                   |
| Current deficiencies vs chain average | 11 vs 8.9 (1.2× the chain average)                                         |

## § 6 CMS Care Compare Star Ratings

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 4 / 5 (state avg 3.4 · US avg 3)   |
| Health inspection     | 3 / 5 (state avg 2.8 · US avg 2.8) |
| Staffing              | 3 / 5 (state avg 3.1 · US avg 2.9) |
| Quality measures (QM) | 5 / 5 (state avg 4.5 · US avg 3.7) |

## § 7 Record Provenance

|                          |                                                                                                                                                   |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|
| CMS data as of           | Jun 2026                                                                                                                                          |

## § 8 For Your Attorney

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 315468.
3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash e499a20bfb30.
4. Deficiency F-tags cited above are searchable in CMS QCOR (qcor.cms.gov).

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
