

# Sandia Ridge Center

Report ID: CCN 325032  
Generated: 2026-07-25T18:00:04.634Z

## § 1 Facility Identity

|                |                                              |
|----------------|----------------------------------------------|
| Facility       | Sandia Ridge Center                          |
| CCN            | 325032                                       |
| Location       | 2216 Lester Drive NE, Albuquerque, NM, 87112 |
| Ownership type | For profit - Corporation                     |
| Certified beds | 140                                          |

## § 2 CMS Federal Record

|                                            |                                   |
|--------------------------------------------|-----------------------------------|
| Civil money penalties on file              | \$114,001                         |
| Deficiency citations — current cycle       | 20 ( 186% vs prior 24 months (7)) |
| Deficiency citations — prior 24 months     | 7                                 |
| Immediate Jeopardy — current cycle         | 3                                 |
| Actual-harm (G+) citations — current cycle | 0                                 |
| Special Focus Facility status              | SFF candidate                     |
| Abuse icon                                 | No                                |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$114,001                                             |
| NM state average                  | \$42,745 (this facility is 2.7× the NM average)       |
| National average                  | \$31,239 (this facility is 3.6× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 20 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                                                                                                           | SCOPE/SEV.                    | SOURCE          |
|-------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------|-----------------|
| F580  | Immediately tell the resident, the resident's doctor, and a family member of situations (injury/decline/room, etc.) that affect the resident.                                                                                                           | <b>L · Immediate Jeopardy</b> | Standard survey |
| F610  | Respond appropriately to all alleged violations.                                                                                                                                                                                                        | <b>L · Immediate Jeopardy</b> | Standard survey |
| F684  | Provide appropriate treatment and care according to orders, resident's preferences and goals.                                                                                                                                                           | <b>L · Immediate Jeopardy</b> | Standard survey |
| F761  | Ensure drugs and biologicals used in the facility are labeled in accordance with currently accepted professional principles; and all drugs and biologicals must be stored in locked compartments, separately locked, compartments for controlled drugs. | F                             | Complaint       |
| F842  | Safeguard resident-identifiable information and/or maintain medical records on each resident that are in accordance with accepted professional standards.                                                                                               | F                             | Complaint       |
| F804  | Ensure food and drink is palatable, attractive, and at a safe and appetizing temperature.                                                                                                                                                               | F                             | Complaint       |
| F558  | Reasonably accommodate the needs and preferences of each resident.                                                                                                                                                                                      | E                             | Complaint       |
| F584  | Honor the resident's right to a safe, clean, comfortable and homelike environment, including but not limited to receiving treatment and supports for daily living safely.                                                                               | E                             | Complaint       |
| F880  | Provide and implement an infection prevention and control program.                                                                                                                                                                                      | E                             | Complaint       |
| F677  | Provide care and assistance to perform activities of daily living for any resident who is unable.                                                                                                                                                       | E                             | Complaint       |
| F635  | Provide doctor's orders for the resident's immediate care at the time the resident was admitted.                                                                                                                                                        | D                             | Complaint       |
| F655  | Create and put into place a plan for meeting the resident's most immediate needs within 48 hours of being admitted                                                                                                                                      | D                             | Complaint       |

|      |                                                                                                                                                        |   |                 |
|------|--------------------------------------------------------------------------------------------------------------------------------------------------------|---|-----------------|
| F658 | Ensure services provided by the nursing facility meet professional standards of quality.                                                               | D | Complaint       |
| F677 | Provide care and assistance to perform activities of daily living for any resident who is unable.                                                      | D | Complaint       |
| F812 | Procure food from sources approved or considered satisfactory and store, prepare, distribute and serve food in accordance with professional standards. | D | Complaint       |
| F679 | Provide activities to meet all resident's needs.                                                                                                       | D | Standard survey |
| F692 | Provide enough food/fluids to maintain a resident's health.                                                                                            | D | Standard survey |
| F697 | Provide safe, appropriate pain management for a resident who requires such services.                                                                   | D | Standard survey |
| F726 | Ensure that nurses and nurse aides have the appropriate competencies to care for every resident in a way that maximizes each resident's well being.    | D | Standard survey |
| F760 | Ensure that residents are free from significant medication errors.                                                                                     | D | Standard survey |

## § 5 Ownership & Chain Context

|                                       |                                                                                           |
|---------------------------------------|-------------------------------------------------------------------------------------------|
| Ownership record                      | Chain: GENESIS HEALTHCARE (187 facilities); Owner on file: SUMMIT CARE LLC (organization) |
| Ownership chain                       | GENESIS HEALTHCARE (187 facilities)                                                       |
| Penalties vs chain average            | \$114,001 vs \$45,582 (2.5× the chain average)                                            |
| Current deficiencies vs chain average | 20 vs 14.8 (1.3× the chain average)                                                       |

## § 6 CMS Care Compare Star Ratings

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 1 / 5 (state avg 2.9 · US avg 3)   |
| Health inspection     | 1 / 5 (state avg 2.7 · US avg 2.8) |
| Staffing              | 3 / 5 (state avg 2.8 · US avg 2.9) |
| Quality measures (QM) | 1 / 5 (state avg 3.9 · US avg 3.7) |

## § 7 Record Provenance

---

## § 8 For Your Attorney

---

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
  2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 325032.
  3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash 719058937923.
  4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).
- 

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
