

# Clovis Healthcare and Rehabilitation Center

Report ID: CCN 325077  
Generated: 2026-07-23T16:13:28.324Z

## § 1 Facility Identity

|                |                                             |
|----------------|---------------------------------------------|
| Facility       | Clovis Healthcare and Rehabilitation Center |
| CCN            | 325077                                      |
| Location       | 1201 North Norris Street, Clovis, NM, 88101 |
| Ownership type | For profit - Corporation                    |
| Certified beds | 90                                          |

## § 2 CMS Federal Record

|                                            |                                   |
|--------------------------------------------|-----------------------------------|
| Civil money penalties on file              | \$81,641                          |
| Deficiency citations — current cycle       | 20 ( 300% vs prior 24 months (5)) |
| Deficiency citations — prior 24 months     | 5                                 |
| Immediate Jeopardy — current cycle         | 0                                 |
| Actual-harm (G+) citations — current cycle | 0                                 |
| Special Focus Facility status              | Not listed                        |
| Abuse icon                                 | No                                |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$81,641                                              |
| NM state average                  | \$42,745 (this facility is 1.9× the NM average)       |
| National average                  | \$31,239 (this facility is 2.6× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 20 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                                                                                                                                            | SCOPE/SEV. | SOURCE          |
|-------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|-----------------|
| F732  | Post nurse staffing information every day.                                                                                                                                                                                                                                               | F          | Standard survey |
| F761  | Ensure drugs and biologicals used in the facility are labeled in accordance with currently accepted professional principles; and all drugs and biologicals must be stored in locked compartments, separately locked, compartments for controlled drugs.                                  | F          | Standard survey |
| F812  | Procure food from sources approved or considered satisfactory and store, prepare, distribute and serve food in accordance with professional standards.                                                                                                                                   | F          | Standard survey |
| F880  | Provide and implement an infection prevention and control program.                                                                                                                                                                                                                       | F          | Standard survey |
| F921  | Make sure that the nursing home area is safe, easy to use, clean and comfortable for residents, staff and the public.                                                                                                                                                                    | F          | Standard survey |
| F552  | Ensure that residents are fully informed and understand their health status, care and treatments.                                                                                                                                                                                        | E          | Standard survey |
| F605  | Prevent the use of unnecessary psychotropic medications or use medications that may restrain a resident's ability to function.                                                                                                                                                           | E          | Standard survey |
| F657  | Develop the complete care plan within 7 days of the comprehensive assessment; and prepared, reviewed, and revised by a team of health professionals.                                                                                                                                     | E          | Standard survey |
| F700  | Try different approaches before using a bed rail. If a bed rail is needed, the facility must (1) assess a resident for safety risk; (2) review these risks and benefits with the resident/representative; (3) get informed consent; and (4) Correctly install and maintain the bed rail. | E          | Standard survey |
| F757  | Ensure each resident's drug regimen must be free from unnecessary drugs.                                                                                                                                                                                                                 | E          | Standard survey |
| F887  | Educate residents and staff on COVID-19 vaccination, offer the COVID-19 vaccine to eligible residents and                                                                                                                                                                                | E          | Standard survey |

staff after education, and properly document each resident and staff member's vaccination status.

|      |                                                                                                                                                                                |   |                 |
|------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---|-----------------|
| F609 | Timely report suspected abuse, neglect, or theft and report the results of the investigation to proper authorities.                                                            | D | Standard survey |
| F636 | Assess the resident completely in a timely manner when first admitted, and then periodically, at least every 12 months.                                                        | D | Standard survey |
| F655 | Create and put into place a plan for meeting the resident's most immediate needs within 48 hours of being admitted                                                             | D | Standard survey |
| F656 | Develop and implement a complete care plan that meets all the resident's needs, with timetables and actions that can be measured.                                              | D | Standard survey |
| F677 | Provide care and assistance to perform activities of daily living for any resident who is unable.                                                                              | D | Standard survey |
| F690 | Provide appropriate care for residents who are continent or incontinent of bowel/bladder, appropriate catheter care, and appropriate care to prevent urinary tract infections. | D | Standard survey |
| F725 | Provide enough nursing staff every day to meet the needs of every resident; and have a licensed nurse in charge on each shift.                                                 | D | Standard survey |
| F842 | Safeguard resident-identifiable information and/or maintain medical records on each resident that are in accordance with accepted professional standards.                      | D | Standard survey |
| F947 | Ensure nurse aides have the skills they need to care for residents, and give nurse aides education in dementia care and abuse prevention.                                      | D | Standard survey |

## § 5 Ownership & Chain Context

|                                       |                                                                                           |
|---------------------------------------|-------------------------------------------------------------------------------------------|
| Ownership record                      | Chain: GENESIS HEALTHCARE (187 facilities); Owner on file: SUMMIT CARE LLC (organization) |
| Ownership chain                       | GENESIS HEALTHCARE (187 facilities)                                                       |
| Penalties vs chain average            | \$81,641 vs \$45,582 (1.8× the chain average)                                             |
| Current deficiencies vs chain average | 20 vs 14.8 (1.3× the chain average)                                                       |

## § 6 CMS Care Compare Star Ratings

---

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 1 / 5 (state avg 2.9 · US avg 3)   |
| Health inspection     | 1 / 5 (state avg 2.7 · US avg 2.8) |
| Staffing              | 2 / 5 (state avg 2.8 · US avg 2.9) |
| Quality measures (QM) | 4 / 5 (state avg 3.9 · US avg 3.7) |

## § 8 For Your Attorney

---

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
  2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 325077.
  3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash 0fd8949d5f49.
  4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).
- 

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
