## § 2 CMS Federal Record

|                                            |                                  |
|--------------------------------------------|----------------------------------|
| Civil money penalties on file              | \$0                              |
| Deficiency citations — current cycle       | 9 ( 350% vs prior 24 months (2)) |
| Deficiency citations — prior 24 months     | 2                                |
| Immediate Jeopardy — current cycle         | 0                                |
| Actual-harm (G+) citations — current cycle | 0                                |
| Special Focus Facility status              | Not listed                       |
| Abuse icon                                 | No                               |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$0                                                   |
| NY state average                  | \$23,784 (this facility is 0.0× the NY average)       |
| National average                  | \$31,239 (this facility is 0.0× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 9 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                             | SCOPE/SEV. | SOURCE          |
|-------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|-----------------|
| F584  | Honor the resident's right to a safe, clean, comfortable and homelike environment, including but not limited to receiving treatment and supports for daily living safely. | F          | Complaint       |
| F868  | Have the Quality Assessment and Assurance group have the required members and meet at least quarterly                                                                     | E          | Standard survey |
| F880  | Provide and implement an infection prevention and control program.                                                                                                        | E          | Standard survey |
| F684  | Provide appropriate treatment and care according to orders, resident's preferences and goals.                                                                             | D          | Complaint       |
| F658  | Ensure services provided by the nursing facility meet professional standards of quality.                                                                                  | D          | Standard survey |
| F686  | Provide appropriate pressure ulcer care and prevent new ulcers from developing.                                                                                           | D          | Standard survey |
| F814  | Dispose of garbage and refuse properly.                                                                                                                                   | D          | Standard survey |
| F842  | Safeguard resident-identifiable information and/or maintain medical records on each resident that are in accordance with accepted professional standards.                 | D          | Standard survey |
| F732  | Post nurse staffing information every day.                                                                                                                                | C          | Standard survey |

## § 5 Ownership & Chain Context

|                                       |                                                                              |
|---------------------------------------|------------------------------------------------------------------------------|
| Ownership record                      | Chain: ALLURE GROUP (6 facilities); Owner on file: LANDAU, JOEL (individual) |
| Ownership chain                       | ALLURE GROUP (6 facilities)                                                  |
| Penalties vs chain average            | \$0 vs \$0                                                                   |
| Current deficiencies vs chain average | 9 vs 7.8 (1.1× the chain average)                                            |

## § 6 CMS Care Compare Star Ratings

---

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 3 / 5 (state avg 3 · US avg 3)     |
| Health inspection     | 2 / 5 (state avg 2.7 · US avg 2.8) |
| Staffing              | 3 / 5 (state avg 2.7 · US avg 2.9) |
| Quality measures (QM) | 5 / 5 (state avg 3.9 · US avg 3.7) |

---

## § 7 Record Provenance

---

|                          |                                                                                                                                                   |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|

## § 8 For Your Attorney

---

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
  2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 335522.
  3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash 65613dd7d6da.
  4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).
- 

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
