|----------------|-------------------------------------------|
| Facility       | FOX RUN AT ORCHARD PARK                   |
| CCN            | 335854                                    |
| Location       | ONE FOX RUN LANE, ORCHARD PARK, NY, 14127 |
| Ownership type | For profit - Corporation                  |
| Certified beds | 60                                        |

## § 2 CMS Federal Record

|                                            |                                      |
|--------------------------------------------|--------------------------------------|
| Civil money penalties on file              | \$0                                  |
| Deficiency citations — current cycle       | 1 (up from 0 in the prior 24 months) |
| Deficiency citations — prior 24 months     | 0                                    |
| Immediate Jeopardy — current cycle         | 0                                    |
| Actual-harm (G+) citations — current cycle | 0                                    |
| Special Focus Facility status              | Not listed                           |
| Abuse icon                                 | No                                   |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$0                                                   |
| NY state average                  | \$23,784 (this facility is 0.0× the NY average)       |
| National average                  | \$31,239 (this facility is 0.0× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 1 federal deficiency citation (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                                                                                                                                                  | SCOPE/SEV. | SOURCE          |
|-------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|-----------------|
| F758  | Implement gradual dose reductions(GDR) and non-pharmacological interventions, unless contraindicated, prior to initiating or instead of continuing psychotropic medication; and PRN orders for psychotropic medications are only used when the medication is necessary and PRN use is limited. | D          | Standard survey |

## § 5 Ownership

|                  |                                          |
|------------------|------------------------------------------|
| Ownership record | Owner on file: CLARK, CRAIG (individual) |
|------------------|------------------------------------------|

## § 6 CMS Care Compare Star Ratings

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 5 / 5 (state avg 3 · US avg 3)     |
| Health inspection     | 5 / 5 (state avg 2.7 · US avg 2.8) |
| Staffing              | 5 / 5 (state avg 2.7 · US avg 2.9) |
| Quality measures (QM) | 3 / 5 (state avg 3.9 · US avg 3.7) |

## § 7 Record Provenance

|                          |                                                                                                                                                   |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|
| CMS data as of           | Jun 2026                                                                                                                                          |

## § 8 For Your Attorney

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 335854.
3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash 4aaeae13506f.
4. Deficiency F-tags cited above are searchable in CMS QCOR (qcor.cms.gov).

---

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
