## § 2 CMS Federal Record

|                                            |                                  |
|--------------------------------------------|----------------------------------|
| Civil money penalties on file              | \$45,102                         |
| Deficiency citations — current cycle       | 7 ( 133% vs prior 24 months (3)) |
| Deficiency citations — prior 24 months     | 3                                |
| Immediate Jeopardy — current cycle         | 0                                |
| Actual-harm (G+) citations — current cycle | 0                                |
| Special Focus Facility status              | Not listed                       |
| Abuse icon                                 | No                               |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$45,102                                              |
| NC state average                  | \$38,899 (this facility is 1.2× the NC average)       |
| National average                  | \$31,239 (this facility is 1.4× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 7 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                                                                                                           | SCOPE/SEV. | SOURCE          |
|-------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|-----------------|
| F641  | Ensure each resident receives an accurate assessment.                                                                                                                                                                                                   | D          | Complaint       |
| F698  | Provide safe, appropriate dialysis care/services for a resident who requires such services.                                                                                                                                                             | D          | Complaint       |
| F582  | Give residents notice of Medicaid/Medicare coverage and potential liability for services not covered.                                                                                                                                                   | D          | Standard survey |
| F641  | Ensure each resident receives an accurate assessment.                                                                                                                                                                                                   | D          | Standard survey |
| F761  | Ensure drugs and biologicals used in the facility are labeled in accordance with currently accepted professional principles; and all drugs and biologicals must be stored in locked compartments, separately locked, compartments for controlled drugs. | D          | Standard survey |
| F558  | Reasonably accommodate the needs and preferences of each resident.                                                                                                                                                                                      | D          | Complaint       |
| F584  | Honor the resident's right to a safe, clean, comfortable and homelike environment, including but not limited to receiving treatment and supports for daily living safely.                                                                               | D          | Complaint       |

## § 5 Ownership & Chain Context

|                                       |                                                                                                                                                     |
|---------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|
| Ownership record                      | Chain: CARROLTON NURSING HOMES (6 facilities); Owner on file: C. SAUNDERS ROBERSON, JR., AS TRUSTEE OF THE JUDITH ROBERSON DIXON IRR (organization) |
| Ownership chain                       | CARROLTON NURSING HOMES (6 facilities)                                                                                                              |
| Penalties vs chain average            | \$45,102 vs \$16,664 (2.7× the chain average)                                                                                                       |
| Current deficiencies vs chain average | 7 vs 6.8 (1.0× the chain average)                                                                                                                   |

## § 6 CMS Care Compare Star Ratings

---

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 2 / 5 (state avg 2.9 · US avg 3)   |
| Health inspection     | 2 / 5 (state avg 2.9 · US avg 2.8) |
| Staffing              | 2 / 5 (state avg 2.7 · US avg 2.9) |
| Quality measures (QM) | 3 / 5 (state avg 3.3 · US avg 3.7) |

## § 8 For Your Attorney

---

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
  2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 345145.
  3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash 261c6d141f91.
  4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).
- 

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
