|                |                                             |
|----------------|---------------------------------------------|
| Facility       | Cabarrus Health and Rehabilitation Center   |
| CCN            | 345183                                      |
| Location       | 430 Brookwood Avenue NE, Concord, NC, 28025 |
| Ownership type | For profit - Corporation                    |
| Certified beds | 120                                         |

## § 2 CMS Federal Record

|                                            |                                    |
|--------------------------------------------|------------------------------------|
| Civil money penalties on file              | \$138,723                          |
| Deficiency citations — current cycle       | 21 ( 110% vs prior 24 months (10)) |
| Deficiency citations — prior 24 months     | 10                                 |
| Immediate Jeopardy — current cycle         | 1                                  |
| Actual-harm (G+) citations — current cycle | 3                                  |
| Special Focus Facility status              | SFF candidate                      |
| Abuse icon                                 | No                                 |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$138,723                                             |
| NC state average                  | \$38,899 (this facility is 3.6× the NC average)       |
| National average                  | \$31,239 (this facility is 4.4× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 21 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                                                                                                           | SCOPE/SEV.                    | SOURCE          |
|-------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------|-----------------|
| F689  | Ensure that a nursing home area is free from accident hazards and provides adequate supervision to prevent accidents.                                                                                                                                   | <b>J • Immediate Jeopardy</b> | Complaint       |
| F777  | Provide or obtain x-rays/tests when ordered and promptly tell the ordering practitioner of the results.                                                                                                                                                 | G                             | Standard survey |
| F684  | Provide appropriate treatment and care according to orders, resident's preferences and goals.                                                                                                                                                           | G                             | Complaint       |
| F689  | Ensure that a nursing home area is free from accident hazards and provides adequate supervision to prevent accidents.                                                                                                                                   | G                             | Complaint       |
| F812  | Procure food from sources approved or considered satisfactory and store, prepare, distribute and serve food in accordance with professional standards.                                                                                                  | F                             | Standard survey |
| F761  | Ensure drugs and biologicals used in the facility are labeled in accordance with currently accepted professional principles; and all drugs and biologicals must be stored in locked compartments, separately locked, compartments for controlled drugs. | E                             | Standard survey |
| F925  | Make sure there is a pest control program to prevent/deal with mice, insects, or other pests.                                                                                                                                                           | E                             | Complaint       |
| F756  | Ensure a licensed pharmacist perform a monthly drug regimen review, including the medical chart, following irregularity reporting guidelines in developed policies and procedures.                                                                      | D                             | Complaint       |
| F757  | Ensure each resident's drug regimen must be free from unnecessary drugs.                                                                                                                                                                                | D                             | Complaint       |
| F687  | Provide appropriate foot care.                                                                                                                                                                                                                          | D                             | Complaint       |
| F693  | Ensure that feeding tubes are not used unless there is a medical reason and the resident agrees; and provide appropriate care for a resident with a feeding tube.                                                                                       | D                             | Complaint       |
| F553  | Allow resident to participate in the development and implementation of his or her person-centered plan of                                                                                                                                               | D                             | Standard survey |

care.

|      |                                                                                                                                                                                     |   |                 |
|------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---|-----------------|
| F585 | Honor the resident's right to voice grievances without discrimination or reprisal and the facility must establish a grievance policy and make prompt efforts to resolve grievances. | D | Standard survey |
| F641 | Ensure each resident receives an accurate assessment.                                                                                                                               | D | Standard survey |
| F697 | Provide safe, appropriate pain management for a resident who requires such services.                                                                                                | D | Standard survey |
| F677 | Provide care and assistance to perform activities of daily living for any resident who is unable.                                                                                   | D | Complaint       |
| F690 | Provide appropriate care for residents who are continent or incontinent of bowel/bladder, appropriate catheter care, and appropriate care to prevent urinary tract infections.      | D | Complaint       |
| F693 | Ensure that feeding tubes are not used unless there is a medical reason and the resident agrees; and provide appropriate care for a resident with a feeding tube.                   | D | Complaint       |
| F806 | Ensure each resident receives and the facility provides food that accommodates resident allergies, intolerances, and preferences, as well as appealing options.                     | D | Complaint       |
| F842 | Safeguard resident-identifiable information and/or maintain medical records on each resident that are in accordance with accepted professional standards.                           | D | Complaint       |
| F640 | Encode each resident's assessment data and transmit these data to the State within 7 days of assessment.                                                                            | B | Standard survey |

## § 5 Ownership & Chain Context

|                                       |                                                                                    |
|---------------------------------------|------------------------------------------------------------------------------------|
| Ownership record                      | Chain: LIFEWORKS REHAB (66 facilities); Owner on file: BEAVER, DONALD (individual) |
| Ownership chain                       | LIFEWORKS REHAB (66 facilities)                                                    |
| Penalties vs chain average            | \$138,723 vs \$73,733 (1.9× the chain average)                                     |
| Current deficiencies vs chain average | 21 vs 18.5 (1.1× the chain average)                                                |

## § 6 CMS Care Compare Star Ratings

---

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 1 / 5 (state avg 2.9 · US avg 3)   |
| Health inspection     | 1 / 5 (state avg 2.9 · US avg 2.8) |
| Staffing              | 1 / 5 (state avg 2.7 · US avg 2.9) |
| Quality measures (QM) | 2 / 5 (state avg 3.3 · US avg 3.7) |

## § 8 For Your Attorney

---

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
  2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 345183.
  3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash ee51b860aed5.
  4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).
- 

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
