

# River Trace Nursing and Rehabilitation Center

Report ID: CCN 345215  
Generated: 2026-07-23T19:10:59.959Z

## § 1 Facility Identity

|                |                                               |
|----------------|-----------------------------------------------|
| Facility       | River Trace Nursing and Rehabilitation Center |
| CCN            | 345215                                        |
| Location       | 250 Lovers Lane, Washington, NC, 27889        |
| Ownership type | For profit - Corporation                      |
| Certified beds | 140                                           |

## § 2 CMS Federal Record

|                                            |                                   |
|--------------------------------------------|-----------------------------------|
| Civil money penalties on file              | \$32,991                          |
| Deficiency citations — current cycle       | 12 ( 200% vs prior 24 months (4)) |
| Deficiency citations — prior 24 months     | 4                                 |
| Immediate Jeopardy — current cycle         | 3                                 |
| Actual-harm (G+) citations — current cycle | 0                                 |
| Special Focus Facility status              | Not listed                        |
| Abuse icon                                 | No                                |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$32,991                                              |
| NC state average                  | \$38,899 (this facility is 0.8× the NC average)       |
| National average                  | \$31,239 (this facility is 1.1× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 12 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                                            | SCOPE/SEV.                    | SOURCE          |
|-------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------|-----------------|
| F689  | Ensure that a nursing home area is free from accident hazards and provides adequate supervision to prevent accidents.                                                                    | <b>J • Immediate Jeopardy</b> | Complaint       |
| F726  | Ensure that nurses and nurse aides have the appropriate competencies to care for every resident in a way that maximizes each resident's well being.                                      | <b>J • Immediate Jeopardy</b> | Standard survey |
| F880  | Provide and implement an infection prevention and control program.                                                                                                                       | <b>J • Immediate Jeopardy</b> | Standard survey |
| F755  | Provide pharmaceutical services to meet the needs of each resident and employ or obtain the services of a licensed pharmacist.                                                           | E                             | Standard survey |
| F812  | Procure food from sources approved or considered satisfactory and store, prepare, distribute and serve food in accordance with professional standards.                                   | E                             | Standard survey |
| F602  | Protect each resident from the wrongful use of the resident's belongings or money.                                                                                                       | E                             | Complaint       |
| F554  | Allow residents to self-administer drugs if determined clinically appropriate.                                                                                                           | D                             | Standard survey |
| F578  | Honor the resident's right to request, refuse, and/or discontinue treatment, to participate in or refuse to participate in experimental research, and to formulate an advance directive. | D                             | Standard survey |
| F656  | Develop and implement a complete care plan that meets all the resident's needs, with timetables and actions that can be measured.                                                        | D                             | Standard survey |
| F657  | Develop the complete care plan within 7 days of the comprehensive assessment; and prepared, reviewed, and revised by a team of health professionals.                                     | D                             | Standard survey |
| F550  | Honor the resident's right to a dignified existence, self-determination, communication, and to exercise his or her rights.                                                               | D                             | Complaint       |
| F773  | Provide or obtain laboratory tests/services when ordered and promptly tell the ordering practitioner of                                                                                  | D                             | Complaint       |

the results.

## § 8 For Your Attorney

---

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
  2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 345215.
  3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash 66eb0456f9c3.
  4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).
- 

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client

---

relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
