| Ownership type | For profit - Limited Liability company |
| Certified beds | 75                                     |

## § 2 CMS Federal Record

|                                            |                                    |
|--------------------------------------------|------------------------------------|
| Civil money penalties on file              | \$21,598                           |
| Deficiency citations — current cycle       | 22 ( 1000% vs prior 24 months (2)) |
| Deficiency citations — prior 24 months     | 2                                  |
| Immediate Jeopardy — current cycle         | 0                                  |
| Actual-harm (G+) citations — current cycle | 1                                  |
| Special Focus Facility status              | Not listed                         |
| Abuse icon                                 | No                                 |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$21,598                                              |
| OH state average                  | \$23,139 (this facility is 0.9× the OH average)       |
| National average                  | \$31,239 (this facility is 0.7× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 22 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                                                                                                           | SCOPE/SEV. | SOURCE          |
|-------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|-----------------|
| F686  | Provide appropriate pressure ulcer care and prevent new ulcers from developing.                                                                                                                                                                         | G          | Standard survey |
| F804  | Ensure food and drink is palatable, attractive, and at a safe and appetizing temperature.                                                                                                                                                               | F          | Complaint       |
| F921  | Make sure that the nursing home area is safe, easy to use, clean and comfortable for residents, staff and the public.                                                                                                                                   | F          | Complaint       |
| F867  | Set up an ongoing quality assessment and assurance group to review quality deficiencies and develop corrective plans of action.                                                                                                                         | F          | Standard survey |
| F584  | Honor the resident's right to a safe, clean, comfortable and homelike environment, including but not limited to receiving treatment and supports for daily living safely.                                                                               | E          | Standard survey |
| F812  | Procure food from sources approved or considered satisfactory and store, prepare, distribute and serve food in accordance with professional standards.                                                                                                  | E          | Standard survey |
| F580  | Immediately tell the resident, the resident's doctor, and a family member of situations (injury/decline/room, etc.) that affect the resident.                                                                                                           | D          | Complaint       |
| F695  | Provide safe and appropriate respiratory care for a resident when needed.                                                                                                                                                                               | D          | Complaint       |
| F761  | Ensure drugs and biologicals used in the facility are labeled in accordance with currently accepted professional principles; and all drugs and biologicals must be stored in locked compartments, separately locked, compartments for controlled drugs. | D          | Complaint       |
| F690  | Provide appropriate care for residents who are continent or incontinent of bowel/bladder, appropriate catheter care, and appropriate care to prevent urinary tract infections.                                                                          | D          | Complaint       |
| F921  | Make sure that the nursing home area is safe, easy to use, clean and comfortable for residents, staff and the public.                                                                                                                                   | D          | Complaint       |

|      |                                                                                                                                                                                                             |   |                 |
|------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---|-----------------|
| F690 | Provide appropriate care for residents who are continent or incontinent of bowel/bladder, appropriate catheter care, and appropriate care to prevent urinary tract infections.                              | D | Complaint       |
| F580 | Immediately tell the resident, the resident's doctor, and a family member of situations (injury/decline/room, etc.) that affect the resident.                                                               | D | Complaint       |
| F641 | Ensure each resident receives an accurate assessment.                                                                                                                                                       | D | Standard survey |
| F677 | Provide care and assistance to perform activities of daily living for any resident who is unable.                                                                                                           | D | Standard survey |
| F684 | Provide appropriate treatment and care according to orders, resident's preferences and goals.                                                                                                               | D | Standard survey |
| F689 | Ensure that a nursing home area is free from accident hazards and provides adequate supervision to prevent accidents.                                                                                       | D | Standard survey |
| F690 | Provide appropriate care for residents who are continent or incontinent of bowel/bladder, appropriate catheter care, and appropriate care to prevent urinary tract infections.                              | D | Standard survey |
| F880 | Provide and implement an infection prevention and control program.                                                                                                                                          | D | Standard survey |
| F887 | Educate residents and staff on COVID-19 vaccination, offer the COVID-19 vaccine to eligible residents and staff after education, and properly document each resident and staff member's vaccination status. | D | Standard survey |
| F925 | Make sure there is a pest control program to prevent/deal with mice, insects, or other pests.                                                                                                               | D | Standard survey |
| F947 | Ensure nurse aides have the skills they need to care for residents, and give nurse aides education in dementia care and abuse prevention.                                                                   | C | Standard survey |

## § 5 Ownership & Chain Context

|                                       |                                                                                                                                          |
|---------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------|
| Ownership record                      | Chain: DIVINE HEALTHCARE MANAGEMENT (9 facilities);<br>Owner on file: DIVINE REHABILITATION AND NURSING AT SWAN CREEK LLC (organization) |
| Ownership chain                       | DIVINE HEALTHCARE MANAGEMENT (9 facilities)                                                                                              |
| Penalties vs chain average            | \$21,598 vs \$34,870 (0.6× the chain average)                                                                                            |
| Current deficiencies vs chain average | 22 vs 18.8 (1.2× the chain average)                                                                                                      |

## § 6 CMS Care Compare Star Ratings

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 2 / 5 (state avg 3.2 · US avg 3)   |
| Health inspection     | 1 / 5 (state avg 2.8 · US avg 2.8) |
| Staffing              | 1 / 5 (state avg 2.4 · US avg 2.9) |
| Quality measures (QM) | 5 / 5 (state avg 4.5 · US avg 3.7) |

## § 7 Record Provenance

|                          |                                                                                                                                                   |

## § 8 For Your Attorney

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 365488.
3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash 8f8d5ead52cf.
4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
